User Department's Recommendation

User Department Name **Fire Rescue Services**

Recommended Bidder: NPP.GOV / MES meets our approval.

Project Amount This Term: \$425,000.00

Funding:

General Enterprise 3 Digit Fund Code 270

CIP Line Item No. (if applicable): _____

Justification: Fire Rescue Services wishes to establish a formal contract in the amount of \$425,000.00 annually for the purchase, care, and maintenance of the department's SCBA (self-contained breathing apparatus). Through the cooperative purchasing agreement NPP.Gov, which DeKalb County is a registered purchaser, MES (Municipal Emergency Services) is a qualified Scott Safety 5-star service center servicing the metro Atlanta area. This contract will enable DeKalb County Fire Rescue to purchase approximately 50 new SCBA (\$325K) per year to replace the current aging inventory as well as provide repair services (\$100K). This will ensure DeKalb County Fire Rescue is compliant with NFPA 1500, NFPA 1852, and NFPA 1981.
