

**User Department's Recommendation:**

User Department Name DeKalb Peachtree (PDK) Airport

**Recommended Bidder(s) meets our approval:**

Bidder 1: Superior Recreational Products

Bidder 2: \_\_\_\_\_  
Name/Amount

Project Amount This Term: \$297,653.68

**Funding:**

General

Enterprise

3 Digit Fund Code 551

CIP Line Item No. (if applicable): \_\_\_\_\_

**Justification:**

This project will include a complete replacement of all playground equipment at the DeKalb Peachtree Airport park (Doc Manget Memorial Aviation Park). The current playground equipment is 18 years old and is in serious need of replacement. The Aviation Park at PDK is a staple among the community surrounding the airport. With the playground being the main attraction of the park, it also draws in families from all over the Atlanta metro area who wish to bring their kids to a unique playground environment, where they can play and also enjoy watching aircraft operating at the second busiest airport in the State of Georgia.

With this project, we are maintaining an aviation theme. The playground equipment will resemble an old WWII War bird as well as an air traffic control tower. Kids will be able watch airplanes take off and land while pretending to pilot their own aircraft, hopefully helping them to envision a future in the aviation world.
