Please confirm, by letter, no later than **June 1, 2018**, your intent to proceed with and fund this project in the state's Fiscal Year 2018, which ends June 30, 2018. State and/or federal funding for this project if unconfirmed by this date may be reassigned.

State funding assistance must be formally requested by letter to the Department's Commissioner. See attached sample letter. State funding participation is 75% of the state/local project and 50% of the nonfederal share of the federally eligible project. **These projects will require matching funds from the DeKalb County estimated in the amount of \$246,102.00.** This is a tentative allocation of funds, the actual contract amount will be based on preapproved design, planning and engineering costs and/or competitive bids received to accomplish the project. Any projects in which you are seeking reimbursement with federal funds must have been reviewed and approved by the Department prior to work commencing in order to be considered eligible for federal funding participation. State funding participation is not allowed for reimbursement projects.

The Department has scheduled this project to be ready for contract in **June 2018**. Tracie Kleine has been assigned from our Aviation Programs office as project manager to assist in this tentative allocation award including but not limited to, overall project coordination, federal and state guidance, and project review and scheduling. Please communicate with your project manager by the 5th of each month regarding your project's status and schedule.

As acknowledgement to this tentative allocation award, please provide a letter with the following: (See attachment)
