My name is Joyce Peacock. I am a resident of Jordan Lane for over seventy years. I am opposed to rezoning this small community from R-75 to RSM because Jordan Lane is a very narrow lane. Over the last seven years, there is an increase in traffic on Jordan lane due to the development of the utility company and an international market on the north end of Jordan Lane. Additionally, Jordan lane is surrounded by **two active cemeteries** with an average of **ten funerals weekly** making this small sacred community even more congested. It is for these reasons, I oppose rezoning from R-75 to RSM. I ask this governing body to consider denying this proposal.
