Re: Rezone Application Review

General Comments:

DeKalb County Health Regulations prohibit use of on-site sewage disposal systems for

- multiple dwellings
- food service establishments
- hotels and motels
- commercial laundries
- funeral homes
- schools
- nursing care facilities
- personal care homes with more than six (6) clients
- child or adult day care facilities with more than six (6) clients
- residential facilities containing food service establishments

If proposal will use on-site sewage disposal, please contact the Land Use Section (404) 508-7900.

Any proposal, which will alter wastewater flow to an on-site sewage disposal system, must be reviewed by this office prior to construction.

This office must approve any proposed food service operation or swimming pool prior to starting construction.

Public health recommends the inclusion of sidewalks to continue a preexisting sidewalk network or begin a new sidewalk network. Sidewalks can provide safe and convenient pedestrian access to a community-oriented facility and access to adjacent facilities and neighborhoods.

For a public transportation route, there shall be a 5ft. sidewalk with a buffer between the sidewalk and the road. There shall be enough space next to sidewalk for bus shelter's concrete pad installation.

Since DeKalb County is classified as a Zone 1 radon county, this office recommends the use of radon resistant construction.

I. INTRODUCTION

This Application seeks to rezone ± 1.81 acres of land consisting of two parcels located in the northeast quadrant of the intersection of Covington Highway and Young Road (“Subject Property”). The Subject Property is more particularly located at 5646 Covington Highway, DeKalb County, Atlanta, Georgia (Parcel IDs 1600603001 and 1600702013). The Subject Property is currently zoned RSM (Residential Small Lot) and within the Greater Hidden Hills Overlay, Tier 1 (the “Overlay”). The Applicant seeks to rezone the property to C-1 (Local Commercial District) to allow a proposed retail commercial development. In particular, the applicant and developer, Mare Properties, LLC. (“Mare” or “Applicant”), intends to develop the Subject Property with single-story building containing a $\pm 2,925$ square foot neighborhood market and $\pm 12,440$ square feet of retail shops (a total floor area of $\pm 15,365$ square feet), along with parking and appurtenant site improvements (“Proposed Development”). The proposed neighborhood market will also sell alcohol and the Applicant is submitting a concurrent application for a Special Land Use Permit (“SLUP”) to allow alcohol sales.

In keeping with the Overlay, the proposed Development offers a new-urbanist design. The building is brought to the street, with no parking between the structure and the right of way. Further, a 10-foot sidewalk and street trees are provided on Young Road. Pedestrians will be able to walk directly from the sidewalk into the stores.

The Proposed Development and the requested C-1 zoning are appropriate given what exists in the surrounding area today. To the north and east of the Subject Property is a property zoned RSM and owned by the Our Shepherds Baptist Church, which contains a vacant building (formerly a church). To the west, the Subject Property abuts the right-of-way of Young Road. To the south, the Subject Property borders the right-of-way of Covington Highway and an undeveloped lot zoned R-100 (Residential Medium Lot). Further south, across Covington

Highway, are multiple properties zoned C-2 (General Commercial District) and C-1 containing, among other things, a Texaco gas station and Parker & Son screen and glass contractors.

The Subject Property is located in one quadrant of an intersection of Covington Highway, a four-lane Major Arterial,¹ and Young Road, a Collector.² This intersection of two heavily traveled roadways is more conducive to commercial development than the residential allowed by the current RSM zoning. It should be noted that the property was previously rezoned to R-A8 in 2003 pursuant to CZ-02039³. The CZ-02039 zoning envisioned the development of twelve townhome residential units on the Subject Property, however that development never materialized. The property is currently undeveloped and consists of forested areas and the property has remained undeveloped for at least the last 68 years.⁴ Its odd shape and current RSM zoning are likely the reason that the Subject Property remains undeveloped, while the section of Covington Highway corridor at Young Road has enjoyed primarily commercial growth. Absent a rezoning to a more fitting district the Subject Property is likely to remain undeveloped.

In addition, the Proposed Development will act as a transition in use and intensity from the heavily traveled Covington Highway to the south and the existing residential areas to the north. The primary goal of land use planning is to eliminate or minimize the potential adverse effect of the dissimilar uses of adjacent tracts of land by establishing a harmonious transition between them. The traditional method of achieving this goal is through both “off-site” and “on-site” transition. Off-site transition consists of avoiding the placement of dissimilar uses next to each other by placing uses of intermediate density between them. The Proposed Development

¹ See the DeKalb County Recommended Functional Classification Map.

² *Id.*

³ It was subsequently rezoned to RSM when DeKalb County adopted its updated Zoning Map in 2015.

⁴ Determined from a review of aerial photographs dating back to 1955.

will also provide on-site transition, which might either supplement or replace off-site transition and consists of measures imposed on a particular property to protect neighborhoods from adverse effects. To achieve the onsite transition, the proposed site design will include appropriate setbacks and buffers along the residential district to the north and east.

In sum, the proposed C-1 zoning will allow the development of attractive and beneficial retail that is appropriate and harmonious with the existing development in the area. This document is submitted as a Statement of Intent with regard to this Application, a preservation of the Applicant's constitutional rights, a Written Justification for the Application as required by the DeKalb County Zoning Ordinance §§ 27-7.3.5 and 27-7.4.6.

III. IMPACT ANALYSIS

A. THE ZONING PROPOSAL IS IN CONFORMITY WITH THE POLICY AND INTENT OF THE COMPREHENSIVE PLAN

The portion of the Subject Property containing the Proposed Development is located within the Suburban character area per the DeKalb County Future Land Use Map.⁵ The DeKalb County 2050 Comprehensive Plan (“Comp Plan”) notes that the C-1 zoning is compatible with the Suburban character area. One of the Comp Plan’s stated intents for the Suburban character area is to “allow limited non-residential development...outside of existing, stable single-family neighborhoods, particularly in locations with high levels of pedestrian connectivity, to meet the needs of surrounding residents.” *See DeKalb County 2050 Comprehensive Plan, pg. 41.* The area further north of the Subject Property, along Young Road contains a number of residential developments. Additionally, the existing Park at Stonehaven apartments are located west of the

⁵ Parcel 1600603001 is within the Suburban character area and Parcel 1600702013 is within the Commercial Redevelopment Corridor (CRC) character area. The Proposed Development, however, will be entirely located within the Suburban Character Area. Both the Suburban and CRC support the proposed C-1 zoning.

Subject Property across Young Road. The addition of retail within walking distance of existing residential development aligns well with the goals of the Comprehensive Plan.

The Proposed Development also fosters a number of general policies for the Suburban character area in the County's Comprehensive Plan:

- Walkability - Locate development and activities within easy walking distance of transportation facilities.
- Streetscape - Create an enhanced sense-of-place by using design principles that promote good streetscapes and a strong public realm.
- Connectivity - Enhance connectivity by providing pedestrian and bicycle infrastructure.

B. THE PROPOSED REZONING PERMITS A USE THAT IS SUITABLE IN VIEW OF THE USE AND DEVELOPMENT OF ADJACENT AND NEARBY PROPERTY

The Proposed Development is suitable given the surrounding existing development. The Subject Property is located between property containing a former church (now vacant) to the north and east, and a commercial corridor along Covington Highway to the south. The overall area consists of a mix of multi-family residential, commercial, and institutional (church) developments. The Proposed Development will add retail and convenience goods within walking distance of nearby residential and act as a transition between the intensity of Covington Highway to the south and the residential uses further north.

C. THE SUBJECT PROPERTY DOES NOT HAVE A REASONABLE ECONOMIC USE AS PRESENTLY ZONED.

The current RSM zoning restricts the development of the Subject Property to primarily residential with limited other uses. As noted in the paragraphs above, the small, triangular shape of the property does not lend itself to the efficient layout of a residential development. Additionally, the property's location at the intersection of two major roadways limits its

attraction for small-scale residential development. The size, shape and location of the property limits its appeal for development under the current RSM district and absent a rezoning to a more appropriate district, the Subject Property is likely to remain undeveloped.

D. THE PROPOSED REZONING WILL NOT ADVERSELY AFFECT THE EXISTING USE OR USABILITY OF ADJACENT OR NEARBY PROPERTY

See Paragraph II.B above.

E. THERE ARE OTHER EXISTING OR CHANGING CONDITIONS AFFECTING THE USE AND DEVELOPMENT OF THE PROPERTY

The nearby properties along Covington Highway, particularly at its intersection with Young Road, are primarily zoned for either commercial or high-density residential uses. The Subject Property's RSM zoning has not kept pace with the other commercial development in the area. The proposed C-1 district will allow development of the property that is commensurate with the other properties fronting the intersection of Covington Highway and Young Road.

F. THE ZONING PROPOSAL WILL NOT ADVERSELY AFFECT HISTORIC BUILDINGS, SITES, DISTRICTS OR ARCHAEOLOGICAL RESOURCES

The Applicant knows of no historic buildings, sites, districts, or archaeological resources either on the Subject Property or located in the immediate vicinity that would suffer adverse impacts from the zoning requested.

G. THE REQUESTED REZONING WILL NOT RESULT IN A USE WHICH WILL OR COULD CAUSE EXCESSIVE OR BURDENSOME USE OF EXISTING STREETS, TRANSPORTATION FACILITIES, UTILITIES, OR SCHOOLS

The Proposed Development will not significantly impact existing transportation facilities. The Applicant used the Institute of Traffic Engineers (ITE) Trip Generation Manual (Ninth Edition) to calculate vehicle trips for Convenience Market (ITE 852) and Specialty Retail Center (ITE 826). According to ITE, the 2,925 square foot convenience market and 12,440 square foot retail shops are expected to generate approximately 4,179 trips during a weekday, ±167 trips

during a weekday a.m. peak hour, and ±378 trips during a weekday p.m. peak hour. The proposed trips, however are not anticipated to negatively affect adjacent roadways. The Proposed Development has direct access to Young Road Road, which is classified as a Collector.⁶ Moreover, the property is at Young Road's signaled intersection with Covington Highway, a four-lane roadway that is classified as a Major Arterial.⁷ The Applicant is not aware of any capacity issues and it is anticipated that the adjacent and nearby roadways should easily handle the traffic generated by the proposed project. The Applicant notes that it is providing a deceleration lane onto the property so as not impacting the northbound travel lane.

The Proposed Development is a commercial use and will have no impact on local schools. As for utilities, the Subject Property has access to water and sewer.

H. WHETHER THE ZONING PROPOSAL ADVERSELY IMPACTS THE ENVIRONMENT OR SURROUNDING NATURAL RESOURCES.

The Subject Property is not located within any floodplain⁸ and there are no streams onsite.⁹ Additionally, the Applicant will be providing a storm water manager to effectively treat and detain storm water runoff from the Proposed Development. Finally, the survey for the property does not reveal the presence of steep slopes or other environmentally sensitive areas (outside of the floodplain) located on site. Nonetheless, the Applicant will employ appropriate best management practices for erosion and sediment control during construction.

III. CRITERIA TO BE APPLIED TO SPECIAL LAND USE PERMITS

The proposed neighborhood market will sell alcohol as a part of its other items. Consequently, the following is an analysis of the criteria listed in DeKalb County Zoning Ordinance § 27-7.4.6 to allow an alcohol outlet.

⁶ See the DeKalb County Recommended Functional Classification Map.

⁷ *Id.*

⁸ Refer to FEMA FIRM Panel 13089C0156J, dated 5/16/2013.

A. ADEQUACY OF THE SIZE OF THE SITE FOR USE CONTEMPLATED AND WHETHER OR NOT ADEQUATE LAND AREA IS AVAILABLE FOR THE PROPOSED USE INCLUDING PROVISION OF ALL REQUIRED YARDS, OPEN SPACE, OFF-STREET PARKING, AND ALL OTHER APPLICABLE REQUIREMENTS OF THE ZONING DISTRICT IN WHICH THE USE IS PROPOSED TO BE LOCATED.

The size of the Subject Property can adequately accommodate the proposed retail and the required parking. The property's size, however, does not have a direct bearing on the alcohol sales.

B. COMPATIBILITY OF THE PROPOSED USE WITH ADJACENT PROPERTIES AND LAND USES AND WITH OTHER PROPERTIES AND LAND USES IN THE DISTRICT.

There is a school to the north, the Decatur Adventist Junior Academy, however it is located ± 2,054 feet from the proposed neighborhood market (i.e. more than the 200-yard minimum separation per DeKalb County Code §27-4-101.1). The proposed alcohol outlet also meets the minimum separation requirements for churches¹⁰ and substance abuse centers.

C. ADEQUACY OF PUBLIC SERVICES, PUBLIC FACILITIES, AND UTILITIES TO SERVE THE USE CONTEMPLATED.

There are adequate public services, public facilities, and utilities to serve the Proposed Development. *See Also* Paragraph II.G above.

D. ADEQUACY OF THE PUBLIC STREET ON WHICH THE USE IS PROPOSED TO BE LOCATED AND WHETHER OR NOT THERE IS SUFFICIENT TRAFFIC-CARRYING CAPACITY FOR THE USE PROPOSED SO AS NOT TO UNDULY INCREASE TRAFFIC AND CREATE CONGESTION IN THE AREA.

See Paragraph II.G above.

⁹ Refer to the survey prepared by Travis Pruitt & Associates, dated April 28, 2023.

¹⁰ According to the DeKalb County tax records, the property to the north an east is owned by the Our Shepherds Baptist Church. However, the existing building on the property is vacant and the property is no longer used as a place of worship.

E. WHETHER OR NOT EXISTING LAND USES LOCATED ALONG ACCESS ROUTES TO THE SITE WILL BE ADVERSELY AFFECTED BY THE CHARACTER OF THE VEHICLES OR THE VOLUME OF TRAFFIC GENERATED BY THE PROPOSED USE.

No. The character of the vehicles will be similar to other commercial businesses in the area. Also, the volume of traffic generated is not expected to adversely affect other existing land uses.

F. ADEQUACY OF INGRESS AND EGRESS TO THE SUBJECT PROPERTY AND TO ALL PROPOSED BUILDINGS, STRUCTURES, AND USES THEREON, WITH PARTICULAR REFERENCE TO PEDESTRIAN AND AUTOMOTIVE SAFETY AND CONVENIENCE, TRAFFIC FLOW AND CONTROL, AND ACCESS IN THE EVENT OF FIRE OR OTHER EMERGENCY.

The Subject Property is situated at the intersection of Young Road and Covington Highway. The property does not have frontage on Covington Highway and would not have adequate separation from the intersection to allow a curb cut on Covington Highway even if it did. It can adequately accommodate a drive entrance on Young Road, however. The Applicant is proposing a deceleration lane at its Young Road entrance and sidewalks along the Young Road frontage (there are existing sidewalks within the right-of-way of Covington Highway that will remain).

G. WHETHER THE PROPOSED USE WILL CREATE ADVERSE IMPACTS UPON ANY ADJOINING LAND USE BY REASON OF NOISE, SMOKE, ODOR, DUST, OR VIBRATION GENERATED BY THE PROPOSED USE.

No, the proposed use will not create such adverse impacts. The Subject Property is located along a commercial corridor and is surrounded entirely by largely commercial uses that will not be adversely impacted by the renovated restaurant.

H. WHETHER THE PROPOSED USE WILL CREATE ADVERSE IMPACTS UPON ANY ADJOINING LAND USE BY REASON OF THE HOURS OF OPERATION OF THE PROPOSED USE.

No. Hours of use will remain the same and mirror those of the similar businesses in the area.

I. WHETHER THE PROPOSED USE WILL CREATE ADVERSE IMPACTS UPON ANY ADJOINING LAND USE BY REASON OF THE MANNER OF OPERATION OF THE PROPOSED USE.

The proposed retail will hold normal business hours (not late night) and the manner of operation will consistent with other retail businesses in the area.

J. WHETHER THE PROPOSED PLAN IS OTHERWISE CONSISTENT WITH THE REQUIREMENTS OF THE ZONING DISTRICT CLASSIFICATION IN WHICH THE USE IS PROPOSED TO BE LOCATED.

The proposed use will be fully compliant with the proposed C-1 district regulations.

K. WHETHER THE PROPOSED USE IS CONSISTENT WITH THE POLICIES OF THE COMPREHENSIVE PLAN.

See Paragraph II.A above.

L. WHETHER THE PROPOSED PLAN PROVIDES FOR ALL REQUIRED BUFFER ZONES AND TRANSITIONAL BUFFER ZONES WHERE REQUIRED BY THE REGULATIONS OF THE ZONING DISTRICT IN WHICH THE USE IS PROPOSED TO BE LOCATED.

Yes, the Proposed Development will incorporate a 50-foot zoning buffer along the property line adjacent to the existing RSM district.

M. WHETHER THERE IS ADEQUATE PROVISION OF REFUSE AND SERVICE AREAS.

The Proposed Development will include adequate refuse areas to accommodate the proposed retail and convenience market.

N. WHETHER THE LENGTH OF TIME FOR WHICH THE SPECIAL LAND USE PERMIT IS GRANTED SHOULD BE LIMITED IN DURATION.

Because the proposed retail and alcohol sales are suitable for the Subject Property, there is no reason to limit the duration of the requested SLUP.

O. WHETHER THE SIZE, SCALE AND MASSING OF PROPOSED BUILDINGS ARE APPROPRIATE IN RELATION TO THE SIZE OF THE SUBJECT PROPERTY AND IN RELATION TO THE SIZE, SCALE AND MASSING OF THE ADJACENT AND NEARBY LOTS AND BUILDINGS.

The proposed building is one-story in height and its size is proportional to the property area. Moreover, the building's size is appropriate in light of adjacent and nearby properties.

P. WHETHER THE PROPOSED USE WILL ADVERSELY AFFECT HISTORIC BUILDINGS, SITES, DISTRICTS, OR ARCHAEOLOGICAL RESOURCES.

The Applicant is not aware of any historic buildings, sites, districts, or archaeological resources on or around the Subject Property.

Q. WHETHER THE PROPOSED USE SATISFIES THE REQUIREMENTS CONTAINED WITHIN THE SUPPLEMENTAL REGULATIONS FOR SUCH SPECIAL LAND USE PERMIT.

Yes. The proposed alcohol outlet meets the requirements of Zoning Code § 27-4.2.8. Specifically, the alcohol outlet will:

(a) Alcohol outlets shall not be located:

- 1. Within three hundred (300) feet of any school building, school grounds, educational facility, college campus, or adult entertainment establishment; or**
- 2. Within six hundred (600) feet of a substance abuse treatment center owned, operated, or approved by the state or any county or municipal government.**

There are no school buildings or educational facilities within 300 feet nor are there any treatment centers within 600 feet of the proposed convenience market

(b) For alcohol sales as an accessory use to retail, the area devoted to the sale and storage of alcohol shall not exceed twenty (20) percent of gross floor area.

The Applicant's alcohol sales will be limited to twenty (20) percent of gross floor area or less.

R. WHETHER THE PROPOSED USE WILL CREATE A NEGATIVE SHADOW IMPACT ON ANY ADJOINING LOT OR BUILDING AS A RESULT OF THE PROPOSED BUILDING HEIGHT.

The proposed building will be one-story in height, which will not create any negative shadow impacts on any adjoining properties.

S. WHETHER THE PROPOSED USE WOULD BE CONSISTENT WITH THE NEEDS OF THE NEIGHBORHOOD OR THE COMMUNITY AS A WHOLE, BE COMPATIBLE WITH THE NEIGHBORHOOD, AND WOULD NOT BE IN CONFLICT WITH THE OVERALL OBJECTIVE OF THE COMPREHENSIVE PLAN.

The Proposed Development would serve customers from the surrounding neighborhood and is within walking distance of the Park at Stonehaven apartments. The neighborhood market with alcohol sales will fill a need within the community. The proposed redevelopment is not in conflict with the objectives of the Comp Plan as outlined in the paragraphs above.

IV. NOTICE OF CONSTITUTIONAL CHALLENGE TO UNDERLYING ZONING AND PRESERVATION OF CONSTITUTIONAL RIGHTS

The Applicant respectfully submits that the existing zoning on the Subject Property is unconstitutional and that a refusal to approve the proposed rezoning, or any attempt to rezone the Subject Property to an intervening classification, would be unlawful, arbitrary, capricious, irrational and a manifest abuse of discretion, all in violation of the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States, and Article I, Section I, Paragraph I and Article I, Section III, Paragraph I of the Constitution of the State of Georgia.

A refusal to approve the proposed rezoning and Special Land Use Permit, or any attempt to rezone the Subject Property to an intervening classification, would discriminate unfairly between the owner of the Subject Property and other property owners similarly situated, in

violation of the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States, and Article I, Section I, Paragraph II of the Constitution of the State of Georgia.

A refusal to approve the proposed rezoning and Special Land Use Permit, or any attempt to rezone the Subject Property to an intervening classification, would amount to a taking of property, in violation of the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States, and Article I, Section I, Paragraph I and Article I, Section III, Paragraph I of the Constitution of the State of Georgia.

A refusal to approve the proposed rezoning and Special Land Use Permit, or any attempt to rezone the Subject Property to an intervening classification, would be unjustified from a fact-based standpoint and instead would result only from constituent opposition, which would be an unlawful delegation of authority in violation of Article IX, Section II, Paragraph IV of the Constitution of the State of Georgia.

A refusal to approve the proposed rezoning and Special Land Use Permit, or any attempt to rezone the Subject Property to an intervening classification, would be invalid inasmuch as the Zoning Ordinance of DeKalb County is unlawful, null and void because its adoption and map adoption/maintenance did not and does not comply with the requirements of its predecessor ordinance and/or the Zoning Procedures Law, O.C.G.A. § 36-66-1, *et seq.*

DeKalb County's Zoning Ordinance lacks adequate standards for the Board of Commissioners to exercise its power to review this Application. Specifically, the "standards and factors" set out in Sections 27-7.3.5 and 27-7.4.6 are not sufficient to contain the discretion of the Board of Commissioners and to provide the Courts with a reasonable basis for judicial review. Because the stated standards (individually and collectively) are too vague and uncertain to provide reasonable guidance, the Zoning Ordinance is unlawful and violates, among other

things, the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States and Article I, Section I, Paragraphs I and II of the Constitution of the State of Georgia.

Any limitation on the time for presentation of the issues before the Board of Commissioners, which has the power to zone and rezone property, is a violation of the guarantees of free speech under the First Amendment of the Constitution of the United States and Article I, Section I, Paragraph V of the Constitution of the State of Georgia. Further, said limitations are in violation of the right to petition and assemble, in violation of the First Amendment of the Constitution of the United States and Article I, Section I, Paragraph IX of the Constitution of Georgia, as well as the due process clauses of the United States and Georgia Constitutions.

The Applicant raises the defenses of lack of standing and failure to exhaust administrative remedies.

V. CONCLUSION

For the foregoing reasons, the Applicant respectfully requests that the Rezoning and Special Land Use Permit applications at issue be approved. The Applicant also invites and welcomes any comments from Staff or other officials of DeKalb County.

This 4th day of May, 2023.
