

DeKalb County - Department of Purchasing and Contracting		
RFP Evaluation Summary for RFP No. 24-50671 Zoning Ordinance & Sign Ordinance Update Project		
PROPOSERS:	Kimley-Horn and Associates, Inc.	International Design Services, Inc. d/b/a IDS Global
Criteria		
Technical Approach	Very detailed on the procedures and methods used. Detailed listing on responsibilities required. A very defined project schedule.	The Committee members felt IDS Global, lacked the capability to fully provide the services required for this project.
Project Management	Excellent description of organization and management.	The project management description provided by IDS was engineering based. They did not provide enough information to support public engagement as listed in the RFP.
Personnel	Very detailed resumes. Provided they have sufficient number of staff to provide services. Many have worked with DeKalb County on previous projects.	Based on the resumes provided by IDS Global, the staff are qualified in engineering, but no information is provided to support their expertise in planning, as requested in the RFP.
Organizational Qualifications	Kimley-Horn has a solid track record with DeKalb County and other municipalities. Also has a good track record with Federal Government.	Committee felt IDS Global would be ideal for an engineering project. There appeared to be no planning experience what so ever.
Financial Responsibility	According to the DeKalb County Finance Department, financially, Kimley-Horn is in the green.	According to the DeKalb County Finance Department, IDS Global did not provide enough financial information to provide an assessment..
References	Earned the maximum score of 5. References were favorable.	Earned the maximum score of 5. References were favorable.
LOCAL SMALL BUSINESS/ GFE	Earned the score of 10. Obtained the required LSBE participation.	Earned the score of 5. They are a certified LSBE-MSA.
