Randy,

Good morning and hope you're having a great Monday so far.

We are currently working on a new GSA contract but we're unsure of how long it will take to get the contract in place. We do have the Fairfax County Virginia Cooperative contract that we can put in place for you at this moment.

We do have a local store in Tucker GA located at 4745 Hugh Howell Rd and we run 4 shoe trucks out of that location as well.
