

User Department's Recommendation

Recommended Bidder(s): Core and Main meets our approval.

Amount Spent on Previous Contract: \$486,790.58

Name of Fund: General Operating

Project Amount This Term: \$514,981.82

Justification:

The Department of Watershed Management (DWM) recommends **Core and Main** as the recommended bidder based on the total from the bid tabulation form. The bidder is the lone, lowest bidder according to the price quoted on line items 1 – 82 and 85 - 103. Although Fortline Waterworks is the lone, lowest bidder according to the price quoted on line items 83 and 84; DWM request the total bid be awarded to Core and Main as line items 83 and 84 will not be ordered in an abundance; the line items will potentially have ten (10) in total inventory annually.
