TO: Talisa R. Clark, Chief Procurement Officer, Purchasing & Contracting

FROM: Mario A. Evans, Airport Director

SUBJECT: Request for Assistance: Amendment No. 2 to Contract No. 1038278 with Astra Group, Inc. (Invitation No. 16-100760) - Runway 21L Engineered Materials Arresting System (EMAS) Project at DeKalb Peachtree Airport

The Airport is requesting your assistance with Amendment No. 2 to Contract No. 1038278 with Astra Group, Inc. for the construction of Runway 21L Engineered Materials Arresting System (EMAS) Project at DeKalb Peachtree Airport.

The following information is provided:

- Amendment No. 1 is currently in Purchasing & Contracting (P&C) and is assigned to Nyree Pugh. Amendment No. 1 extends the term of the contract until December 31, 2018. It is my understanding that Amendment No. 1 will be considered for approval on December 5, 2017 as a P&C item. In this regard, the Airport has entered the date of December 5, 2017 in the recital for Amendment No. 1 in the attached proposed draft of Amendment No. 2, copy attached. Please revise date if necessary.
- Amendment No. 2 is necessary because of an addition to the scope of work; i.e., the installation of a stormwater line. In this regard, the total contract price is increased to \$6,868,791.00. A purchase requisition is not applicable because the project is funded by Federal, State and Local funds.

Draft Amendment No. 2 is attached and a Word copy will be forthcoming to Ms. Pugh.

Please advise how we can be of assistance with this very important project for the County and the Airport.

Mario A. Evans, Airport Director
