Dear Commissioner Jester,

I have become aware of your willingness to seek authorization for \$50,000 to fund projects in the Peters Park area of Tucker at the request of Councilman Bill Rosenfield and Councilwoman Pat Soltys. Thank you!

The projects will include but are not limited to: street sign toppers to be installed throughout the community, monuments, directional and informational signage, a tree study for Elmdale, lighting, cleanup activities, and other community improvement type items. We appreciate your interest in making these improvements and they will be welcomed by the citizens of the area. Our staff will oversee the work and ensure that the funds are properly allocated. Thanks again for your interest in supporting the City of Tucker in its ongoing effort to improve the quality of life for our residents.

Sincerely,

Mayor Frank Auman
