

Committee Evaluation Summary

RFP 23-500652 Workers' Compensation Bill Review and Pharmaceutical Management Services

Criteria (points)	CorVel Healthcare Corporation	USIS dba AmeriSys
Technical Approach (15points)	Software used by CorVel (CareMed) is very user friendly. They provided panel of physicians. They explained the process of medical fee is checked against workers compensation.. They explained the requirement needed.	AmeriSys utilizes a have proprietary system, that is not very user friendly.
Project Management (15 point)	Operated in house from local Lawrenceville office. They provided credentials of staff. Turn around time of 7-10 business days. Integration of bill review and case manager. They also partnered with national pharmacy benefit manager.	Bills reviews of medical bills are conducted by their bill examiners. rs. Provided credential of team. Turn around time of 30 days.
Personnel (10 Points)	All personnel are identified and their personal qualifications are clearly listed.	There is detailed information about the principals, but less so for the line managers and support staff.
Organization Qualifications (15 points)	Incumbent provider for the County; very positive rating by County. Organization displayed they are qualified.	Hard to tell what is included and what is not. Most of the references seem to be in place, but the content and quality are questionable.
Performance & Quality Standards (15 points)	Automatic quality control bill audit. Explained performance result.	Provided basic standards.
Financial Responsibility (5 Points)	Very Satisfactory cash position; Longevity in business very positive, 54 years. Corvel: \$220mm equity position & \$56+mm in cash – <u>5</u>	Very strong income statement & total assets; however, did not provide balance sheets or cash flow statements -3
References (5 points)	Excellent rating by all references.	Some references non-responsive to inquiry, but those received very good.
LSBE Participation (Max. 10)	Full participation with LSBE DeKalb vendor.	Full participation with LSBE MSA.
Cost (10 points)	Lowest Responsive and Responsible proposal.	Did not provide cost as required by RFP.
