PURPOSE:

Application SLUP-19-1243155 of Erica Stewart for a Special Land Use Permit to operate a 24-hour in-home day care facility for up to six children in an RSM (Small Lot Residential Mix) District, in accordance with Chapter 27, Article 4 of the DeKalb County Code, Table 4.1. RECOMMENDATION:

COMMUNITY COUNCIL: APPROVAL.

PLANNING COMMISSION: APPROVAL WITH CONDITIONS.

PLANNING STAFF: APPROVAL WITH CONDITIONS.

STAFF ANALYSIS: The proposed child day care facility is consistent with policies of the 2035 DeKalb County Comprehensive Plan that support the provision of convenient child care for working parents. By providing day care within a residential neighborhood setting, the proposed day care facility can enable children to develop a sense of place. In addition, because the size, scale, and appearance of the existing single-family home will be maintained, the proposed use is compatible with Suburban Character Area Policy No. 1 of the Comprehensive Plan, which states: "Protect stable neighborhoods from incompatible development that could Alter established single-family residential development patterns and density." The proposed use is expected to generate traffic only from passenger vehicles, which would not adversely impact existing land uses along access routes to the site. It is expected that parents will be able to safely drop off and pick up their children
