Project Amount This Term: \$ 8,000,000.00

Funding:

Justification:

The Department of Watershed Management (DWM) recommends Kendall Supply as the recommended bidder based on the total from the bid tabulation form. The bidder is the lone, lowest bidder according to the price quoted. The requested amount not to exceed of \$8,000,000 is for the first year and DWM will re-evaluate the need for any required funding adjustment for each additional contracted year. The Water Meter Parts contract is critical in supporting the DeKalb County CEO's initiative for Water Meter Upgrade and Exchange Program as well as supporting an increase demand of new water meters for new installation.
