Subject: Re: T-Hangar C-23

Hi Hunter,

This email is to serve notice of my termination of lease for hangar C23. This is due to no longer having an aircraft stored there. I understand I am to vacate 5/23/23.

My card is deactivated and I do need access to remove some items.

Thanks,

That is fine. I appreciate your understanding and I apologize that we cant allow you to hang on to it for the time being.

All I need from you is a reply back in this email stating that you would like to vacate your hangar C-23 with 30 days advance notice starting from todays date of 4/23/23, and then give the reason (for your instance it would be due to the selling of your aircraft).

Once I receive that, we will allow you the 30 days to vacate the hangar.

Thanks,

Hunter Hines, C.M.
