File ID: 2022-1484

Substitute

6/28/2022

Public Hearing: YES NO

Department: Planning and Sustainability

SUBJECT:

COMMISSION DISTRICT(S): Commission District 04 Super District 07

Application of Battle Law, PC for a Special Land Use Permit (SLUP) to develop a 21-unit senior housing community, at 373 Stone Mountain-Lithonia Road.

PETITION NO.: SLUP-22-1245692 (2022-1484)

PROPOSED USE: Senior Housing (Single-family, detached, cottage style homes.)

LOCATION: 373 & 399 Stone Mountain Lithonia Road, Stone Mountain, Georgia

PARCEL NO.: 18-037-05-003, -004

Information Contact: Melora Furman, Sr. Planner

Phone Number: 404-371-2155

PURPOSE:

Application of Battle Law, PC for a Special Land Use Permit (SLUP) to develop a 21-unit senior housing community, at 373 Stone Mountain-Lithonia Road.

RECOMMENDATION:

COMMUNITY COUNCIL: Approval.

PLANNING COMMISSION: Approval with Conditions.

STAFF RECOMMENDATION: Approval with Conditions (rev. 6/24/2022).

PLANNING STAFF ANALYSIS: The Comprehensive Plan Update acknowledges that the senior population of DeKalb County is increasing, and it calls for provision of more housing for seniors. Housing Policy No. 6 states, “Encourage housing for the elderly that is well planned, soundly financed and located within a pedestrian friendly, residential community.” The subject property is not located within the “pedestrian friendly, residential community” contemplated by this policy, but it is located closer to amenities and services than if it were located within the heart of one of the low-density single-family residential neighborhoods that are typical of southeastern DeKalb County. In the future, DeKalb County might remedy the lack of pedestrian infrastructure along the public streets and at the North Stone Mountain Lithonia Road-Rockbridge Road intersection by installing wider sidewalks, pedestrian crossings, refuge medians, bump-outs, or other pedestrian infrastructure. The steady growth in the senior population indicates a continuing need for new senior housing and supports approval of the application under consideration. The cottage development form was conceptualized with seniors in mind, as they often seek a sense of community provided by the cottage layout to avoid isolation and provide a sense of security and support. At the same time, the proposed development would be compatible with adjoining properties via a thickly planted vegetative buffer along the east side of the site. Comments from reviewing departments, divisions, and agencies indicate that the proposed development is not expected to be excessively burdensome on existing streets, transportation facilities, utilities, or schools.

PLANNING COMMISSION VOTE: Approval with Conditions 5-0-1. Jana Johnson moved, LaSonya Osler seconded for Approval with three (3) conditions, per Staff recommendation. Tess Snipes abstained.

COMMUNITY COUNCIL VOTE/RECOMMENDATION: Approval 10-0-0.

2022-1484

SUBSTITUTE

RECOMMENDED ZONING CONDITIONS

06-28-2022

1. The development shall be in substantial conformity to the revised site plan titled, “Zoning Plan for Stone Mountain Lithonia Road Tract”, prepared by Alliance Engineering and Planning, dated 8/11/2022 and stamped as received by the Department of Planning and Sustainability on 5/3/22.
2. That stormwater detention facility shall be underground and shall be engineered and located to provide minimal risk of impacting the adjoining property to the north, subject to approval by staff of the Land Development Division.
3. A dog waste disposal station shall be provided in the Dog Walk Park.
4. The approval of this -----rezoning application by the Board of Commissioners has no bearing on other approvals by the Zoning Board of Appeals or other authority, whose decision should be based on the merits of the application before said authority.

Board of Commissioners Hearing Date: June 28, 2022

STAFF ANALYSIS

revised 6/23/22

Case No.: SLUP-22-1245692 **Agenda #:** 2022-1484

Location/Address: 373 & 399 Stone Mountain Lithonia Road, Stone Mountain, Georgia **Commission District:** 4 **Super District:** 7

Parcel ID(s): 18-037-05-003 & -004

Request: Special Land Use Permit to allow a 21-unit senior housing community.

Property Owner(s): Dawn Group, LLC

Applicant/Agent: Battle Law, PC

Acreage: 4.34 acres

Existing Land Use: Undeveloped, wooded.

Surrounding Properties: To the north, northeast, east, southeast, south, southwest, and west: single-family residential (zoned R-75). To the northwest: single-family attached (zoned MR-2).

Comprehensive Plan: SUB (Suburban) Consistent Inconsistent

Proposed Density: 4.83 units/acre	Existing Density: N.A. (undeveloped)
Proposed Units: 21	Existing Units: N.A. (undeveloped)

Companion Application: The applicant has filed a companion application (Z-22-1245558) to rezone the property from R-100 to RSM to allow development of a cottage-style development.

Zoning History: Based on DeKalb County records, it appears that the R-100 zoning of the property has not changed since adoption of the first zoning ordinance and map in 1956.

SITE AND AREA ANALYSIS

The subject property is comprised of two parcels that total 4.34 acres on the southeast corner of Stone Mountain Lithonia Road, a major arterial with an adjoining railroad track, and Carriage Walk Way, a local cul-de-sac street. The property is located approximately 880 feet north of the intersection of Stone Mountain Lithonia Road with Rockbridge Road, and approximately 1,117 feet from Wade Walker Park, which is located on the southwest corner of the intersection.

The buildable area of the development site is approximately 6 feet above the grade of the adjoining sidewalk along Stone Mountain Lithonia Road. The center of the site is relatively level, but the topography slopes downward on the edges of the site towards the northeast, where the adjoining property is developed with a

single-family home, and the southwest, where the property adjoins Stone Mountain Lithonia Road. The property is heavily wooded. The adjoining property to the south is developed with a public utility building.

The surrounding area is predominantly residential. Properties to the north, east, and west, are developed for single-family homes and are zoned either R-100 or RSM. The adjoining property to the east, as well as properties across Carriage Walk Way, are zoned R-100 and are developed with single-family homes. The adjoining property to the south is used for an office although it is zoned R-100. The next adjoining properties on the east side of Stone Mountain Lithonia Road are part of a commercial node at the intersection of Stone Mountain Lithonia Road with Rockbridge Road. Commercial uses in this node include a Family Dollar store and the Rockbridge Place shopping center, which contains a grocery store and pharmacy. A four-story, 120-unit, senior housing development called *Harmony at Stone Mountain* is located behind the commercial uses that front on the northeast corner of the intersection. *Harmony at Stone Mountain* was approved in 2020 pursuant to CZ-10-1243605. Wade Walker Park is located at the southwest corner of the intersection.

Pedestrian connections from the subject property to the commercial node at Stone Mountain Lithonia Road and Rockbridge Road are fair. Five- to six-foot sidewalks are located along both North Stone Mountain Lithonia Road and Rockbridge Road, and provide access between the subject property, the intersection, and Wade Walker Park. However, there is no landscape strip between the sidewalk and curb that would buffer pedestrians from traffic along these busy streets, and the sidewalk is interrupted in numerous locations by wide curb cuts that allow vehicular access to non-residential uses. The curb cuts do not have demarcated pedestrian crossings. Thus, the sidewalks and intersection allow but do not encourage walking from the subject property to surrounding amenities and services. This is a heightened problem for seniors who may no longer drive and who need more time to cross intersections than younger pedestrians. Possible future County improvements to the pedestrian infrastructure might alleviate these problems.

PROJECT DESCRIPTION

The site plan for the proposal under consideration has undergone significant revisions. The site plan initially submitted for this application was for a 23-unit cottage-style development with detached, one-story homes laid out around a central green space. A 20-foot-wide private drive with street parking on its outer side circled around the perimeter of the development site and provided vehicular access to driveways at the rear of each home. The site plan now shows 23 cottages in groups of two to six homes that face green spaces. These green spaces are interconnected with walking paths. A surface parking lot is located at the center of the site. The homes are on individual, “fee simple” lots with common area around the lots.

Underground detention is still located at the east side of the development site. Common green space at the south end of the property is enhanced with a clubhouse and a community garden. A dog walk park is located at the southeast corner of the site. A decorative fence is proposed along both adjoining streets; it would be set back more than 10 feet from the property lines in a landscaped strip located along both streets and would be partially screened by plants in the landscape strip.

Compliance with District Standards

RSM STANDARD	REQUIRED/ALLOWED	PROVIDED/PROPOSED	COMPLIANCE
MAX. D.U.s/ACRE (BASE & W/BONUSES)	Base: 4 units/acre; With bonuses: 8 units/acre	4.83 units/acre	Yes, with bonuses

RSM STANDARD		REQUIRED/ALLOWED	PROVIDED/PROPOSED	COMPLIANCE
DENSITY BONUSES		Amenity Proximity = add'l. 20% units for each amenity	Grocery store w/in ¼ mile = add'l. .8 units; Park w/in ¼ mile – add'l. .8 units	Yes (4 + .8 + .8 = 5.6 units/acre allowed)
MIN. OPEN SPACE (Applicable if project is > 5 ac. or ≥ 36 d.u.s)		Not applicable	Not applicable	Not applicable
MIN. TRANSITIONAL BUFFER		20 ft. adjacent to R districts on east and south sides of site	East side: 20 ft. graded and replanted buffer South side: 0 ft.	Yes Applicant intends to apply for variance
MIN. LOT AREA		2,000 square feet	2,000 square feet (typical)	Yes
MIN. LOT WIDTH		20 feet	35 feet (typical)	Yes
MAX. LOT COVERAGE		50% per lot	50%	Yes
BUILDING SETBACKS	FRONT (entire lot)	Min. 20 feet	Approximately 60 – 65 feet	Yes
	INTERIOR SIDE	3 feet w/ min. 10 feet between buildings	Superseded by transitional buffer	N.A.
	SIDE – CORNER LOT	Same as front setback	Approximately 80 feet	Yes
	REAR W/O ALLEY	20 feet	Superseded by transitional buffer	N.A.
MINIMUM UNIT SIZE/MAX. BUILDING FOOTPRINT		800 square feet/1,200 square feet	800 square feet/1,000 square feet	Yes
MAX. BLDG. HEIGHT		1.5 stories and 35 ft.	One story and 35 feet	Yes
STREETSCAPING – Carriage Walk Way		6-foot landscape strip back of curb, 5-foot sidewalk, street trees every 30 ft., light poles every 100 feet max	6-foot landscape strip back of curb, 5-foot sidewalk, street trees and light poles not shown	Street trees and light poles must comply, or variances will be necessary.
STREETSCAPING – Stone Mountain Lithonia Road		6-foot landscape strip back of curb, 10-foot sidewalk, street trees every 50 ft., light poles every 80 feet max	20-foot-wide landscape strip next to existing sidewalk	Variances will be necessary.
RETAINING WALLS AT NORTHEAST AND SOUTHWEST CORNERS OF SITE		Max. 6 feet high if not tiered or max. 12 feet high if tiered	10 feet high, not tiered	The walls must be tiered, or a variance will be required.

RSM STANDARD	REQUIRED/ALLOWED	PROVIDED/PROPOSED	COMPLIANCE
DECORATIVE FENCE	Up to 6 ft. along a street; up to 8 ft. along interior property lines	6ft. adjoining Carriage Walk Way; 6 ft. adjoining Stone Mt. Lithonia Road	Yes
PARKING	Min. 2 /unit = 46 spaces; Max. 4 /unit = 92 spaces	40 spaces	A variance will be necessary.

LAND USE AND ZONING ANALYSIS

Sec. 7.4.6. Special land use permit; criteria to be considered.

The following criteria shall be considered by the planning department, the planning commission, and the board of commissioners in evaluating and deciding any application for a special land use permit. The board of commissioners shall use the following criteria in making a decision regarding approval or disapproval of a special land use permit application:

- A. Adequacy of the size of the site for the use contemplated and whether or not adequate land area is available for the proposed use including provision of all required yards, open space, off-street parking, transitional buffer zones, and all other applicable requirements of the zoning district in which the use is proposed to be located.**

The site is adequate for the proposed development. Although a variance to reduce the south transitional buffers will be needed, the area that would otherwise be used for a buffer is proposed to be used for enhanced open space, which would result in only slightly less green space. In addition, the adjoining property is separated from the subject property by a driveway that runs along the rear of a public utility building, so that it doesn't seem necessary to buffer the adjoining property.

- B. Compatibility of the proposed use with adjacent properties and land uses and with other properties and land uses in the district, and whether the proposed use will create adverse impacts upon any adjoining land use by reason of traffic volume/congestion, noise, smoke, odor, dust, or vibration generated by the proposed use.**

As a single-family residential land use with a relatively low density, the proposed development would be compatible with the land uses on adjacent and nearby properties. No adverse impacts on adjoining land uses are expected.

- C. Adequacy of public services, public (or private) facilities, and utilities to serve the proposed use.**

Comments from reviewing departments, divisions, and agencies indicate that the proposed development is not expected to be excessively burdensome on existing streets, transportation facilities, utilities, or schools.

- D. Adequacy of the public street on which the use is proposed to be located and whether or not there is sufficient traffic-carrying capacity for the use proposed so as not to unduly increase traffic and create congestion in the area.**

Comments from the Traffic Engineering Division indicate that Stone Mountain Lithonia Road has sufficient traffic-carrying capacity for the proposed development.

- E. Adequacy of ingress and egress to the subject property and to all proposed buildings, structures, and uses thereon, with particular reference to pedestrian and automotive safety and convenience, traffic flow and control, and access in the event of fire or other emergency.**

The entrance from Carriage Walk Way and the internal private drive would provide satisfactory vehicular circulation to ensure pedestrian and automotive safety, good traffic flow and control, and satisfactory access by public safety and emergency vehicles.

F. Whether the proposed use will create adverse impacts upon any adjoining land use by reason of the manner and hours of operation of the proposed use.

The proposed development would be no different in terms of operational characteristics than a typical single-family residential subdivision, and, as a result, is not expected to have adverse impacts on adjoining land uses.

G. Whether the proposed use is otherwise consistent with the requirements of the zoning district classification in which the use is proposed to be located.

The applicant expects to apply for variances for non-compliance with any requirements of the RSM district.

H. Whether the proposed use is consistent with, advances, conflicts, or detracts from the policies of the comprehensive plan.

The proposal is generally consistent with the applicable policy of the *2035 Comprehensive Plan* regarding provision of senior housing. The *Comprehensive Plan* recognizes that the senior population of DeKalb County is increasing, and it calls for provision of more housing for seniors. Housing Policy No. 6 states, "Encourage housing for the elderly that is well planned, soundly financed and located within a pedestrian friendly, residential community." The subject property is not located within the "pedestrian friendly", residential community contemplated by this policy, but it is located closer to amenities and services than if it were located within the heart of one of the low-density single-family residential neighborhoods that are typical of southeastern DeKalb County. In the future, DeKalb County may remedy the lack of pedestrian infrastructure along Stone Mountain Lithonia Road and at its intersection with Rockbridge Road by installing wider sidewalks, pedestrian crossings, refuge medians, bump-outs, or other pedestrian infrastructure.

I. Whether there is adequate provision of refuse and service areas.

The internal circulation system appears to be adequate to accommodate a garbage truck that would pick up refuse on a regular basis.

J. Whether the length of time for which the special land use permit is granted should be limited in duration.

As the proposed development is suitable at the subject property, there is no reason to limit the duration of the requested special land use permit.

K. Whether the size, scale and massing of proposed buildings are appropriate in relation to the size of the subject property and in relation to the size, scale and massing of adjacent and nearby lots and buildings; and whether the proposed use will create any shadow impact on any adjoining lot or building as a result of the proposed building height.

The proposed homes would be one story high, and the development would be screened from the adjoining residential property by a transitional buffer planted with trees; thus the size, scale and massing of proposed buildings are appropriate in relation to the size, scale and massing of the home on the adjacent lot. The homes would be smaller in size and scale than those on the properties across Carriage Walk Way and, because of the landscape strip along the front of the property, would not be visually connected to the homes along Carriage Walk Way.

L. Whether the proposed use will adversely affect historic buildings, sites, districts, or archaeological resources.

- M. No historic buildings, sites, districts, or archaeological resources are located on the property or in the surrounding area.
- N. **Whether the proposed use satisfies the requirements contained within the supplemental regulations for such special land use permit.**

The proposed development satisfies the supplemental regulations for a senior housing development.

SUPPLEMENTAL REGULATIONS: Sec. 4.2.46. - Senior housing: independent and assisted living, nursing, and continuing care.

- A. Primary uses: Senior housing facilities shall include either independent living units or assisted living units, or both. The independent living units may be either single-family (detached) residences or multi-family (attached) residences.

The proposed senior housing facility will be comprised of detached units for independent living in a cottage-style, single-family residential subdivision.

- B. Accessory uses: Senior housing facilities shall include one (1) or more of the following accessory uses:

1. Ancillary clinics, personal service, retail (e.g., pharmacy, hair salon, medical offices).
2. Central kitchen and dining facility.
3. Recreation and amenities.
4. Building/clubhouse for classes, meetings, concerts, storytelling, etc.
5. Adult day care.

The facility is proposed to have recreational facilities and amenities in the form of a central green space, a community garden, and the dog walk park. It will have a club house in which classes, meeting, and other events may be held.

- C. The maximum number of unrelated residents living independently (not requiring personal care) and at age fifty-five (55) or older allowed in an independent living unit is one (1) per bedroom.

The application indicates that the development will comply with this regulation.

- D. Height standards: A senior living facility in which all of the occupied units are occupied by at least one senior aged fifty-five (55) or older is authorized up to ten (10) stories without a height SLUP in HR, MU-3, MU-4, and MU-5 zoning districts, subject to transitional height plane regulations in Article 5.

The proposed homes would be one story in height.

- E. Accessibility standards: All senior housing shall incorporate accessibility standards that meet certification requirements for easy living or universal design and/or include all of the following minimum features:

1. At least one (1) step free entrance to the main floor at either the front or side of the structure; if only one (1) is provided, it shall not be from a patio or raised deck.

- 2. Main floor of each unit shall include a kitchen, entertaining area, and master bedroom with full bathroom.**
- 3. Every door on the main floor shall provide a minimum width of thirty-four (34) inches of clear passage.**
- 4. Blocking shall be installed in the master bath around toilet, tub, and shower for placement or future placement of grab bars.**

The floor plans submitted by the applicant indicate that the homes will comply with these regulations. Compliance will be checked during review of the site plan and floor plans that are required for the land disturbance permit and the building permits.

F. Assisted living, nursing and continuing care facilities shall provide the following:

- 1. Primary and secondary support services: Approval for assisted living, nursing or continuing care facilities shall not be granted without documentation of provisions for the following primary and secondary services:**
 - a. Primary services: on-site dining facility, twenty-four-hour on-call medical services, on-site licensed practical nurse, on-call registered nurse, linen and housekeeping services, and transportation services.**
 - b. Secondary services: physical therapy, medication administration program, care technician services (clothes changing, bathing, etc.), on-site personal care (barber, beauty salon), fitness center, library.**
 - c. Access to outdoor seating and walking areas shall be provided as part of every assisted living, nursing or continuing care facility.**

As the proposed facility is not an assisted living, nursing, or a continuing care facility, these requirements are not applicable.

G. A senior housing facility shall only be approved after consideration of the use permit criteria, found in Article 7 and after consideration of the following:

- 1. Proximity and pedestrian access to retail services and public amenities.**
- 2. Transportation alternatives.**
- 3. Integration into existing neighborhoods through connectivity and site design.**
- 4. Diverse housing types.**
- 5. Site and building design that encourages social interaction.**
- 6. Building design that meets easy living standards.**

For items 1-4, please refer to standards and factors A-C. The central green shown on the site plan would encourage social interaction. The applicant has stated that the development will meet Item G(6).

H. In addition, in consideration of the special land use permit or special administrative permit for a senior housing facility, the following criteria shall be evaluated based on the degree to which these elements provide transition from the proposed project to adjacent existing development:

- 1. Building height.**

2. Landscaping.

3. Maximum lot coverage.

4. Setbacks from exterior property lines.

5. Site size.

6. Access to thoroughfare.

See OCGA standard D and the compliance chart, above. The property has access to North Stone Mountain Lithonia Road, a four-lane major arterial, and Rockbridge Road, a four-lane minor arterial.

STAFF RECOMMENDATION: APPROVAL WITH CONDITIONS

The Comprehensive Plan Update acknowledges that the senior population of DeKalb County is increasing, and it calls for provision of more housing for seniors. Housing Policy No. 6 states, “Encourage housing for the elderly that is well planned, soundly financed and located within a pedestrian friendly, residential community.” The subject property is not located within the “pedestrian friendly, residential community” contemplated by this policy, but it is located closer to amenities and services than if it were located within the heart of one of the low-density single-family residential neighborhoods that are typical of southeastern DeKalb County. In the future, DeKalb County might remedy the lack of pedestrian infrastructure along the public streets and at the North Stone Mountain Lithonia Road-Rockbridge Road intersection by installing wider sidewalks, pedestrian crossings, refuge medians, bump-outs, or other pedestrian infrastructure.

The steady growth in the senior population indicates a continuing need for new senior housing and supports approval of the application under consideration. The cottage development form was conceptualized with seniors in mind, as they often seek a sense of community provided by the cottage layout to avoid isolation and provide a sense of security and support. At the same time, the proposed development would be compatible with the adjoining residential property by means of a thickly planted vegetative buffer along the east side of the site. Comments from reviewing departments, divisions, and agencies indicate that the proposed development is not expected to be excessively burdensome on existing streets, transportation facilities, utilities, or schools. Therefore, the Department of Planning and Sustainability recommends “Approval” with the following conditions:

1. The development shall be in substantial conformity to the revised site plan titled, “Zoning Plan for Stone Mountain Lithonia Road Tract”, prepared by Alliance Engineering and Planning, dated 8/11/2022 and stamped as received by the Department of Planning and Sustainability on 5/3/22.
2. That stormwater detention facility shall be underground and shall be engineered and located to provide minimal risk of impacting the adjoining property to the north, subject to approval by staff of the Land Development Division.
3. A dog waste disposal station shall be provided in the Dog Walk Park.
4. The approval of this rezoning application by the Board of Commissioners has no bearing on other approvals by the Zoning Board of Appeals or other authority, whose decision should be based on the merits of the application before said authority.

Zoning Plan for
STONE MOUNTAIN LITHONIA ROAD TRACT
 373 & 389 STONE MOUNTAIN LITHONIA ROAD
 L.L. 36 & 37 - DISTRICT 18TH
 PARCEL # 18 037 05 003 & 18 037 05 004

Orig. Issue 08.11.20
 Designed by BW
 Checked by BW
 Project # 20089

ZONING PLAN

04.12.22

Comments – Public Works Transportation Division

Z-22-124558 & SLUP-22-1245692, 373 Stone Mountain Lithonia Road

- South Stone Mountain Lithonia Road is classified as major arterial.
- Please see Zoning Code 5.4.3 and Land Development Code 14-190 for infrastructure improvements.
- Required right of way dedication of 50 feet from centerline or such that all public infrastructure is within right of way, whichever greater. Required: 6-foot sidewalk and 4-foot bike lane OR a 10-foot multiuse path (preferred), 10-foot landscape strip (see Zoning 5.4.3 for options), pedestrian scale street lighting (contact: heftowler@dekalbcountyga.gov).
- Carriage Walk Way is classified as a local road. Improvements are required to bring the development's side of the road (from centerline of road) up to current standards. Required right of way dedication of 27.5 feet from centerline. Right of way dedication may impact lot size, set back requirements and lot yield.
- Required: 5-foot sidewalk 6-foot landscape strip (see Zoning 5.4.3 for options), pedestrian scale street lighting (contact: hefowler@dekalbcountyga.gov). Interior streets must be private.

PUBLIC WORKS TRAFFIC ENGINEERING**

Case No.: Z-22-1245558 Parcel I.D. #: 18-037-05-003 & -004

Address: 373 & 399
Stone Mountain GA,

Adjacent Roadway (s):

(classification)	(classification)

Capacity (TPD) _____	Capacity (TPD) _____
Latest Count (TPD) _____	Latest Count (TPD) _____
Hourly Capacity (VPH) _____	Hourly Capacity (VPH) _____
Peak Hour. Volume (VPH) _____	Peak Hour. Volume (VPH) _____
Existing number of traffic lanes _____	Existing number of traffic lanes _____
Existing right of way width _____	Existing right of way width _____
Proposed number of traffic lanes _____	Proposed number of traffic lanes _____
Proposed right of way width _____	Proposed right of way width _____

Please provide additional information relating to the following statement.

According to studies conducted by the Institute of Traffic Engineers (ITE) 6/7TH Edition (whichever is applicable), churches generate an average of fifteen (15) vehicle trip end (VTE) per 1,000 square feet of floor area, with an eight (8%) percent peak hour factor. Based on the above formula, the _____ square foot place of worship building would generate _____ vehicle trip ends, with approximately _____ peak hour vehicle trip ends.

Single Family residence, on the other hand, would generate ten (10) VTE's per day per dwelling unit, with a ten (10%) percent peak hour factor. Based on the above referenced formula, the _____ (Single Family Residential) District designation which allows a maximum of _____ units per acres, and the given fact that the project site is approximately _____ acres in land area, _____ daily vehicle trip end, and _____ peak hour vehicle trip end would be generated with residential development of the parcel.

COMMENTS:

Plans and field reviewed, no problem that would interfere with Traffic flow.

Signature: Jerry White

4/13/2022

To: Ms. Madolyn Spann, Planning Manager
Mr. John Reid, Senior Planner
From: Ryan Cira, Environmental Health Manager
Cc: Alan Gaines, Technical Services Manager
Re: Rezone Application Review

General Comments:

DeKalb County Health Regulations prohibit use of on-site sewage disposal systems for

- multiple dwellings
- food service establishments
- hotels and motels
- commercial laundries
- funeral homes
- schools
- nursing care facilities
- personal care homes with more than six (6) clients
- child or adult day care facilities with more than six (6) clients
- residential facilities containing food service establishments

If proposal will use on-site sewage disposal, please contact the Land Use Section (404) 508-7900.

Any proposal, which will alter wastewater flow to an on-site sewage disposal system, must be reviewed by this office prior to construction.

This office must approve any proposed food service operation or swimming pool prior to starting construction.

Public health recommends the inclusion of sidewalks to continue a preexisting sidewalk network or begin a new sidewalk network. Sidewalks can provide safe and convenient pedestrian access to a community-oriented facility and access to adjacent facilities and neighborhoods.

For a public transportation route, there shall be a 5ft. sidewalk with a buffer between the sidewalk and the road. There shall be enough space next to sidewalk for bus shelter's concrete pad installation.

Since DeKalb County is classified as a Zone 1 radon county, this office recommends the use of radon resistant construction.

DEKALB COUNTY GOVERNMENT PLANNING DEPARTMENT DISTRIBUTION FORM

The following areas below may warrant comments from the Development Division. Please respond accordingly as the issues relate to the proposed request and the site plan enclosed as it relates to Chapter 14. You may address applicable disciplines.

DEVELOPMENT ANALYSIS:

- **Storm Water Management**

Compliance with the Georgia Stormwater Management Manual, DeKalb County Code of Ordinances 14-40 for Stormwater Management and 14-42 for Storm Water Quality Control **(sections have been amended recently; please request the amended chapter)**, to include Runoff Reduction Volume where applicable is required as a condition of land development permit approval. Use Volume Three of the G.S.M.M. for best maintenance practices. Use the NOAA Atlas 14 Point Precipitation Data set specific to the site. Recommend Low Impact Development features/ Green Infrastructure be included in the proposed site design to protect as much as practicable the statewaters and special flood hazard areas.

There are concerns related to the discharge point of the stormwater mgt facility. Consideration must be given as to where the discharge pipe from the facility is directed as to not create adverse effects.

Runoff Reduction Volume shall be provided, unless technical justification is provided as to the unfeasibility. Strongly recommend to investigate the site and identify location where RRv can be provided and re-design/revise the layout to comply with the RRv requirement.

- **Flood Hazard Area/Wetlands**

The presence of FEMA Flood Hazard Area **was not** indicated in the County G.I.S. mapping records for the site; and should be noted in the plans at the time of any land development permit application. Encroachment of flood hazard areas require compliance with Article IV of Chapter 14 and FEMA floodplain regulations

- **Landscaping/Tree Preservation**

Landscaping and tree preservation plans for any building, or parking lot must comply with DeKalb County Code of Ordinances 14-39 as well as Chapter 27 Article 5 and are subject to approval from the County Arborist.

DEPARTMENT OF PLANNING & SUSTAINABILITY

**Rezoning Application to Amend the Official Zoning Map of DeKalb
County, Georgia**

Proposed Land Use Designation (if applicable): _____

REZONING APPLICATION CHECKLIST

Submit 4 printed, collated sets of the complete application (no staples, no binders) and a PDF version on a flash drive

 1. Schedule a mandatory **Pre-Application Conference** with Planning & Sustainability staff by appointment. Obtain **Pre-Application form** (to be completed in pre-application meeting). Please call 404-371-2155 for appointment.

 2. Hold a **Pre-Submittal Community Meeting** with surrounding neighborhood associations and residents. Provide documentation of the meeting (**meeting notice and sign in sheets**). Letter(s) from homeowners association(s) may also be provided.

 3. Submit **Application** (Submit 4 printed, collated sets and a PDF version on a flash drive. Please assemble materials in the following order.)

 A. Application form with name and address of applicant and owner, and address of subject property;

 B. Pre-submittal community meeting notice and sign-in sheet and other documentation of meeting, if any;

 C. Letter of application and impact analysis

1. **Letter of application** identifying a) the proposed zoning classification, b) the reason for the rezoning or special use or modification request, c) the existing and proposed use of the property, d) detailed characteristics of the proposed use (e.g. floor area, height of building(s), number of units, mix of unit types, number of employees, manner and hours of operation), d)(optional) statement of conditions discussed with the neighborhood or community, if any.

2. **Impact analysis** of the anticipated impact of the proposed use and rezoning on the surrounding properties in response to the standards and factors specified in Article 7.3 of the DeKalb County Zoning Ordinance, as attached. If a Major Modification, please include previously approved conditions and Board of Commissioner meeting minutes.

 D. Authorization Form, if applicant is not the owner. Must be signed by all owners of the subject property and notarized. Authorization must contain the mailing address and phone number of any applicant or agent who is authorized to represent the owner(s) of the subject property. Please include warranty deed, if property ownership is less than 2 years.

 E. Campaign disclosure statement (required by State law).

 F. Legal boundary survey of the subject property, (showing boundaries, structures, and improvements), prepared and sealed within the last year by a professional engineer or land surveyor registered in the State of Georgia. *(If survey shows property on opposite sides of a public street right-of-way, file a separate application for each property.)*

 G. Site Plan, printed to scale, folded, of any existing and or proposed development/redevelopment. For projects larger than 1 acre, site plan should be at least 1:50 scale. The site plan must include the following:

 a. complete boundaries of subject property;

 b. dimensioned access points and vehicular circulation drives;

 c. location of all existing and proposed buildings, structures, setbacks and parking;

 d. location of 100 year floodplain and any streams;

 e. notation of the total acreage or square footage of the subject property;

 f. landscaping, tree removal and replacement, buffer(s); and

 g. site plan notes of building square footages, heights, density calculations, lot coverage of impervious surfaces, parking ratios, open space calculations, and other applicable district standards.

 H. Reduced Site Plan, reduced to 8.5" x 11".

 I. Written Legal Description of metes and bounds of the subject property (can be printed on site plan or survey).

 J. Building Form Information. Elevation (line drawing or rendering), or details of proposed materials, in compliance with Article 5 of the Zoning Ordinance.

 K. Completed, signed Pre-application Form (Provided at pre-application meeting.)

INCOMPLETE APPLICATIONS WILL NOT BE ACCEPTED

STATEMENT OF INTENT

and

Other Material Required by
DeKalb County Zoning Ordinance
For
A Rezoning on Application Pursuant to
DeKalb County Zoning Ordinance

of

**Tricycle Development Group, LLC
c/o Battle Law, P.C.**

for

4.34± Acres of Land located at 373 & 399 Stone Mountain Lithonia Road
Being Tax Parcel No. 18 037 05 004 & 18 037 05 003
Stone Mountain, DeKalb County, Georgia, 30088

Submitted for Applicant by:

Michèle L. Battle, Esq.
Battle Law, P.C.

(404) 745-0045 Facsimile
mlb@battlelawpc.com

I. STATEMENT OF INTENT

The Applicant, Tricycle Development Group Group, LLC, is seeking to rezone the property located at 373 and 399 Stone Mountain Lithonia Road, being tax parcel nos. 18 037 05 004 and 18 037 05 003 (the “Subject Property”) from R-100 to RSM. The Subject Property has been marketed for over a decade with no interest in any development as currently zoned. The Applicant is seeking this rezoning to RSM to allow for a 26-unit senior bungalow community. The proposed subdivision is introducing a beautiful product that is new to the area. The proposed senior bungalows, ranging from 800sf – 1,200sf are perfect for seniors seeking to downsize, but wish to remain active in the community. Proposed amenities include a walking trail interior to the site, a dog park, and a clubhouse. The proposed RSM zoning and proposed senior bungalow subdivision are consistent with the suburban (SUB) future land use designation and would be appropriate for the area.

Building Materials	Hardie board with brick accents
Unit Size	800sf – 1,200sf
Number Of Bedrooms	1 and 2
Garages	Parking Pad for each unit
Anticipated List Price	\$250,000 - \$275,000

This document is submitted both as a Statement of Intent and Impact Analysis with regard to this Application, a preservation of the Applicant’s constitutional rights, and the Impact Analysis.

A surveyed plat and conceptual site plan of the Subject Property controlled by the Applicant has been filed contemporaneously with the Application, along with other required materials.

II. IMPACT ANALYSIS

(a) *The existing land uses and zoning classification of nearby property;*

The Subject Property is located on Stone Mountain Lithonia Road and is zoned R-100, with a land use designation of SUB. Other properties in the area are zoned R-100, R-75 and RSM with a future land use designation of SUB.

(b) *The effect on adjacent properties;*

The proposed 26-unit senior bungalow community is suitable for the area and will not adversely affect adjacent properties. The proposed project will be an asset to the greater community adding more housing options to the area. Additionally, being that the homes will be for the senior population, the new homes will not have a significant impact on traffic and will have no impact on local schools.

(c) *Whether the subject property has a reasonable economic use as currently zoned;*

The Subject Property has minimal economic use as currently zoned. Due to building costs and current market trends, the Subject Property would be better suited with smaller lots than allowed with its current R-100 zoning classification.

(d) *Whether the proposed zoning will be a use that is suitable in view of the use and development of adjacent and nearby property;*

The proposed RSM zoning and associated proposed senior development are suitable in view of the use and development adjacent and nearby property. The surrounding properties are primarily residential, similar to the proposed subdivision. Future residents

of the proposed subdivision would also have the opportunity to support local businesses and enjoy the nearby Wade Walker Park and YMCA.

- (e) *Whether the proposed zoning will adversely affect the existing use or usability of adjacent or nearby property;*

The proposed use will not adversely affect the existing use or usability of adjacent or nearby property. The proposed community will add 26 homes on the Subject Property, which would be an asset, rather than an adversity, for the greater neighborhood.

- (f) *Whether the zoning proposal is in conformity with the policies and intent of the land use plan;*

The zoning proposal is in conformity with the policies and intent of the land use plan. The future land use designation of the Subject Property is SUB, and the proposed RSM zoning classification is in line with that.

- (g) *Whether the zoning proposal will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools; and*

The proposed use, a 26-unit senior bungalow community, will not cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools. The homes will be occupied by seniors, so the development will have minimal impact on roads and no impact on schools.

- (h) *Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the zoning proposal.*

To the Applicant's knowledge, there are no other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the proposed rezoning to RSM.

III. CONCLUSION

For the foregoing reasons, the Applicant respectfully requests that the Rezoning Application at issue be approved. The Applicant also invites and welcomes any comments from Staff or other officials of DeKalb County so that such recommendations or input might be incorporated as conditions of approval of this Application. Please note that the Applicant's Notice of Constitutional Allegations and Preservation of Constitutional Rights has been submitted with this Application and are attached hereto and by this reference incorporated herein.

NOTICE OF CONSTITUTIONAL ALLEGATIONS AND PRESERVATION OF CONSTITUTIONAL RIGHTS

The portions of the DeKalb County Zoning Ordinance, facially and as applied to the Subject Property, which restrict or classify or may restrict or classify the Subject Property so as to prohibit its development as proposed by the Applicant are or would be unconstitutional in that they would destroy the Applicant's property rights without first paying fair, adequate and just compensation for such rights, in violation of the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States and Article I, Section I, Paragraph I of the Constitution of the State of Georgia of 1983, Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and would be in violation of the Commerce Clause, Article I, Section 8, Clause 3 of the Constitution of the United States.

The application of the DeKalb County Zoning Ordinance to the Subject Property which restricts its use to any classification other than that proposed by the Applicant is unconstitutional, illegal, null and void, constituting a taking of Applicant's Property in violation of the Just Compensation Clause of the Fifth Amendment to the Constitution of the United States, Article I, Section I, Paragraph I, and Article I, Section III, Paragraph I of the Constitution of the State of Georgia of 1983, and the Equal Protection and Due Process Clauses of the Fourteenth Amendment to the Constitution of the United States denying the Applicant an economically viable use of its land while not substantially advancing legitimate state interests.

A denial of this Application would constitute an arbitrary irrational abuse of discretion and unreasonable use of the zoning power because they bear no substantial relationship to the public health, safety, morality or general welfare of the public and substantially harm the Applicant in violation of the due process and equal protection rights guaranteed by the Fifth Amendment and Fourteenth Amendment of the Constitution of the United States, and Article I, Section I, Paragraph I and Article I, Section III, Paragraph 1 of the Constitution of the State of Georgia.

A refusal by the DeKalb County Board of Commissioners to grant the Special Land Use Permit as requested by the Applicant would be unconstitutional and discriminate in an arbitrary, capricious and unreasonable manner between the Applicant and owners of similarly situated property in violation of Article I, Section I, Paragraph II of the Constitution of the State of Georgia of 1983 and the Equal Protection Clause of the Fourteenth Amendment to the Constitution of the United States. Any granting of the Special Land Use Permit subject to conditions which are

different from the conditions requested by the Applicant, to the extent such different conditions would have the effect of further restricting Applicant's utilization of the property, would also constitute an arbitrary, capricious and discriminatory act in zoning the Subject Property to an unconstitutional classification and would likewise violate each of the provisions of the State and Federal Constitutions set forth hereinabove.

A refusal to grant the Special Land Use Permit in question would be unjustified from a fact-based standpoint and instead would result only from constituent opposition, which would be an unlawful delegation of authority in violation of Article IX, Section II, Paragraph IV of the Georgia Constitution.

A refusal to approve the Special Land Use Permit in question would be invalid inasmuch as it would be denied pursuant to an ordinance which is not in compliance with the Zoning Procedures Law, O.C.G.A Section 36-66/1 et seq., due to the manner in which the Ordinance as a whole and its map(s) have been adopted.

The existing zoning classification on the Subject Property is unconstitutional as it applies to the Subject Property. This notice is being given to comply with the provisions of O.C.G.A. Section 36-11-1 to afford the County an opportunity to revise the Property to a constitutional classification. If action is not taken by the County to rectify this unconstitutional zoning classification within a reasonable time, the Applicant is hereby placing the County on notice that it may elect to file a claim in the Superior Court of DeKalb County demanding just and adequate compensation under Georgia law for the taking of the Subject Property, diminution of value of the Subject Property, attorney's fees and other damages arising out of the unlawful deprivation of the Applicant's property rights.

This 24th day of February 2021.

Respectfully submitted,

Michèle Battle /DLB

DEPARTMENT OF PLANNING & SUSTAINABILITY

DISCLOSURE OF CAMPAIGN CONTRIBUTION

In accordance with the Conflict of Interest in Zoning Act, OCGA Chapter 36-67A, the following questions must be answered.

Have you, the applicant, made \$250.00 or more in campaign contribution to a local government official within two years immediately preceding the filling of this application?

Yes No *

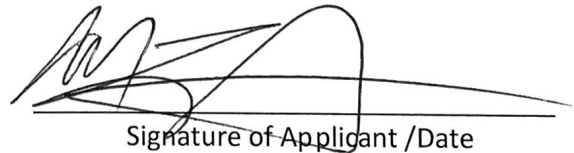

If the answer is yes, you must file a disclosure report with the governing authority of DeKalb County showing:

1. The name and official position of the local government official to whom the campaign contribution was made.
2. The dollar amount and description of each campaign contribution made during the two years immediately preceding the filing of this application and the date of each such contribution.

The disclosure must be filed within 10 days after the application is first filed and must be submitted to the C.E.O. and to the Board of Commissioners of DeKalb County, 1300 Commerce Drive, Decatur, GA 30030.

DISCLOSURE OF CAMPAIGN CONTRIBUTION

In accordance with the Conflict of Interest in Zoning Act, OCGA Chapter 36-67A, the following questions must be answered.

Have you, the applicant, made \$250.00 or more in campaign contribution to a local government official within two years immediately preceding the filling of this application?

Yes _____ No x *

If the answer is yes, you must file a disclosure report with the governing authority of DeKalb County showing:

1. The name and official position of the local government official to whom the campaign contribution was made.
2. The dollar amount and description of each campaign contribution made during the two years immediately preceding the filing of this application and the date of each such contribution.

The disclosure must be filed within 10 days after the application is first filed and must be submitted to the C.E.O. and to the Board of Commissioners of DeKalb County, 1300 Commerce Drive, Decatur, GA 30030.

WARRANTY DEED

STATE OF GEORGIA

COUNTY OF DEKALB

THIS INDENTURE, made the 16 day of December, in the year two thousand two between

R. L. STEWART

of the County of DEKALB, and State of GEORGIA, as party or parties of the first part, hereinafter called Grantor, and

THE DAWN GROUP, L.L.C.

of the County of DEKALB, and the State of Georgia, as party or parties of the second part, hereinafter called Grantee (the words "Grantor" and "Grantee" to include their respective heirs, successors and assigns where the context requires or permits).

WITNESSETH THAT: Grantor, for and in consideration of the sum of **TEN and No/100 (\$10.00) DOLLARS** in hand paid at and before the sealing and delivery of these presents, the receipt whereof is hereby acknowledged, has granted, bargained, sold, aliened, conveyed and confirmed, and by these presents does grant, bargain, sell, alien, convey and confirm unto the said Grantee, the following described property, to wit:

BEING MORE FULLY DESCRIBED ON EXHIBIT "B" ATTACHED HERETO AND INCORPORATED HEREIN BY REFERENCE.

TO HAVE AND TO HOLD the said described premises to grantee, so that neither grantor nor any person or persons claiming under grantor shall at any time, by any means or ways, have, claim or demand any right or title to said premises or appurtenances, or any rights thereof.

AND THE SAID Grantor will warrant and forever defend the right and title to the above described property unto the said Grantee against the claims of all persons whomsoever.

IN WITNESS WHEREOF, Grantor has signed and sealed this deed, the day and year above written.

Signed, sealed and delivered in presence of:

UNOFFICIAL WITNESS

Appendix - A (Revised 01/01/2020)

Table 1: Sanitary Flow Contributions from Site Specific Sources

CONTRIBUTOR	UNIT	DESIGN AVG DAILY FLOW (GPD)
Barber Shop	Per Station	20
Carwash (Automatic)	Per Unit	166
Carwash (Self Service)	Per Bay	100
Church (NOT including food or day schools)	Per 1,000 sf	30
Coffee Shop/Deli/Fast Food	Per 1,000 sf	450
Coin Laundromats	Per Washing Machine	400
Commercial Laundromats	Per Washing Machine	640
Daycare	Per 1,000 sf	150
Dentist	Per dental chair	120
Full-Service Restaurant/Bar/Caterer	Per 1,000 sf	550
Gym/Dance Studio (w/o shower)	Per 1,000 sf	65
Gym/Dance Studio (w/showers)	Per person	20
Hair Salon	Per Shampoo Bowl/Chair	150
Hospitals	Per bed	200
Motel/Hotel	Per room	100
Nail Salon	Per pedicure chair	50
Nursing Home/Assisted Living	Per bed	125
Offices	Per 1,000 sf	110
Police/Fire Station	Per 1,000 sf	100
Residence (Single family/Apts/Condo, etc.)	Per residence	185
Retail/Shopping Center/Mercantile	Per 1,000 sf	100
School	Per student	16
School - w/gymnasium	Per student	20
Service Station/Convenience Store	Per 1,000 sf	100
Theater/Museum/Auditorium/Amusement	Per 1,000 sf	65
Warehouse/Industrial	Per 1,000 sf	25

GPD = gallons per day

NOTE: Design peak flow rates shall be calculated by multiplying the total design average daily flow rate determined per the table above by a peaking factor of **2.5**.

Fill out SCER application, show calculations, scan your application and submit via email: sewercapacity@dekalbcountyga.gov.

MANHOLE ID 18-036-S103

Average Annual Daily Flow (AADF) = (# of Units) X AADF per Unit Day

AADF per Unit Day (GPD) = **185** (Resident Single Family)

of Units = **24**

185 GPD X 24 = **4440** GPD

AADF from proposed development = Sum of all land use flow from proposed development

4440 GPD = 4440 GPD

Peak Flow = 2.5 x AADF from proposed development

2.5 X 4440 GPD = **11100** GPD

Convert Peak Flow to Gallons per Minute (GPM) = Peak Flow (GPD) / 1440

11100 (GPD) / 1440 = **7.71** GPM
