This price quote to the Company listed above, the "Customer", is based upon the parties mutual understanding that the Customer intends to purchase the above goods and/or services under Verizon Wireless' contract referenced below:

Georgia Technology Authority (GTA) Contract #9800-GTA794-V

This price quote is subject to the terms and conditions of Verizon Wireless' contract referenced above and Networkfleet service. Terms and conditions of an individual state Participating Addendum (PA) that has not been amended to include Networkfleet service will not apply to the procurement of Networkfleet Service. The price quote does not include shipping and taxes unless otherwise noted. Shipping and taxes (if applicable) are applied to the monthly invoice. Hardware and service orders must be placed at the same time or the order will be subject to delay until both orders are received. Orders will not be accepted for hardware without service. A copy of this quote, in its entirety, must accompany the authorized ordering party's email for electronic orders. For customers issuing a PO, the PO must reference a valid Verizon Wireless quote number and contract number, include a copy of the quote in its entirety, and be addressed to Verizon Wireless. Special requirements and/or terms and conditions of a customer provided PO, either by reference and/or attachment, are rejected, void and have no force or effect. Must be on a 12 month service agreement. Additional terms and conditions apply to Networkfleet service that are subject to review by end user government agencies. Networkfleet coverage included in the Verizon Wireless 4G, 3G and 3G Extended Networks. 4G service requires 4G equipment and 4G coverage. Only one Hardware tier and one Service tier per Customer Account.

California - State Mandated Agencies (Participating Addendum #7-10-70-16 under NASPO ValuePoint #1907): Orders placed by California state mandated agencies are subject to case-by-case verification and may require additional/alternate documentation, including but not limited to: TECH 401 Exemption Approval Form, Form 20, and STD 65 Form.

This price quote to the Company listed above, the "Customer", is based upon the parties mutual understanding that the Customer intends to purchase the above goods and/or services under Verizon Wireless' contract referenced below:

Georgia Technology Authority (GTA) Contract #9800-GTA794-Y

This price quote is subject to the terms and conditions of Verizon Wireless' contract referenced above and Networkfleet service. Terms and conditions of an individual state Participating Addendum (PA) that has not been amended to include Networkfleet service will not apply to the procurement of Networkfleet Service. The price quote does not include shipping and taxes unless otherwise noted. Shipping and taxes (if applicable) are applied to the monthly invoice. Hardware and service orders must be placed at the same time or the order will be subject to delay until both orders are received. Orders will not be accepted for hardware without service. A copy of this quote, in its entirety, must accompany the authorized ordering party's email for electronic orders. For customers issuing a PO, the PO must reference a valid Verizon Wireless quote number and contract number, include a copy of the quote in its entirety, and be addressed to Verizon Wireless. Special requirements and/or terms and conditions of a customer provided PO, either by reference and/or attachment, are rejected, void and have no force or effect. Must be on a 12 month service agreement. Additional terms and conditions apply to Networkfleet service that are subject to review by end user government agencies. Networkfleet coverage included in the Verizon Wireless 4G, 3G and 3G Extended Networks. 4G service requires 4G equipment and 4G coverage. Only one Hardware tier and one Service tier per Customer Account.

California - State Mandated Agencies (Participating Addendum #7-10-70-16 under NASPO ValuePoint #1907): Orders placed by California state mandated agencies are subject to case-by-case verification and may require additional/alternate documentation, including but not limited to: TECH 401 Exemption Approval Form, Form 20, and STD 65 Form.

The Customer acknowledges and agrees to the following:

This price quote to the Company listed above, the "Customer", is based upon the parties mutual understanding that the Customer intends to purchase the above goods and/or services under Verizon Wireless' contract referenced below:

Georgia Technology Authority (GTA) Contract #9800-GTA794-V

This price quote is subject to the terms and conditions of Verizon Wireless' contract referenced above and Networkfleet service. Terms and conditions of an individual state Participating Addendum (PA) that has not been amended to include Networkfleet service will not apply to the procurement of Networkfleet Service. The price quote does not include shipping and taxes unless otherwise noted. Shipping and taxes (if applicable) are applied to the monthly invoice. Hardware and service orders must be placed at the same time or the order will be subject to delay until both orders are received. Orders will not be accepted for hardware without service. A copy of this quote, in its entirety, must accompany the authorized ordering party's email for electronic orders. For customers issuing a PO, the PO must reference a valid Verizon Wireless quote number and contract number. Include a copy of the quote in its entirety, and be addressed to Verizon Wireless. Special requirements and/or terms and conditions of a customer provided PO, either by reference and/or attachment, are rejected, void and have no force or effect. Must be on a 12 month service agreement. Additional terms and conditions apply to Networkfleet service that are subject to review by end user government agencies. Networkfleet coverage included in the Verizon Wireless 4G, 3G and 3G Extended Networks. 4G service requires 4G equipment and 4G coverage. Only one Hardware tier and one Service tier per Customer Account.

California - State Mandated Agencies (Participating Addendum #7-10-70-16 under NASPO ValuePoint #1907): Orders placed by California state mandated agencies are subject to case-by-case verification and may require additional/alternate documentation, including but not limited to: TECH 401 Exemption Approval Form, Form 20, and STD 65 Form.
