

DeKalb County
E911 Communications
Alesia H. Guest, Director
1960 West Exchange Place
Tucker, GA 30084

MEMORANDUM

DATE: September 15, 2022

TO: Delois Robinson, Procurement Deputy Director
Purchasing & Contracting Department

FROM: Alesia Guest, Director 

SUBJECT: Proposed Amendment/Change Order No. 6 to Contract No. 1010560
for Computer Aided Dispatch (CAD)

Original Contract Term and Dollar Amount: April 12, 2016 thru December 31, 2026 and \$8,808,405.02

Previous Extension of the Term: None

Previous Changes to the Dollar Amount: \$914,523.83

Current Cumulative Contract Term and Dollar Amount: Ends December 31, 2026 and \$9,722,928.85

Proposed Contract Term and Dollar Amount: Additional funding of \$14,060.48

Detailed Description of Requested Changes: To add funding that will provide the E-911 Communications Center an integration with Rapid SOS software. This integration will allow our calltakers access to a data base that will provide them access to real time location data from citizens smart phones. Making it easier to pinpoint where the caller is located.

Justification for the Proposed Changes and an Explanation of why the County should not consider a Competitive Bid: The contract is a sole source contract for the CAD system. The contract does not expire until December 31, 2026. When specific components are added, they are proprietary recurring costs to that will happen yearly and will have to be added to the vendor's contract. This amendment will add a yearly maintenance fee.
