PLEDGE OF ALLEGIANCE

B. PRESENTATIONS

C. COMMENTS FROM THE PUBLIC

The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. Speakers will only have the opportunity for one public comment per meeting. Public comments may be made in person or submitted by sending an email no longer than one page to PublicComments@dekalbcountyga.gov which must be received between 9:00 a.m. and 10:00 a.m. on the day of the meeting. Only those emails received during the allotted time may be read aloud. Public comment emails received outside of the allotted time will be included in the public comment record for the next meeting after receipt of those emails. The body of your email must include your first and last name, followed by your address. By submitting an email for public comment at any time, you agree to have your name, address and email entered into the record/minutes. Each in-person speaker must complete a speaker card and present it to the clerk before the beginning of the public comment portion of the meeting.

Cards must be turned in to the clerk from the time the general meeting is convened (generally 9 A.M.) and by the beginning of public comment portion generally following presentations on the agenda. The clerk will accept cards on a first-come, first-served basis. Prior to the clerk's call for public comment, in-person speakers who are residents of DeKalb County shall be allowed to speak before residents of other counties are allowed to speak. Once the public comment portion of the meeting begins, speaker cards will no longer be accepted. Speakers will be allowed to speak for three minutes each and public comment shall not exceed 30 minutes in length. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium. Those in-person attendees who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. If time remains in the proscribed public comment portion of said meeting, email comments will be read into the record by the clerk or designee. Any remaining email public comments received between 9:00 am and 10:00 a.m. on the day of the meeting not read into the record will be submitted into the minutes by the clerk or designee and shall be forwarded to each commissioner by email. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. Abusive, profane or derogatory language, holding up signs, clapping, yelling, standing or laying in the aisles to show support for or opposition to a speaker will not be permitted, but a show of hands or quietly standing in place will be permitted to show support for or opposition to a speaker's position.

1. Ed Williams (No Address)-Good Morning Commissioners My Name is Ed Williams, I have lived in unincorporated south DeKalb for over twenty years. I am the chair of the group Concerned Citizens for Effective Government. I want to say Merry Christmas and Happy Holidays first. I have six major points to make this morning that the Commission should take action on. 1. DeKalb County's method of funding the DeKalb Pension obligations is not equitable to all the residents in unincorporated compared to those in municipalities of DeKalb County regarding legacy liability. 2. The BOC should fight for MARTA to provide rail service to South DeKalb, and not support any increase in the MARTA Sales Tax. The commission should also lobby the General Assembly to change the MARTA Act such that the governor's appointment on the MARTA board cannot serve as the chair of the board. MARTA is a local authority the chair should not be held by a state appointee. 3. The BOC should do more to ensure that residents have clean drinking water and that our water is not polluted 4. Unincorporated DeKalb must have proportional representation. The residents who live in unincorporated DeKalb interests are being neglected compared to the interests of the cities and the county as a whole. 5. The residents of DeKalb should be given the choice of self-determination to remain unincorporated, its own city, part of the City of Atlanta, the City of Decatur, the City of Stonecrest, or some other city. 6. DeKalb County should change its form of government to change the CEO position to a chairperson. Today, I ask the board not to remain silent. Will you be the voice who says enough, and stand up and represent the people? There is a disparity between municipalities and unincorporated residents in how the DeKalb Pension plan is being funded with property tax funds. One of the problems with the DeKalb pension is that much of the liability was created before 2008 when more than 80 percent of residents lived in unincorporated DeKalb. The population has shifted to municipalities but the burden has not. Did you know that the DeKalb County pension plan is only funded at 52% of its total liability \$2,397, 341,803 well below many similar counties? Did you also know that taxpayers who live in existing municipalities do not contribute the same ad valorem taxes towards the pension at the same rate as citizens in unincorporated DeKalb in violation of the constitution and the statute Ga. law 1962 p 3088? The unfunded obligations of the pension should be paid from the county general fund. Other jurisdictions pay their pension liability from their General Fund. The commission should demand equity for MARTA services, Pension, and SPLOST funding. Thank You

D. 10:00 A.M. PUBLIC HEARING

Citizens may speak for or against an item that is considered by law to be a zoning ordinance and each side will have ten minutes to present its case. Citizens may also speak for or against an item that is placed on the public hearing agenda but is not a zoning ordinance. In that case, each side will have five minutes to present its case. In the event there is more than one speaker per side, speakers must divide their time in order to complete their full presentation within the ten-minute time allotment, or the five minute time allotment. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to leave the podium area. Citizens may also email statements or documents related to public hearing items for inclusion in the public record by submitting such statements or materials by 9:00 a.m. on the date of the public hearing to PublicHearing@dekalbcountyga.gov. The body of your email must include a reference to the particular public hearing item to which your statement or documents apply by agenda number and your first and last name, followed by your address. By submitting an email related to any public hearing item, you agree to have your name, address and email entered into the record/minutes. In-person comments will be heard first. Prior to speaking, an in-person speaker shall complete a speaker card and present it when approaching the podium. If an in-person speaker has any documents for the commissioners, the speaker shall provide 10 copies when approaching the podium. Seven copies are for the commissioners and the remaining copies are for the planning director, the county attorney and the clerk. In all zoning ordinance and traffic calming cases, staff shall make their recommendation for action to the Commission first followed by applicants or citizens speaking in favor of the item. Applicants in zoning ordinance cases shall have the right to reserve time for rebuttal. Opponents of a zoning ordinance item shall have no right of rebuttal. For all other items placed on the public hearing agenda, applicants or citizens speaking in favor of the item shall speak first followed by opponents of the item.

If time remains in the appropriate public hearing portion of said meeting, email comments will be read into the record by the clerk or designee. Any remaining email public comments not read into the record will be submitted into the minutes by the clerk or designee and shall be forwarded to each commissioner by email. Once the citizens have finished speaking, staff shall make a recommendation for action to the Commission. At this point, citizens are no longer allowed to speak unless called to the podium by an individual commissioner to answer questions or provide information. In-person Speakers should always talk directly into the microphone and begin by stating their name, address and the name of any organization they represent. Abusive, profane or derogatory language will not be permitted. Holding up signs, clapping, yelling, standing or laying in the aisles to show support for or opposition to a speaker will not be permitted, but a show of hands or quietly standing in place will be permitted to show support for or opposition to a speaker's position.
