

Verizon State Contract for Vehicle Mounted GPS Devices

**User Department's Recommendation**

User Department Name Code Enforcement

Recommended Vendor meets our approval:

Verizon Wireless Yes

Project Amount: \$11,880.00/ 12 months/ 45 units

+ installation one time purchase of  
\$ 8,325.00  
TOTAL: \$ 20,205.00

**Funding:**

General  Enterprise

3 Digit Fund Code \_\_\_\_\_

CIP Line Item No. (if applicable): \_\_\_\_\_

**Justification:**

Verizon is currently a GPS provider to DeKalb County Watershed and Sanitation Departments therefore the vendor is familiar with maintenance and service scenarios of DeKalb County vehicles. Verizon customer service is 24 hours.

Tutorial support is excellent.

The monitoring service is web based thus accessible anywhere on desktop device.

Web based downtime never experienced other than planned maintenance.

The monitoring options are diverse and detailed.

The product is easy to use and provides desirable output - excel. csv, html

Finally, the cost is competitive and acceptable for the service.

Ted Rhinehart, Director

Verizon State Contract for Vehicle Mounted GPS Devices

**User Department's Recommendation**

User Department Name Fleet Management

Recommended Vendor meets our approval:

Verizon Wireless 16 Units

Project Amount: \$4,224.00

+ 1 time installation fee of \$ 2960.00  
total cost 7184.00

**Funding:**

General  Enterprise  3 Digit Fund Code 611

CIP Line Item No. (if applicable): \_\_\_\_\_

**Justification:**

Fleet Management requesting GPS units to be installed in 16 vehicles. These units are constantly on the road and the GPS will give us the ability to know the units location and to be able to dispatch to disabled units.

Verizon State Contract for Vehicle Mounted GPS Devices

**User Department's Recommendation**

User Department Name Watershed Management

Recommended Vendor meets our approval: Verizon Wireless

Project Amount: \$103,231.20

**Funding:**

General  Enterprise  3 Digit Fund Code 511

CIP Line Item No. (if applicable): \_\_\_\_\_

**Justification:**

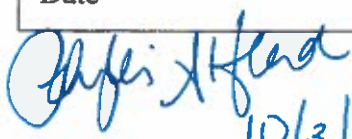

GPS units are required on all vehicles and equipment as part of the Federal Mandated Consent Decree, without these units the Department of Watershed Management (DWM) will be in violation of the Consent Decree. It is also necessary for DWM to have the ability to track and monitor its County vehicles and equipment. DWM will also be integrating the GPS units with Cityworks and ArcGis in the near future to plan and route jobs more accurately.
