RE: Fiscal Year '18 Multimodal Safety and Access Grant

Ms. Ganga:

The Department has approved your proposal titled "Sidewalk Gap- 4271/4279 Lavista Road," for the Fiscal Year '18 *Multimodal Safety and Access Grant*. Because of the large number of excellent proposals that were received for the Fiscal Year '17 solicitation, the Department would like to fund your proposal under the Fiscal Year '18 funding cycle. The Department will commit up to \$23,940.00 or 70% of the final project cost, whichever is less. The project must be under contract for construction on or before June 30, 2018, or the approval may be cancelled. At this time, please:

- (1) Review the attached application to receive funds and the general rules and guidelines of the program.
- (2) Submit the attached application to receive funds. Please have either the mayor or chair of commission sign, affix the local government seal, notarize, and postmark no later than June 12th, 2017.
- (3) Submit a low bid amount awarded for the project(s) upon availability.

Please return both documents to the address shown below:
