The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. Speakers will only have the opportunity for one public comment per meeting. Public comments may be made in person or submitted by sending an email no longer than one page to PublicComment@dekalbcountyga.gov which must be received between 9:00 a.m. and 10:00 a.m. on the day of the meeting. Only those emails received during the allotted time may be read aloud. Public comment emails received outside of the allotted time will be included in the public comment record for the next meeting after receipt of those emails. The body of your email must include your first and last name, followed by your address.

By submitting an email for public comment at any time, you agree to have your name, address and email entered into the record/minutes. Each in-person speaker must complete a speaker card and present it to the clerk before the beginning of the public comment portion of the meeting.

Cards must be turned in to the clerk from the time the general meeting is convened (generally 9 A.M.) and by the beginning of public comment portion generally following presentations on the agenda. The clerk will accept cards on a first-come, first-served basis. Prior to the clerk's call for public comment, in-person speakers who are residents of DeKalb County shall be allowed to speak before residents of other counties are allowed to speak.

Once the public comment portion of the meeting begins, speaker cards will no longer be accepted. Speakers will be allowed to speak for three minutes each and public comment shall not exceed 30 minutes in length. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium. Those in-person attendees who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. If time remains in the proscribed public comment portion of said meeting, email comments will be read into the record by the clerk or designee. Any remaining email public comments received between 9:00 am and 10:00 a.m. on the day of the meeting not read into the record will be submitted into the minutes by the clerk or designee and shall be forwarded to each commissioner by email. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. Abusive, profane or derogatory language, holding up signs, clapping, yelling, standing or laying in the aisles to show support for or opposition to a speaker will not be permitted, but a show of hands or quietly standing in place will be permitted to show support for or opposition to a speaker's position.

Public Comments: April 11, 2023- Unread Emails

1. Latiqua Farley, 2121 Glenwood Downs Drive Decatur 30035- I had 2 different leaks and I got it fixed but the water bill shot up once i started paying the first bill down another leak accrued and now that bill is high i have no way of paying even with the payment plans but i need my water I'm a mother of 5 and don't know what to do and is worried my water will be cut off
2. Catherine Bailey, 3022 Stonebridge Creek Dr Lithonia 30058- I, Catherine Bailey, is writing with the concern of how Dekalb Watershed is ripping their Consumers off. I have Dekalb Water shed as my water supply. I find it very disturbing that I have been getting ripped off every 3rd cycles. I have made several complaints going back too"2010" and I am still very disappointed with this Company and how they treat their Customers(speaking for myself) They have been overcharging me since I have been living here starting back to "2010" Inspectors from the Company have been to my house several times. I have spoken to many Representatives and only was told" We will not reimburse you for only up to a year! I had a my pipes burst in January and I have not received any compensation for my invoice I have submitted. I am tired of the neglect and having to get meters replaced every year, until they recently change (so they say), but yet, I am still getting overcharge. I just hope they start looking out for their consumers more than their pockets. p.s. I am so upset with this company and how irresponsible they are with their Consumers! Thank you
3. Deirdre Dean (No Address)- My water bill is now higher than it has ever been since living here 14yrs now. This is ridiculous and don't make any since for us to have to pay so much for water.
4. Elizabeth Moore (No Address)- Please vote no on Cop City. It would be an environmental disaster and puts the surrounding community at risk. Thank you
5. Ed Williams (No Address)- Good Morning Commissioners: My Name is Ed Williams, I have lived in unincorporated south DeKalb for over twenty years. I am the chair of the group Concerned Citizens for Effective Government. It is my understanding the County is planning another SPLOST referendum in November without providing any details regarding costs and projects to be funded. Any SPLOST agreement should anticipate and plan for any future additional municipalities being created in DeKalb County. As the SPLOST voted on in November 2017, I have a huge concern with the use of the unincorporated residents' portion of the revenue to pay for what I consider to be county-wide projects where the municipalities are not sharing in the cost even though their residents use the services and facilities equally with unincorporated residents. I believe that

government should treat all its citizens equitably and that the government should be transparent and its officials held accountable. The 2017 County SPLOST method and formula used were not equitable to all the residents in both unincorporated and municipalities of DeKalb County. There is a disparity in the application of the SPLOST tax funds. The SPLOST legislation HB215 passed in 2015, and SB143 passed in 2017 in hopes that we could find a more equitable solution to address the county-wide projects being funded by unincorporated SPLOST revenue. There has never been a tax that the DeKalb Government didn't like. The 2017 SPLOST voted on by the residents of DeKalb County was the first in its history, even though the SPLOST has been around since the eighties. The SPLOST was voted on by all the citizens of DeKalb, and it was divided up with the other 13 municipalities excluding the Atlanta, portion of DeKalb County. I am certainly sure that you are aware that a sales tax voted on at the county level should be shared fairly throughout the district across the municipalities. The annual sales tax revenue for SPLOST was expected to be over 100 million a year. The total SPLOST revenue for the 6 years was expected to be over 638 million, where 388 million is to go to unincorporated DeKalb County. The County divided the SPLOST revenue up by population, where the unincorporated district of DeKalb of 431,250 residents will receive about 60.94 percent of the sales tax revenue for 6 years. I do not think the allocation of SPLOST money as it relates to the portion allocated to repair the courthouse, fire department, and other facilities that are used by the entire county should only be carried by the unincorporated residents' portion of the SPLOST sales revenue. . The future obligations of SPLOST proceeds should be shared by more DeKalb residents certainly more transparently and equitably. The Powers of all public officers are defined by law and all persons must take notice thereof. Thank You

6. Star McKenzie (No Address)- As a lifetime Dekalb resident and water affordability advocate I call on the BOC to Cancel the Water Debt. One Board Members response to this demand was that it is financially unreasonable and would cost too much. You know what else is financially unreasonable? Residents in your County on fixed incomes getting bullied into payment plans they cannot afford for fear of losing access to water. Do I believe everyone should be responsible to pay for the water they've used? Absolutely. However, many residents continue to face issues with billing accuracy due to the archaic billing system, human error and a lack of response to residents data backed requests for dispute resolution. Families are struggling to pay their water bills—and this is happening on your watch. The County has a budget surplus. Meanwhile I am hearing daily from elderly, disabled and vulnerable residents who are in distress. How would you feel if your ability to afford a basic human necessity was in jeopardy? I recently requested information from the CFO on the water billing arbitration process that has supposedly been in place for years. I implore you to request information about it as well. The right to due process

for residents facing 20K plus water bills is worth your attention. The shortlist of those who I know have requested arbitration are still waiting on the County to give them next steps to resolve their disputes. As liens and collections processes ramp up please take the time to follow up on these incredibly important issues.

7. Susan Perz, Ph.D (No Address)- Hi, I am writing to ask you to stop the police training center project in Weelaunee Forest—demilitarize it—and move it somewhere else. Here are my reasons: 1. The City Council already voted to restore this forest and create a park and other amenities for local residents. The proposal to build a police training center violates that vote. People in power, emboldened by corporate sponsors and the private equity funded police foundation (which is so wrong) basically commandeered this project and are ramming it through—ignoring the MASSIVE protest by Atlanta residents—and using police to terrorize and kill forest protectors instead of LISTENING TO THE VOICES OF CONSTITUENTS AND ALLOWING THEIR VOICES AND WISHES TO HAVE MORE POWER THAN CORPORATIONS AND CORPORATE DONORS! THIS IS A VIOLATION OF YOUR OATHS OF OFFICE. Are you building a private army for corporations? THIS IS CORPORATE FASCISM. 2. THE MILITARIZATION OF ATLANTA POLICE IS DEEPLY CONCERNING. Why does a police training center need a bomb testing site, military style training, practice for urban warfare against our own citizens, a Black Hawk landing pad, shooting ranges for machine guns and heavy weaponry—against U.S. citizens????? WHAT IS THE MEANING OF THIS???? THIS IS UNACCEPTABLE MILITARIZATION OF THE POLICE!!!! POLICE SHOULD NOT BE USING MILITARY WEAPONS AGAINST CITIZENS!!!! THE MILITARY SHOULD NOT BE DONATING ITS LEFTOVER EQUIPMENT TO POLICE FORCES. THIS IS NOT A FASCIST COUNTRY!!!! ARE YOU TRYING TO MAKE GEORGIA A FASCIST STATE? 3. The residents who live there do not want this training center. THEIR WISHES SHOULD BE RESPECTED. THE LIVE THERE!!!! 4. The destruction of forest and the destruction of wetlands will cause flooding. 5. Destruction of the forest destroys needed green space, canopy, and carbon sequestration in the Atlanta area that is largely devoid of trees and green spaces. It is ill-advised and irresponsible in this time of climate change. 6. The training facility should be built elsewhere—perhaps in areas that need renovation. For example, there are areas of the city with shot-out windows and semi-demolished buildings. It would be more appropriate to buy those properties, clear them, and build a training center there and put some green areas in. 7. Part of the concerns about the training center are its goals for militarization of the police. A citizens panel of local people and relevant nonprofits should be formed to advise the goals of the training center. For example, Atlanta police should not be using military weapons against citizens. 8. The aggression already used by police against tree sitters is a frightening example of the inappropriate use of police

presence, police militarization—pointing AK-15s at nonviolent forest protectors and killing THE FIRST ENVIRONMENTAL ACTIVIST IN ENTIRE U.S. HISTORY TO BE KILLED IN THIS COUNTRY—WHERE PEACEFUL PROTEST IS LEGAL!!!! ARE YOU IN FAVOR OF OUR COUNTRY BECOMING A BANANA REPUBLIC????? BECAUSE THAT IS WHAT THIS LOOKS LIKE!!!! THIS IS ABSOLUTELY ABHORRENT AND DESPICABLE!!! IT IS MURDER!!!! So now you want to further empower a police force in Atlanta THAT ALREADY RANKS 10 IN THE COUNTRY FOR WRONGFUL KILLINGS OF BLACK AND BROWN MEN!!!! AND PUT MILITARY EQUIPMENT AND TRAINING IN THEIR HANDS????!!!! HAVE YOU LOST YOUR MINDS???? I AM WHITE. THIS IS RACIST. 9. It is legal in this country to peacefully protest. Arresting forest protectors and charging people who are simply handing out flyers with terrorism—or any protestor with terrorism is FASCISM! THESE ARE FASCIST ACTIONS! DO YOU WANT GEORGIA TO BE A FASCIST STATE? THAT IS WHAT THIS IS!!! 10. The year 2030 is LESS THAN 7 YEARS AWAY! BY THAT TIME WE WILL BE DESPARATE FOR TREE AND SHADE SPACES—AND YOUR ACTIONS TO DESTROY THIS FOREST WILL MAKE THE CITY HOTTER AND WILL BE DECRIED AS A CRIMINAL ACTION AND ECOCIDE. 11. Construction of the police training center at this site would destroy a historic cemetary. 12. The Weelaunee Forest is a Native Indigenous Forest and should be respected and kept intact. 13. IF GEORGIA CONTINUES IN ITS FASCIST ACTIONS PEOPLE WILL LEAVE THE CITY. That means there will be no labor for corporations to hire to do their grunt work. 14. I think every person who voted for or approved this training center in this forest and its militarization should be legally removed from office. Sincerely,
