FROM: Angela Green, IT Business Officer – Innovation & Technology *AG*

THROUGH: John Matelski, Chief Innovation & Information Officer – Innovation & Technology *JM*

THROUGH: Barry Puckett, Deputy Director – Innovation & Technology *BP*

SUBJECT: NetApp System, Professional Services and Training Services

DATE: June 20, 2017

DeKalb County has a business need to expand its current NetApp System as the existing system is reaching maximum capacity. This expansion is intended to provide long term storage for video surveillance and other county video storage needs. The Department of Innovation and Technology is requesting Purchasing and Contracting's assistance in preparing a BOC Agenda item to procure expand on our current System, Professional Services, and Training Services through ProSys Information Systems utilizing the State of Georgia Cisco Contract 99999-SPD-T20150930-0001. The NetApp equipment is considered a commodity item and the most advantageous prices are obtained utilizing the State of Georgia contract that includes a significant discount off list prices.

The total amount for the system, professional services and training services is \$121,121.31 which will be funded by IT General Operating Fund 100.

Thank you for your assistance in this matter. If additional information is required, please contact Angela Green (404) 371-2374.

cc: Barry Puckett
