C. COMMENTS FROM THE PUBLIC

The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. Speakers will only have the opportunity for one public comment per meeting. Public comments may be made in person or submitted by sending an email no longer than one page to PublicComments@dekalbcountyga.gov which must be received between 9:00 a.m. and 10:00 a.m. on the day of the meeting. Only those emails received during the allotted time may be read aloud. Public comment emails received outside of the allotted time will be included in the public comment record for the next meeting after receipt of those emails. The body of your email must include your first and last name, followed by your address. By submitting an email for public comment at any time, you agree to have your name, address and email entered into the record/minutes. Each in-person speaker must complete a speaker card and present it to the clerk before the beginning of the public comment portion of the meeting.

Cards must be turned in to the clerk from the time the general meeting is convened (generally 9 A.M.) and by the beginning of public comment portion generally following presentations on the agenda. The clerk will accept cards on a first-come, first-served basis. Prior to the clerk's call for public comment, in-person speakers who are residents of DeKalb County shall be allowed to speak before residents of other counties are allowed to speak. Once the public comment portion of the meeting begins, speaker cards will no longer be accepted. Speakers will be allowed to speak for three minutes each and public comment shall not exceed 30 minutes in length. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium. Those in-person attendees who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. If time remains in the proscribed public comment portion of said meeting, email comments will be read into the record by the clerk or designee. Any remaining email public comments received between 9:00 am and 10:00 a.m. on the day of the meeting not read into the record will be submitted into the minutes by the clerk or designee and shall be forwarded to each commissioner by email. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. Abusive, profane or derogatory language, holding up signs, clapping, yelling, standing or laying in the aisles to show support for or opposition to a speaker will not be permitted, but a show of hands or quietly standing in place will be permitted to show support for or opposition to a speaker's position.

1. Ed Williams (No Address)- Good Morning Commissioners: My name is Ed Williams. I am the chair of the group Concerned Citizens for Effective Government. I understand the commission is expecting to have the General Assembly by law fix peg the commission salary back to the Superior Court Judges salary as it had been prior to 2001. This change if adopted by the General Assembly would legitimize the 2018 salary increase made by the county commission. It should be noted that the pay increase received since 2018 was illegal and unconstitutional and should be paid back. It has been 5 years since the commission adopted an unconstitutional and illegal ordinance to increase salaries from 42,000 to over 65,000 a year. On February 27, 2018, the commission voted to adopt compensation ordinance for the commission and the CEO for the county governing authority members. The commission during the meeting violated the Open Meetings Act by failing to place the salary ordinance on the Meeting agenda, prior to the meeting, and failed to provide public notice that it had intended to vote on the ordinance at the meeting even though it had place an Ad in the legal organ 4 weeks prior to the Feb 27, 2018 regular meeting. It was a 6 to 1, vote in support. The only commissioner to vote against it was Nancy Jester. The CEO Michael Thurmond did not sign the salary ordinance, however, he was duty bound to enforce the ordinances adopted by the commission. A lawsuit was filed against the action of the commission in August 2018, The Supreme Court of Georgia in March 13, 2020 ruled that Dr. Ed Williams standing to seek a civil penalties against the commission for the open meeting violations, and that a taxpayer had standing to bring suit to challenge the pay increase. The case is currently pending for the Georgia Supreme Court to stop the CEO of DeKalb County from enforcing the 2018 salary ordinance, and to the void it. The case is expected to be reviewed by the Supreme Court by summer. The Supreme Court ruled in Williams v. DeKalb County in 2020, that taxpayers in Georgia have standing to enforce a public duty and to enjoin public officials from acting without authority. Please note that even if the General Assembly passes a new law for the commission salary, the increase since 2018 should be paid back to the taxpayers of DeKalb County. In addition there are some other legal issues regarding the salary statute and the salary ordinance that will still need to be addressed by the courts. Thank You

2. Michael Daly- 3609 Montreal Creek Circle, Apt 15 Clarkston: My name's Michael Daly, my address is 3609 Montreal Creek Circle, Apt 15 in Clarkston GA. I'm writing in support of the appeal Amy Taylor filed on the Atlanta Police Foundation's land disturbance permit for the land designated for what many are calling Cop City. I live in Clarkston, a town known for its big heart, which has a high population of immigrants and refugees. Many of them can't speak English well and are unable to represent themselves at a meeting like this, so I'll speak for them. No one wants to

see this so-called public safety training center built in unincorporated south Dekalb. We have enough experience to know that when governments say public safety what they often mean is safety for the affluent and elite, and brutal, violent oppression for everyone else. The fact that work is continuing on this project despite overwhelming public opposition is quite reminiscent of some the oppressive governments that many of my fellow Clarkston residents have come here seeking refuge from. I therefore urge you to uphold Amy Taylor's appeal and issue an imme

D. 10:00 A.M. PUBLIC HEARING

Citizens may speak for or against an item that is considered by law to be a zoning ordinance and each side will have ten minutes to present its case. Citizens may also speak for or against an item that is placed on the public hearing agenda but is not a zoning ordinance. In that case, each side will have five minutes to present its case. In the event there is more than one speaker per side, speakers must divide their time in order to complete their full presentation within the ten-minute time allotment, or the five minute time allotment. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to leave the podium area. Citizens may also email statements or documents related to public hearing items for inclusion in the public record by submitting such statements or materials by 9:00 a.m. on the date of the public hearing to PublicHearing@dekalbcountyga.gov. The body of your email must include a reference to the particular public hearing item to which your statement or documents apply by agenda number and your first and last name, followed by your address. By submitting an email related to any public hearing item, you agree to have your name, address and email entered into the record/minutes. In-person comments will be heard first. Prior to speaking, an in-person speaker shall complete a speaker card and present it when approaching the podium. If an in-person speaker has any documents for the commissioners, the speaker shall provide 10 copies when approaching the podium. Seven copies are for the commissioners and the remaining copies are for the planning director, the county attorney and the clerk. In all zoning ordinance and traffic calming cases, staff shall make their recommendation for action to the Commission first followed by applicants or citizens speaking in favor of the item. Applicants in zoning ordinance cases shall have the right to reserve time for rebuttal. Opponents of a zoning ordinance item shall have no right of rebuttal. For all other items placed on the public hearing agenda, applicants or citizens speaking in favor of the item shall speak first followed by opponents of the item.
