Command Staff,

I have been the owner and head coach of CrossFit Ozone for about ten years. Late in January I decided the gym would close its doors for good. There is a surplus of equipment that I want to donate to the DeKalb County Police SWAT Team. The remaining gym equipment that is valued at about \$3890, I have attached a list. Thank you for your time and giving the gym the opportunity to help the DeKalb County Police Department better themselves.
