Name of Fund: CIP - 81610

Contract Award Amount: \$2,464,334.18

Justification:

Requested to use Contract: NCPA - OMNIA 01-165 to upgrade Kronos.

Our current Kronos system is outdated and has reached its end-of-life. DoIT is requesting approval to upgrade to the latest cloud-based platform.

UKG WFM is the new cloud-based platform that is scalable to support future growth and integrates better with our existing Payroll and HR system, CV360. The upgrade will include Telestaff for managing scheduling for Fire Rescue, Attendance Management, Data Analytics, and our **125 physical time clocks**.
