C. COMMENTS FROM THE PUBLIC

The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. Speakers will only have the opportunity for one public comment per meeting. Each speaker must complete a speaker card and present it to the clerk before the beginning of the public comment portion of the meeting. Cards turned in to the clerk from the time the general meeting is convened (generally 9 A.M.) and by the beginning of public comment portion generally following presentations on the agenda. The clerk will accept cards on a first-come, first-served basis. Prior to the clerk's call for public comment, speakers who are residents of DeKalb County shall be allowed to speak before residents of other counties are allowed to speak. Once the public comment portion of the meeting begins, speaker cards will no longer be accepted.

Speakers will be allowed to speak for three minutes each and public comment shall not exceed 30 minutes in length. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium. Those who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. Abusive, profane or derogatory language, holding up signs, clapping, yelling, standing or laying in the aisles to show support for or opposition to a speaker will not be permitted, but a show of hands or quietly standing in place will be permitted to show support for or opposition to a speaker's position.

4. Commissioner Steve Bradshaw mentioned the following comments:

Thank you Mr. Presiding Officer. Good Morning Everyone.

First of all, I would like to thank everyone who has expressed an interest in serving on the Charter Review Commission. In a district of well over 140,000 people, there are plenty of talented people who want to be of service to DeKalb County. Most of these individuals do not have the time or the inclination to sit in a County Commission meeting every other week. Even so, they still have a lot to offer. Because of the process that I am executing, I think I have a very good pool of candidates from which to select. Moreover, it liberates me from being forced to choose from the same pool of people as before. As previously stated, there are a lot of talented people with good intent in District 4 who can render honorable service. In the coming weeks I will be meeting with multiple candidates with the objective of making the best selection possible within the allotted time.

I was honored to attend the program at Antioch AME Church honoring National Women's History Month. The featured speaker for the occasion was Stacey Abrams, former candidate for Governor who did an excellent job. Additionally, it was an honor to witness my good friend and colleague Commissioner Mereda Davis Johnson as she was recognized as being a Woman on the Move in the Government sector during the program. I want to commend Commissioner Davis Johnson for how she represents District 5 and DeKalb County. And I want to thank her for being my friend.

Yesterday was the ribbon cutting ceremony kicking off the City of Tucker's Spring 2019 SPLOST – funded road resurfacing initiative. The southern portion of Tucker is in District 4. It was a pleasure to join Mayor Frank Auman and the other members of Tucker's city leadership as they continue to make critical infrastructure improvements.

Later that afternoon, I attended the grand opening of the new Atlantic Aviation passenger terminal at Peachtree DeKalb Airport. It is truly a beautiful facility. I want to thank Atlantic CEO Lou Pepper for the \$20 million investment that his company has made in DeKalb County, and I wish Atlantic many prosperous years ahead! As I have said before, PDK is a jewel in DeKalb County, and Airport Director Mario Evans does an excellent job. Keep up the good work!

Last night I also attended the State of the City Address in Avondale Estates. Avondale Estates is one of the great municipalities in District 4 I want to commend my friend Mayor Jonathan Elmore for delivering an excellent update. And I would like to commend the entire Avondale Estates city leadership for the job that they are doing.

Finally, I would also like to commend my friend Jacqui Steele for her 16 years of service as President of the Deer Creek Civic Association. Deer Creek is one of the outstanding communities in District 4, and they held a ceremony in her honor on March 23rd. Unfortunately, I was unable to attend that evening, but I did speak with Jacqui beforehand and personally thanked her for her service to this community. Ms. Steele was presented with a proclamation from Districts 4 and 7, and I want to thank Commissioner Lorraine Cochran Johnson for partnering with me on that.

If you have any questions or concerns please feel free to call my office at 404-371-4749. And as always I want to thank the citizens of District 4 for affording me the opportunity to serve. Thank you Mr. Presiding Officer.
