Re: Sole Source Provider of CNG and Tax Services

Dear Ms. Phan,

American Fueling Systems, LLC and AFS DeKalb Georgia, LLC (AFS) truly appreciate our continued patronage and remain committed to offering outstanding product and services to DeKalb County Sanitation. Over the years, our business partnership has been extremely successful, and we look forward to continuing to provide compressed natural gas (CNG) as well as tax services to DeKalb County Sanitation.

Pursuant to your request, AFS is submitting the following pricing for product and services to be provided, effective from August 1, 2024 to July 31, 2025:

1. CNG Purchases: The fixed per gallon price for CNG of \$2.461 per gas gallon equivalent or GGE. The price referenced does not include any state or federal taxes required to be paid by DeKalb County. The requested increase will be effective August 1, 2024 and relates only to purchases of CNG at our fueling facility located at 4420 Buford Highway, Chamblee, GA.
2. Tax Services: Monthly price of \$2,340.00 for providing tax services, which includes preparation of tax filings with Georgia Department of Revenue and Internal Revenue Service. Based on services performed on behalf of DeKalb County Sanitation for past five years, this service includes the preparation of Federal Excise Tax returns, State Excise Tax returns and State Sales Tax returns for DeKalb County and any support services related to above-referenced returns

The pricing for CNG purchases is based on the anticipated volatility in the cost of the primary raw material, natural gas, and other utilities used at the station. The pricing of tax services has not been increased.

If you have any questions, do not hesitate to contact me. The most effective way to reach me is via email at ecrockett@woodvale.com or my mobile at 404-906-6269. AFS remains committed to delivering outstanding quality and exceptional service to DeKalb County and thanks you for your continued support.

Sincerely,
