1. Stephen Binney, (no address) - Good Morning Commissioners, all I want for Christmas is a new Stop Sign. Thank you for the present and a big shout out to those who installed it. Mrs. Gannon and Mrs. Jester you have served your time and so I therefore pardon you and thank you for your service. Enjoy the parks and trees and no more worrying about my words being interpreted as your thoughts Mrs. Gannon. Please give your former staff member my warmest regards Mrs. Jester. We might all do better taking one step at a time and living one day at a time. In Item #1422 on today's agenda you are asking the Dekalb Delegation to request that the State require Public Safety Officers to obtain Personal Liability Insurance. Are you serious????? The County interviews these future officers, hires them, trains these officers, but is not confident enough in it's hiring and training practices to back their actions??? Dekalb County police officers don't get paid enough already. Forcing them to purchase their own Personal Liability Insurance will wipe out all of the small raises you have given them over the last 10 years. How can the citizens of Dekalb County trust the words and actions of their CEO and Commissioners if they won't even stand behind the actions of our police officers. God grant me the strength not to condemn those who prey upon our protectors. I support the new senior center Mr. Bradshaw but I have a few questions about Item #1540. Why was this nearly 9 million dollar contract not done as a RFP instead of a low bid contract? This is a large amount of money. Why was it awarded as a low bid contract to Headley Construction instead of Johnson-Laux Construction? Both company's bids were for the exact same amount of money to the penny. How does that happened? It was almost as if someone told one of the companies what the low bid was before the process was finished. Could be just a coincidence I guess. Over half of the LSBE 20% on this contract is being awarded to companies that have never done business with Dekalb County before. Knowing the history of ineptness and corruption in our LSBE program I hope that these have been thoroughly evaluated and verified before this contract is approved. Speaking of our LSBE program, it will be coming up for renewal again soon. Let's get the RFP process started so we have some proposals in house when the contract comes up again instead of just extending it again to a company that can't do the job. Merry Christmas to all and to all a good night

2. Dr. Ed Williams, P.O. Box 361626 Decatur, GA 30036 - Good Morning Commissioners
My Name is Ed Williams, I have lived in unincorporated south DeKalb for over twenty years. I am the chair of the group Concerned Citizens for Effective Government. The DeKalb County governing authority should include as part of its 2021 legislative agenda the following items:

- DeKalb County's method of funding the DeKalb Pension obligations is not equitable to all the residents in both unincorporated and municipalities of DeKalb County regarding legacy liability.

- Call for a referendum for MARTA one percent sales tax extension beyond the August 31, 2021 contract termination date.

- Require City of Tucker and Stonecrest to contribute their Franchise Fees to be used for DeKalb Police Services costs as does the unincorporated portions of DeKalb. Unincorporated DeKalb should not be subsidizing these cities police services.

- The CEO should appoint a new chair to the county charter review commission. No sitting judge should be the chair a political commission for several ethical and legal reasons.

- DeKalb County should plan to facilitate the vaccination of its citizens with the coronavirus vaccine.

- DeKalb County should commit to providing the resources and funding needed to minimize any election problems for the upcoming runoff in January.

I have made several efforts to expose the inequities using the “see something and say something” approach and warn the commission. Today, I ask the board not to remain silent and thereby complicit in the actions of the CEO when duties are not being properly performed. Will you be the voice who says enough, and stand up and represent all the people? There is a disparity between municipalities and unincorporated residents in how the DeKalb Pension plan is being funded with the property tax funds. One of the problems with the DeKalb pension is that much of the liability was created prior to 2008 when more than 80 percent of residents lived in unincorporated DeKalb. The population has shifted to municipalities but the burden has not. The unfunded obligations of the pension should be paid from the county general fund. In fact, other county jurisdictions pay their pension liability from the General Fund. The commission should demand equity for MARTA services, Pension liabilities, Franchise Fees, and SPLOST expenditures. Happy Holidays
