RE: McNaughton-McKay – Norcross, GA

To whom it my concern,

This is to confirm that McNaughton-McKay – Norcross, GA currently is the appointed Allen-Bradley distributor authorized to sell Allen-Bradley Standard Controls, Drives, PLC/MMI and Rockwell Software products, along with related services, in the geographic area in which your City of Atlanta facilities are located.

As a matter of Company policy, full factory product and sales support is made available only to the local authorized distributor, and it is Rockwell Automation's practice and policy to always promote and recommend the use of that distributor to customers in that geographic area. Rockwell Automation discourages the use of other non-authorized sources, including distributors who may hold an Allen-Bradley appointment in another locale.

Should you have any further questions, please do not hesitate to contact either McNaughton-McKay – Norcross GA at 770-825-8600 or our local Rockwell Automation sales office at 770-754-8500.

Respectfully,
