

Georgia Statewide Cooperative Contract No. 99999-SPD-T20190814-0001

User Department's Recommendation

User Department Name PW - Sanitation

Recommended Firm: Carahsoft Technology Corp./\$884,065.02
Name/Amount

Project Amount This Term: \$884,065.02

Funding:

General **Enterprise** **3 Digit Fund Code** 541 – Sanitation Operating
CIP Line Item No. (if applicable): _____

Justification:

PW Sanitation is seeking to implement dash cams on Sanitation garbage trucks. This system will allow Sanitation access to monitor the actual video footage inside and outside of trucks. The package will include:

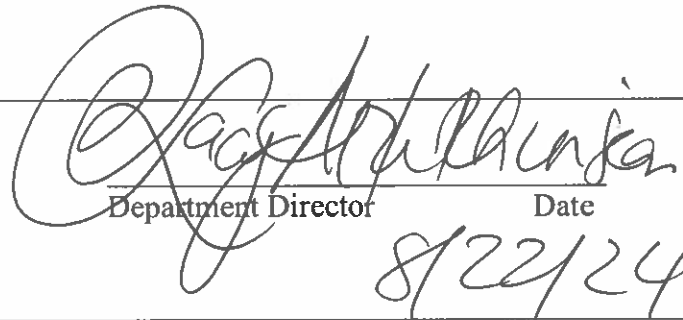

- o 263 licenses for dual-facing dash cam and support
- o 263 Dash Cams (Video-based Safety)
- o 263 Vehicle Gateways (Telematics/GPS)
- o 124 Camera Connectors (360° of video events, connecting into existing Street Smart camera system)
- o Safety Vision hardware (98 Multiplexors, associated cables) to enable video feed for Camera Connectors
- o Installation Services for all-of-the above

PW – Sanitation is requesting to piggyback from the Georgia Statewide Cooperative Contract No. 99999-SPD-T20190814-0001 for 4-year term totaling \$884,065.02.

Initial Year = \$267,467.01 (includes professional services for implementation and safety vision hardware)
Year Two = \$205,532.67 (annual software license)
Year Three = \$205,532.67 (annual software license)
Year Four = \$205,532.67 (annual software license)
TOTAL = \$884,065.02
