

APEX-CSB Summer Program Risk Assessment

A.	Section to be completed by Commission District	
1.	Commission District(s) represented in this request:	Super District 6, all DeKalb County Commission Districts
2.	ARP Funding Allocation (include amount to be allocated by each district):	<p>Super District 6 \$100,000.00-DeKalb Community Service Board will invoice \$25K annually to Kelly Cato, COS-District 6 electronically to kecato@dekalbcountyga.gov</p> <p>A report will be provided at the end of each Summer program.</p>
3.	Proposed Services:	<p>APEX Summer program will provide DeKalb County children and adolescents the educational enrichment and behavioral health services needed when they are out of school on summer break. Considering COVID-19 environment, it is vitally important that we provide an opportunity to continue engagement in services throughout the summer break. In addition, many children drop out of services over the summer due to a lack of transportation and/or engagement in treatment. Parents frequently complain about not having camp opportunities because of funding, lack of transportation to camps, and an absence of staff that can help manage their child's emotional and behavioral needs.</p>
4.	Proposed Vendor:	DeKalb Community Service Board (CSB)
