User Department's Recommendation SUBJECT: Sourcewell CA # 040319-CEC- Bobcat T770
T4 Compact Track Loader with Attachments

Recommended Bidder: Bobcat of Atlanta meets our approval.

Funding: Vehicle Replacement Fund

General Enterprise 3 Digit Fund Code #621

CIP Line Item No. (if applicable): _____

Disbarment and Suspension checks completed-Yes

Project Amount This Term: \$177,794.08

Justification:

It is recommended that Bobcat of Atlanta, be approved as the vendor for these skid steers, as to they have already been awarded the bid through the Source Well Cooperative for the State Contract. Since it's already gone through the bidding process, buying off the Source Well Cooperative Contract is more economical. The Beautification Curb Bumping Department, has been approved for these addition to the Fleet and needs this equipment (skid steers) with grapple bucket, to break up, pick up, remove, and transport dirt/debris from the curb to the truck. These Units are essential to the curb bumping operation.
