Funding:
General ☐ Enterprise ☐ 3 Digit Fund Code _____

CIP Line-Item No. (if applicable): _____
SPLOST ☐

Justification:

P&C engaged the services of the National Institute of Governmental Purchasing (NIGP)/Periscope in providing augmented procurement staff. The Purchasing and Contracting (P&C) Department is utilizing these augmented staff members as an interim measure as it continues to support departmental operations while working towards filling existing hard to fill vacancies requiring more experienced candidates. These augmented staff members have been assisting the department in meeting deadlines, maintaining compliance, and ensuring the timely completion of critical procurements. By leveraging their expertise, P&C has been able to quickly continue processing various procurement requests supporting capital improvement/consent decree, construction, and various services.
