Justification if recommendation of award is to a firm other than the highest scoring proposer:

The Department of Watershed Management (DWM) is recommending to award contracts to the two highest scored proposers to perform the specified scope of work within the contract term of 4 years.

The labor classifications and hours provided in the RFP represents the needs for the department in order to provide inspections and construction management services for the delivery of the new Capital Improvement Program and Consent Decree work.

Based on selecting two vendor, the proposed contract amounts for both vendors are shown below:

1. TetraTech, Inc. - Total recommended contract value of \$13,430,925 is based on a total bid price of \$26,861,850 divided by 2 which adjusts the estimated hours to half of the amount shown in the RFP.
2. CGA Solutions, CERM/Gresham Smith/Atkins North America (Joint Venture) - Total recommended contract value of \$12,909,375 is based on a total bid price of \$25,818,750 divided by 2 which adjusts the estimated hours to half of the amount shown in the RFP.

DWM recommendation herein is based on the administrative reviews including verifying references, cost evaluation, providing history of similar projects, and overall qualifications of the companies.
