Applicant/Agent:	Department of Planning & Sustainability	
Sections of the Zoning Ordinance Affected by Amendments:	Sections 27-4.1 Use Table, Section -4.2 Supplemental Use Regulations	

STAFF RECOMMENDATION: WITHDRAWAL WITHOUT PREJUDICE.

Since the film studio text amendment was originally drafted several months ago there have been ongoing technological, economic, and workforce changes in the film studio industry that include broader shifts in the media landscape including music and the gaming sector. Such changes are currently addressed in the amendment and are already permitted under existing zoning “uses” such as Office and/or Radio Broadcasting Studios which broadly encompass music and podcasting studios. However, the permitting and further definition of large-scale studios and related accessory uses will be comprehensively addressed in the Zoning Rewrite set to begin in early 2025. Therefore, it is the recommendation of the Planning & Sustainability Department that the application be *“Withdrawn without prejudice”*.
