Subject: Stone Mountain Flyers have sold our aircraft, vacated Hangar B-7 and ask that we request a 30 day notice of ending our hangar lease

Dear Mr. Hines:

Stone Mountain Flyers has sold Cessna 182 N2803Y and has vacated hangar B7. The hangar is cleaned out and the lock has been removed. It is available for re-lease at this time, however, the rent is paid through April 30. I want to give this 30 day notice as required under the lease. If the hangar can be re-leased at an earlier date, it would be much appreciated. Any refund for the remaining rent can be mailed to me at my current address:

Thank you for all your assistance.
