PURPOSE:

This agenda item will revise the funding source from ARP Interest to Reserve for Appropriation for the Allocation of \$30,000 for the youth programming through New Birth Church.

NEED/IMPACT:

The allocation of up to \$30,000 in District 7 Reserve for Appropriation funding to support youth programming through New Birth Missionary Baptist Church is an important investment in the long-term well-being of DeKalb County. Many families across the district are experiencing increased financial strain due to rising living costs, income instability, and limited access to affordable enrichment opportunities for their children. Strengthening youth programs helps provide safe, structured environments that promote academic success, social development, and mentorship at a time when families need additional support. New Birth serves as a trusted community anchor with the capacity to reach a broad cross-section of youth, particularly those most affected by recent economic pressures. This funding expands access to high-quality programming, reinforces community stability, and advances DeKalb County's commitment to equity, opportunity, and youth empowerment.

FISCAL IMPACT:

An Amount Not to Exceed \$30,000 of the District 7 Reserve for Appropriation to support youth programming through New Birth Missionary Baptist Church

RECOMMENDATION:

To approve the allocation of an Amount Not to Exceed \$30,000 of the District 7 Reserve for Appropriation to support youth programming through New Birth Missionary Baptist Church and authorize the Chief Executive Officer to execute all necessary documents...
