NEW SUPPLIER IMPLEMENTATION CHECKLIST

SUPPLIER INFORMATION

SERIAL 16154-RFP**SUPPLIER QUALIFICATIONS COMMITMENTS****1.0 SUPPLIERS****1.1 Commitments**

U.S. Communities views the relationship with an awarded Supplier as an opportunity to provide maximum benefit to both the Participating Public Agencies and to the Supplier.

The successful foundation of the partnership requires commitments from both U.S. Communities and the Supplier. U.S. Communities requires the Supplier to make the four commitments set forth below (Corporate, Pricing, Economy, Sales) to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies:

1.2 Corporate Commitment.

- 1.2.1 The pricing, terms and conditions of the Master Agreement shall, at all times, be Supplier's primary contractual offering of Products and Services to Public Agencies. All of Supplier's direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier's primary offering and not just one of Supplier's contract options.
- 1.2.2 Supplier's sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.
- 1.2.3 Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.
- 1.2.4 Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.
- 1.2.5 Supplier shall ensure that the U.S. Communities program and the Master Agreement are actively supported by Supplier's senior executive management.
- 1.2.6 Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier's Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from U.S. Communities concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier's staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier's U.S. Communities program and linked to U.S. Communities' website and shall implement and support such web page.
- 1.2.7 Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the U.S. Communities program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.
- 1.2.8 Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

SERIAL 16154-RFP**1.3 Pricing Commitment.**

- 1.3.1 Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.
- 1.3.2 Contracts Offering Lower Prices. If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.
 - 1.3.2.1 Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.
 - 1.3.2.2 Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.
 - 1.3.2.3 Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.
- 1.3.3 Deviating Buying Patterns. Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.
- 1.3.4 Supplier's Options in Responding to a Third Party Procurement Solicitation. While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:
 - 1.3.4.1 Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.
 - 1.3.4.2 Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

SERIAL 16154-RFP

- 1.3.4.3 If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.
- 1.3.4.4 Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.
- 1.3.4.5 Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.
- 1.3.5 Economy Commitment. Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.
- 1.3.6 Sales Commitment. Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier's primary offering to Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.
 - 1.3.6.1 Supplier Sales. Supplier shall be responsible for proactive direct sales of Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product catalogs, targeted advertising, direct mail and other sales initiatives are encouraged. All of Supplier's sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S. Communities. U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide U.S. Communities with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist U.S. Communities by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the best government pricing, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.
 - 1.3.6.2 Branding and Logo Compliance. Supplier shall be responsible for complying with the U.S. Communities branding and logo standards and guidelines. Prior to use by Supplier, all U.S. Communities related marketing material must be submitted to U.S. Communities for review and approval.

SERIAL 16154-RFP

- 1.3.6.3 Sales Force Training. Supplier shall train its national sales force on the Master Agreement and U.S. Communities program. U.S. Communities shall be available to train regional or district managers and generally assist with the education of sales personnel.
- 1.3.7 Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:
- 1.3.7.1 A dedicated U.S. Communities internet web-based homepage containing:
- (1) U.S. Communities standard logo with Founding Co-Sponsors logos;
 - (2) Copy of original procurement solicitation;
 - (3) Copy of Master Agreement including any amendments;
 - (4) Summary of Products and Services pricing;
 - (5) Electronic link to U.S. Communities' online registration page; and
 - (6) Other promotional material as requested by U.S. Communities.
- 1.3.7.2 A dedicated toll-free national hotline for inquiries regarding U.S. Communities.
- 1.3.7.3 A dedicated email address for general inquiries in the following format: uscommunities@(name of supplier).com.
- 1.3.8 Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed U.S. Communities' online registration process prior to processing the Public Agency's first sales order.
- 1.3.9 Supplier's Performance Review. Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S. Communities to evaluate Supplier's performance of the covenants set forth in this Agreement.
- 1.3.10 Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively "Supplier Content") for use on U.S. Communities websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to U.S. Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party.

Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.

(ii) Contracts Offering Lower Prices. If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

SERIAL 16154-RFP

(iii) Deviating Buying Patterns. Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) Supplier's Options in Responding to a Third Party Procurement Solicitation. While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) Economy Commitment. Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

(d) Sales Commitment. Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier's primary offering to Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) Supplier Sales. Supplier shall be responsible for proactive direct sales of Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product catalogs, targeted advertising, direct mail and other sales initiatives are encouraged. All of Supplier's sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S. Communities. U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide U.S. Communities with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising,

SERIAL 16154-RFP

marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist U.S. Communities by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the best government pricing, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) Branding and Logo Compliance. Supplier shall be responsible for complying with the U.S. Communities branding and logo standards and guidelines. Prior to use by Supplier, all U.S. Communities related marketing material must be submitted to U.S. Communities for review and approval.

(iii) Sales Force Training. Supplier shall train its national sales force on the Master Agreement and U.S. Communities program. U.S. Communities shall be available to train regional or district managers and generally assist with the education of sales personnel.

(iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:

(A) A dedicated U.S. Communities internet web-based homepage containing:

- (1) U.S. Communities standard logo with Founding Co-Sponsors logos;
- (2) Copy of original procurement solicitation;
- (3) Copy of Master Agreement including any amendments;
- (4) Summary of Products and Services pricing;
- (5) Electronic link to U.S. Communities' online registration page; and
- (6) Other promotional material as requested by U.S. Communities.

(B) A dedicated toll-free national hotline for inquiries regarding U.S. Communities.

(C) A dedicated email address for general inquiries in the following format: uscommunities@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed U.S. Communities' online registration process prior to processing the Public Agency's first sales order.

(vi) Supplier's Performance Review. Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S. Communities to evaluate Supplier's performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively "Supplier Content") for use on U.S. Communities websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to U.S. Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party

3.4 Breach of Supplier's Representations and Covenants. The representations and covenants set forth in this Agreement are the foundation of the relationship between U.S. Communities and Supplier. If Supplier is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Agreement, Supplier shall have ninety (90) days from the notice of default to cure such violation or non-

SERIAL 16154-RFP

compliance and, if Supplier fails to cure such violation or non-compliance within such notice period, it shall be deemed a cause for immediate termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at U.S. Communities' sole discretion.

3.5 **Indemnity.** Supplier hereby agrees to indemnify and defend U.S. Communities, and its parent companies, subsidiaries, affiliates, shareholders, member, manager, officers, directors, employees, agents, and representatives from and against any and all claims, costs, proceedings, demands, losses, damages, and expenses (including, without limitation, reasonable attorney's fees and legal costs) of any kind or nature, arising from or relating to, any actual or alleged breach of any of Supplier's representations, warranties, or covenants in this Agreement.

ARTICLE IV**PRICING AUDITS**

4.1 Supplier shall, at Supplier's sole expense, maintain an accounting of all purchases

made by Lead Public Agency and Participating Public Agencies under the Master Agreement. U.S. Communities and Lead Public Agency each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. U.S. Communities shall have the authority to conduct random audits of Supplier's pricing that is offered to Participating Public Agencies at U.S. Communities' sole cost and expense. Notwithstanding the foregoing, in the event that U.S. Communities is made aware of any pricing being offered to three (3) or more Participating Public Agencies that is materially inconsistent with the pricing under the Master Agreement, U.S. Communities shall have the ability to conduct a reasonable audit of Supplier's pricing at Supplier's sole cost and expense during regular business hours upon reasonable notice. U.S. Communities may conduct the audit internally or may engage a third-party auditing firm on a non-contingent basis. Supplier shall solely be responsible for the cost of the audit up to the first \$50,000 and U.S. Communities and Supplier shall each be responsible for fifty percent (50%) of the audit costs that exceed \$50,000. In the event of an audit, the requested materials shall be provided in the format and at the location where kept in the ordinary course of business by Supplier.

ARTICLE V**FEES & REPORTING**

5.1 **Administrative Fees.** Supplier shall pay to U.S. Communities a monthly administrative fee based upon the total sales price of all purchases shipped and billed pursuant to the Master Agreement, excluding taxes, in the amount of two percent (2%) of aggregate purchases made during each calendar month (individually and collectively, "**Administrative Fees**"). Supplier's annual sales shall be measured on a calendar year basis. All Administrative Fees shall be payable in U.S. Dollars and shall be made by wire to U.S. Communities, or its designee or trustee as may be directed in writing by U.S. Communities. Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month for purchases shipped and billed during such calendar month. U.S. Communities agrees to pay to Lead Public Agency five percent (5%) of all Administrative Fees received from Supplier to help offset Lead Public Agency's costs incurred in connection with managing the Master Agreement nationally.

5.2 **Sales Reports.** Within thirty (30) days of the end of each calendar month, Supplier shall deliver to U.S. Communities an electronic accounting report, in the format prescribed by **Exhibit B**, attached hereto, summarizing all purchases made under the Master Agreement during such calendar month ("**Sales Report**"). All purchases indicated in the Sales Report shall be denominated in U.S. Dollars. All purchases shipped and billed pursuant to the Master Agreement for the applicable calendar month shall be included in the Sales Report. U.S. Communities reserves the right upon reasonable advance notice to Supplier to change the prescribed report format to accommodate the distribution of the Administrative Fees to its program sponsors and state associations.

(a) Monthly Sales Reports shall include all sales reporting under the Master Agreement, and a breakout of Environmental Preferable (Green) sales reporting. Supplier must make reasonable attempts at filling

SERIAL 16154-RFP

in all required information and contact U.S. Communities with a plan to correct any deficiencies of data field population.

(b) Submitted reports shall be verified by U.S. Communities against its registration database. Any data that is inconsistent with the registration database shall be changed prior to processing.

5.3 Exception Reporting/Sales Reports Audits. U.S. Communities or its designee may, at its sole discretion, compare Supplier's Sales Reports with Participating Public Agency records or other sales analysis performed by Participating Public Agencies, sponsors, advisory board members or U.S. Communities staff. If there is a material discrepancy between the Sales Report and such records or sales analysis as determined by U.S. Communities, U.S. Communities shall notify Supplier in writing and Supplier shall have thirty (30) days from the date of such notice to resolve the discrepancy to U.S. Communities' reasonable satisfaction. Upon resolution of the discrepancy, Supplier shall remit payment to U.S. Communities' trustee within fifteen (15) calendar days. Any questions regarding an exception report should be directed to U.S. Communities in writing to reporting@uscommunities.org. If Supplier does not resolve the discrepancy to U.S. Communities' reasonable satisfaction within thirty (30) days, U.S. Communities shall have the right to engage outside services to conduct an independent audit of Supplier's reports. Supplier shall solely be responsible for the cost of the audit up to the first \$50,000 and U.S. Communities and Supplier shall each be responsible for fifty percent (50%) of the audit costs that exceed \$50,000.

5.4 Online Reporting. Within sixty (60) days of the end of each calendar quarter, U.S. Communities shall provide online reporting to Supplier containing Supplier's sales reporting for such calendar quarter. Supplier shall contact U.S. Communities within fifteen (15) days of receiving notification of the online reporting and report to U.S. Communities any concerns or disputes regarding the reports, including but not limited to concerns regarding the following:

Report Name	Follow up with U.S. Communities
5 Qtr Drop Sales Analysis	Financial & Reporting Manager
Zero States Sales Report	Program Manager
Registered Agency Without Sales Report	Program Manager

Supplier shall have access to the above reports through the U.S. Communities intranet website. The following additional reports are also available to Supplier and are useful in resolving reporting issues and enabling Supplier to better manage its Master Agreement:

- (i) Agency Sales by Population/Enrollment Report
- (ii) Hot Prospect Sales Report
- (iii) New Lead Sales Report
- (iv) State Comparison Sales Report
- (v) Advisory Board Usage Report
- (vi) Various Agency Type Comparison Reports
- (vii) Sales Report Builder

5.5 Supplier's Failure to Provide Reports or Pay Administrative Fees. Failure to provide a Sales Report or pay Administrative Fees within the time and in the manner specified herein shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Supplier, shall be deemed a cause for termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at U.S. Communities' sole discretion. All Administrative Fees not paid within thirty (30) days of the end of the previous calendar month shall bear interest at the rate of one and one-half percent (1.5%) per month until paid in full.

ARTICLE VI**MISCELLANEOUS**

6.1 Entire Agreement. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.

SERIAL 16154-RFP

6.2 Attorney's Fees. If any action at law or in equity is brought to enforce or interpret the provisions of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and costs in addition to any other relief to which such party may be entitled.

6.3 Assignment.

(a) Supplier. Neither this Agreement nor any rights or obligations hereunder shall be assignable by Supplier without prior written consent of U.S. Communities, and any assignment without such consent shall be void.

(b) U.S. Communities. This Agreement and any rights or obligations hereunder may be assigned by U.S. Communities in U.S. Communities' sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform U.S. Communities' obligations hereunder.

6.4 Notices. All reports, notices or other communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery requiring signature on receipt to the addresses as set forth below. U.S. Communities may, by written notice delivered to Supplier, designate any different address to which subsequent reports, notices or other communications shall be sent.

6.5 Severability. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

6.6 Waiver. Any failure of a party to enforce, for any period of time, any of the provisions under this Agreement shall not be construed as a waiver of such provisions or of the right of said party thereafter to enforce each and every provision under this Agreement.

6.7 Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

6.8 Modifications. This Agreement may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the parties hereto.

6.9 Governing Law; Arbitration. This Agreement will be governed by and interpreted in accordance with the laws of the State of California without regard to any conflict of laws principles. Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this dispute resolution clause, shall be determined by arbitration in Walnut Creek, California, before one (1) arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. The prevailing party will be entitled to recover its reasonable attorneys' fees and arbitration costs from the other party. The arbitration award shall be final and binding. Each party commits that prior to commencement of arbitration proceedings, the parties shall submit the dispute to JAMS for mediation. The parties will cooperate with JAMS and with one another in selecting a mediator from JAMS panel of neutrals, and in promptly scheduling the mediation proceedings. The parties covenant that they will participate in the mediation in good faith, and that they will share equally in its costs. The mediation will be conducted by each party designating a duly authorized officer or other representative to represent the party with the authority to bind the party, and that the parties agree to exchange informally such information as is reasonably necessary and relevant to the issues being mediated. All offers, promises, conduct, and statements,

SERIAL 16154-RFP

whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts, and attorneys, and by the mediator or any JAMS employees, are confidential, privileged, and inadmissible for any purpose, including impeachment, in any arbitration or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. If the dispute is not resolved within thirty (30) days from the date of the submission of the dispute to mediation (or such later date as the parties may mutually agree in writing), the administration of the arbitration shall proceed. The mediation may continue, if the parties so agree, after the appointment of the arbitrator. Unless otherwise agreed by the parties, the mediator shall be disqualified from serving as arbitrator in the case. The pendency of a mediation shall not preclude a party from seeking provisional remedies in aid of the arbitration from a court of appropriate jurisdiction, and the parties agree not to defend against any application for provisional relief on the ground that a mediation is pending.

6.10 Successors and Assigns. This Agreement shall inure to the benefit of and shall be binding upon U.S. Communities, Supplier and any successor and assign thereto; subject, however, to the limitations contained herein.

16154 QUESTIONS AND ANSWERS

1. Will the County consider a proposal that includes the retail and wholesale offering identified by two separate divisions of one company that will address sections 2.6.1 and 2.6.2 regarding pricing separately?

NO WE WOULD REQUIRE A PROPOSAL FOR RETAIL AND ONE FOR WHOLESALE MEETING ALL THE REQUIREMENTS OF THE SOLICITATION.

2. As a result of the above combined offering will the County consider awarding either offering individually in the event one of the offerings is deemed as less preferable then a submittal from a competitor?

THE COUNTY RESERVES THE RIGHT TO AWARD IN TOTAL OR BY CATEGORY OR by LINE ITEM.

3. Through retail most items will be picked up, delivery if requested can be accommodated with potential charges identified prior to the completion of an order – is that acceptable as long as it is explained clearly?

YES, IF THE ORDERING AGENCY APPROVES THE DELIVERY.

4. Regarding 3.7 – installation services normally carry a one year workmanship warranty, but product warranties are normally through the manufacturer. Will that be considered in a submittal as long as it is explained clearly?

YES.

5. On background checks, in some instances would the County consider the detailed background check process utilized by the offerer in lieu of additional background checks?

NO, IF THE PERSONNEL WILL BE ENTERING AND WORKING ON COUNTY FACILITIES.

6. Exhibit 9 and 10 – It is understood the intent of the Exhibits for the FEMA requirements associated with Exhibit 9, and the Exhibit 10 Community Development Block Grant Addendum, will be addressed on an as needed basis directly with FEMA or another federally funded request for an individual order. Inclusion of Exhibit 9 and Exhibit 10 does not mean automatic compliance as a result of the contract award by Maricopa. Please confirm

THE FEMA TERMS AND CONDITIONS ADDENDUM AND COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) ADDENDUM ARE INCLUDED IN EXHIBITS 9 AND 10, RESPECTIVELY, TO ALLOW PARTICIPATING PUBLIC AGENCIES TO UTILIZE THE CONTRACT IN THE EVENT OF AN EMERGENCY WHERE FEMA FUNDS ARE USED OR IN THE EVENT THAT CDBG FUNDS ARE USED. THE FEDERAL GOVERNMENT REQUIRES THESE TERMS AND CONDITIONS WHEN UTILIZING FEMA OR CDBG FUNDS. IT IS UP TO THE SUPPLIER TO ASK THE PARTICIPATING PUBLIC AGENCY IF IT IS USING FEMA OR CDBG FUNDING TO SEE IF THESE OBLIGATIONS DO IN FACT APPLY.

7. What type of response would the County be considering regarding substitutes on the requested market basket? For example, in particular the Zep and the Home Depot Supply brand liners. We have functional subs but there is no place on the spreadsheet to notate.

RESPOND WITH THE EQUAL QUALITY ITEM YOU CARRY. ADD AN ADDITIONAL ROW UNDER THE ITEM AND EXPLAIN THE SUBSTITUTION, MAKING SURE TO PROVIDE

THE SUBSTITUTE PRODUCT MANUFACTURER NAME, MANUFACTURER PRODUCT NUMBER, AND PRODUCT DESCRIPTION IN THIS EXTRA ROW. THE COUNTY SHALL BE THE SOLE JUDGE IN DETERMINING THE PRODUCT ACCEPTABILITY OF ALL "SUBSTITUTES".

8. If we offer two options under the Retail response and the Wholesale response regarding Supplier Managed Inventory – will the County consider those independently in scoring the offer?

THIS REQUIREMENT APPLIES TO WHOLESALE ONLY.

9. There seems to be intent to provide an environmentally preferable products SKU list. Is that the intent or should the Offerers just provide some explanatory detail regarding their preferable products offering? The concern is that providing a SKU list will significantly impact the 200 page maximum submittal

UNDER ATTACHMENT E, SUPPLIER INFORMATION SECTION, ENVIRONMENTAL, QUESTION 3; PLEASE INDICATE IN THE BODY OF YOUR RESPONSE WHETHER YOUR COMPANY HAS THE ABILITY TO PROVIDE PRODUCTS THAT CARRY ANY OF THE CERTIFICATIONS OUTLINED. IF APPLICABLE, PLEASE LIST THOSE PRODUCTS AND THE CERTIFICATIONS THEY CARRY IN A SEPARATE FILE. INCLUDE THIS FILE ONLY IN THE ELECTRONIC RESPONSES (DETAILED IN 5.3.2.1), NOT IN THE HARD COPY.

10. Is it required to provide a list of all locations for the Retail offering or is it acceptable to provide a number of locations by state?

PLEASE PROVIDE BY STATE AS REQUESTED IN ATTACHMENT D.

11. Regarding the wholesale section of the RFP pricing Attachment A, there is a request for 18 individual product category discounts. The wholesale incumbent provides for multiple sub-category discounts under a range identified at the individual Category level. Will that type of wholesale discount pricing continued to be considered in response to this RFP?

AS DISCUSSED YOU MAY ADD ADDITIONAL SUB-CATEGORIES.

12. Attachment C - Product References. 1) Can you please confirm the minimum and maximum number of references required for products? 2) Are references required to be public agencies or can Proposers provide commercial, non-public agency references as well?

FIVE REFERENCES ARE REQUIRED. REFERENCES SHOULD PREFERABLY BE PUBLIC AGENCIES, BUT PRIVATE REFERENCES ARE ACCEPTABLE.

13. Attachment C -1 - Service References. 1) Can you please confirm the minimum and maximum number of references required for products? 2) Are references required to be public agencies or can Proposers provide commercial, non-public agency references as well?

FIVE REFERENCES ARE REQUIRED. REFERENCES SHOULD PREFERABLY BE PUBLIC AGENCIES, BUT PRIVATE REFERENCES ARE ACCEPTABLE.

14. Attachments C and C-1. Can a Proposer provide the same customer as a product and service reference if the Proposer has provided both products and services to the customer in the past?

YES.

15. In the Supplier Information - Administration section, question #4 states "List, by ERP provider, the following information: name of public agency, ERP system used, "go live" date, net sales per calendar year since "go live", and percentage of agency sales being processed through this connection." Some ERP go-lives can date back 10+ years and an exhaustive list of public agencies using an ERP system could be in the hundreds. Knowing the page limit for the proposal, this amount of information can result in many pages of data. 1) Is it acceptable for the Proposer to provide three years of sales history for their current public agency ERP implementations? 2) Is it acceptable for the Proposer to provide just a sampling of their public agencies and ERP systems used that demonstrates the Proposers ability to support ERP integrations for public agency customers? 3) If not, can you establish additional parameters (like dollar threshold or number of public agencies) for what a Proposer should include in a response to this question? 4 Can this be referenced in the proposal but be provided electronically on a separate thumb drive?

PLEASE PROVIDE EXAMPLES THAT ILLUSTRATE YOUR ABILITY TO INTEGRATE WITH A PUBLIC AGENCY'S ERP SYSTEM. PLEASE PROVIDE NO MORE THAN THREE EXAMPLES TO SHOW YOUR ABILITIES IN THIS AREA. SALES PER CALENDAR YEAR CAN BE APPROXIMATE.

16. In Section 2.5.2 - Product Ordering, the requirement states, "Products may be ordered by any of the following methods: Internet, Will Call, POS (point-of-sale)". 1) Can you please further define POS (point-of-sale)? 2) Will Call and POS methods may not apply based on whether the Proposer is a wholesale distributor or retailer. Does this requirement apply to retail, wholesale and industrial Proposers? Or just those with storefronts?

THIS REQUIREMENT COULD APPLY TO ALL TYPES OF OFFERINGS AND WILL BE DETAILED DURING THE AWARD PROCESS. IN YOUR PROPOSAL YOU SHOULD MAKE CLEAR WHICH OPTIONS ARE AVAILABLE FOR YOUR OFFERING.

17. Section 2.9.2 states "All quotations shall be for a "not to exceed" amount". What are the requirements of, and the process for defining, not to exceed pricing?

THIS APPLIES TO INSTALLATION AND PROJECT WORK. THIS IS NOT BASED ON TIME AND MATERIAL WORK.

18. Section 3.5.1 - Contractor Employee Management. The RFP states, "Contractor shall endeavor to maintain the personnel proposed in their offer throughout the implementation of the Solution. In the event that Contractor personnel's employment status changes, Contractor shall provide County a list of proposed candidates with equivalent experience with the Solution. County reserves the right to assist in the selection of the replacement candidate. Under no circumstances is it acceptable for the implementation schedule to be impacted by a personnel change on the part of the Contractor." 1) In this requirement, can you please define "Contractor"? 2) Is this the Proposers direct employee's (like field sales representatives, delivery drivers, etc.) and/or subcontractors that the supplier/vendor employs to perform work?

THE ENTITY WHO THIS CONTRACT MAY BE AWARDED TO IS THE CONTRACTOR.

19. Section 3.5.2 - Contractor Employee Management. The RFP states, "Contractor shall not reassign any provided personnel without the express consent of the County." 1) Is this intended to mean the Proposers direct employee's (like field sales representatives, delivery drivers, etc.) and/or subcontractors that the supplier/vendor employs to perform work? 2) What does "reassign" mean in this context?

NO. THIS APPLIES TO KEY PERSONNEL ONLY.

20. Section 6.15.1 – Subcontracting. The RFP states, "The Contractor may not assign to another Contractor or Subcontract to another party for performance of the terms and conditions hereof without

the written consent of the County. All correspondence authorizing subcontracting must reference the Bid Serial Number and identify the job project." Some products or services may be subcontracted, which is noted as being permitted in the RFP. If subcontracting of products or services is clearly outlined as the Proposers solution, can the Proposer subcontract products or services without written consent?

YES.

21. 6.15.2 – Subcontracting. The RFP states, "The Subcontractor's rate for the job shall not exceed that of the Prime Contractor's rate, as bid in the pricing section, unless the Prime Contractor is willing to absorb any higher rates or the County has approved the increase. The Subcontractor's invoice shall be invoiced directly to the Prime Contractor, who in turn shall pass-through the costs to the County, without mark-up. A copy of the Subcontractor's invoice must accompany the Prime Contractor's invoice." Proposer will use subcontractors for installation services. Does this section mean the proposer must pass through subcontractor's costs without mark-up and include a copy of the subcontractor's invoice on every installation job or just jobs where the subcontractor's rate exceeds the Prime Contractor's bid rate?

THIS MEANS THAT IF YOU HAVE SOMEONE ELSE PROVIDE PRODUCT IT MUST BE AT YOUR CONTRACTED RATE. INVOICES FROM SUB-CONTACTORS ARE NOT REQUIRED ON PROJECT DRIVEN WORK.

22. In the Supplier Information - Environmental #3, the RFP states, "If applicable, list products in your offering that have any third-party environmental certifications, such as...." Providing an exhaustive list of products in the Proposers offering can result in thousands of items and many pages of information. 1) Do you want a complete list of products that meet these certifications or is it acceptable for the Proposer to provide a brief summary and number of products that have these certifications (e.g. 500 EnergyStar items)? 2) If a complete list is desired, can this be referenced in the proposal but be provided electronically on a separate thumb drive?

SEE QUESTION 9.

23. The term "Contractor" is used in multiple places throughout the RFP. Can you please define "Contractor"?

THE CONTRACTOR MAY BE THE PROPOSER WHO IS AWARDED A CONTRACT AS A RESULT OF THIS RFP OR A CONTRACTOR THAT MAY BE DOING THE INSTALLATION WORK FOR THE CONTRACT HOLDER. AN EXAMPLE IS SHOWN ABOVE IN QUESTION 18, WHERE IN SECTION 3.5.1 THE TERM REFERS TO THE CONTRACT HOLDER.

24. In Section 3.12.1 - Invoices and Payments. 1) Is the information contained on the invoice open for discussion and modification? 2) If so, what fields are required and which fields are optional? 3) Are these invoice requirements specific to Maricopa County or do they pertain to all Participating Agencies?

THESE REQUIREMENTS PERTAIN TO ALL AGENCIES THAT USE THIS CONTRACT. WE MAY BE OPEN TO DISCUSSIONS ON THIS REQUIREMENT.

25. In the pre-proposal conference, it was stated that all questions and requirements need to be responded to immediately following that section in Word document format with confirmation we can perform and any additional comments we might have. However, in section 5.6, Format and Content, that doesn't appear to be mentioned. Can you please clarify the format and content desired?

PLEASE CONFIRM ALL REQUIREMENTS IN SECTION 2.0 AND 3.0 AS PART OF YOUR RESPONSE TO 5.6, FORMAT AND CONTENT, PARAGRAPH 5.6.4, PROPOSAL.

26. The RFP is 119 pages long. Are we expected to provide back the entire 119 pages which detail our responses therein and keep it to a minimum of 200 pages?

PROPOSERS ONLY NEED TO RESPOND TO SECTIONS 2.0 AND 3.0 (14 PAGES) IN THIS FORMAT.

27. Section 3.0 - Procurement Requirements. Does this entire section apply only to Maricopa County and not apply to other participating agencies?

SECTION 3.0 APPLIES TO MARICOPA COUNTY, BUT OTHER AGENCIES MAY REQUIRE IT ALSO.

28. Throughout the RFP, "Exhibit B" is referenced in the following places: a) Administration Agreement - Section 5.2, b) Exhibit 3 - Section 5.0 – Duties, and c) Maricopa Draft Contract Section 6.3.6 - Incorporation of Documents. It appears there is no Exhibit B in the RFP. Can you provide Exhibit B for review?

THE RFP CONTAINS A MULTITUDE OF DOCUMENTS THAT REFER TO EXHIBITS CONTAINED WITHIN THAT DOCUMENT. FOR EXAMPLE, THE REFERENCE IN THE ADMINISTRATION AGREEMENT, SECTION 5.2 IS REFERRING TO ATTACHMENT B: SALES REPORT FORMAT ON PAGE 65 OF THE RFP.

29. Section 5.6 - Format and Content. In the RFP, the Proposal and Qualifications are listed as separate sections. In the pre-proposal conference, it was mentioned that Proposers should start with the entire RFP (of 119 pages) and respond immediately following the question or requirement including our capabilities and qualifications. Do we need separate proposal and qualification documents? Or are our responses throughout the RFP sufficient?

PLEASE FOLLOW THE FORMAT AND CONTENT OUTLINED IN SECTION 5.6 OF THE RFP. ADDITIONALLY, SEE THE ANSWER TO QUESTION 25.

30. If a Proposer would like to include additional Financial Statements, these can be many pages long. Will this be included in the page limitation or can this be referenced in the proposal and provided electronically on a separate thumb drive?

REFERENCE THIS FILE IN YOUR PROPOSAL AND INCLUDE AS A SEPARATE FILE ONLY IN THE ELECTRONIC REPONSES (DETAILED IN 5.3.2.1), NOT IN THE HARD COPY.

31. Section 1.2 - Wholesale Catalog Discount by Category. There are 19 major categories listed with a blank field for "minimum discount % off list". If the Proposer intends to insert sub-categories with a variety of discounts, must we still fill out the minimum discount on the major category line?

YES.

32. Section 2.4 - Product Categories. The RFP states, "The intent is for each Proposer to submit their complete product line so that Participating Public Agencies may order a wide array of product as appropriate for their needs. You may subcontract items your firm does not supply." Can you clarify what you mean by "intent is for each Proposer to submit their complete product line"? Does this mean that Proposers should submit a list of all of their products in their response? If this is desired, can this be provided electronically on a separate thumb drive?

YES. REFERENCE THIS FILE IN YOUR PROPOSAL AND INCLUDE AS A SEPARATE FILE ONLY IN THE ELECTRONIC REPONSES (DETAILED IN 5.3.2.1), NOT IN THE HARD COPY.

33. Throughout the RFP, "Exhibit A" is referenced in the following areas including a) Exhibit 7, b) General Terms and Conditions, c) Section 1.1, and d) in the Maricopa Draft Contract Section 6.3.6, Incorporation of Documents. It appears there is no Exhibit A attached to the RFP. Can you provide Exhibit A for review?

THE REFERENCE IN EXHIBIT 7: ADMINISTRATION AGREEMENT IS REFERRING TO ATTACHMENT A: MASTER AGREEMENT ON PAGE 64. ALL OTHER REFERENCES IN THE RFP ARE REFERRING TO ATTACHMENT A: PRICING ON PAGE 22 OF THE RFP.

34. In the Maricopa Draft Contract, Section 6.3.6, Incorporation of Documents, there is a reference to Exhibit C Facilities Management Requirements. Can you confirm this is referring to Exhibit 5 and not Exhibit C? If not, can you provide Exhibit C for review?

IN THE FINAL CONTRACT EXHIBIT 5 BECOMES EXHIBIT C.

35. Section 3.8 – Maintenance - The RFP states, "The Contractor shall provide for maintenance under this Contract upon acceptance of materials by the Using Agency." In the pre-proposal conference, it was mentioned that some requirements in Section 3 – Procurement Requirements, may not apply to routine services such as appliance replacement and haul away or water heater replacement. This requirement appears to pertain to ongoing building maintenance service work versus task order construction/renovation work. Can we interpret this to mean that the requirement does not apply to Proposers who are not performing ongoing building maintenance services?

YES.

36. 3.9 FACTORY AUTHORIZED SERVICE AVAILABILITY (if required) - The RFP states, "The Contractor shall have and maintain a local factory authorized service facility within the Phoenix, Arizona metropolitan area. The facility shall be capable of supplying and installing component parts, troubleshooting, repairing and maintaining the material(s). Minimum service hours shall be from 8:00 A.M. through 5:00 P.M., Arizona Time, Monday through Friday." In the pre-proposal conference, it was mentioned that some requirements in Section 3 – Procurement Requirements, may not apply to routine services such as appliance replacement and haul away or water heater replacement. This requirement appears to pertain to ongoing building maintenance service work versus task order construction/renovation work. Can we interpret this to mean that the requirement does not apply to Proposers who are not performing ongoing building maintenance services?

YES.

37. Exhibit 5 - Maricopa County Facilities Management Requirements. In Section 1.6, the RFP states, "Contractor shall provide 24 hours per day, 7 days per week, 365 days per year telephone access, and respond to a call for services within thirty (30) minutes of receipt." In the pre-proposal conference, it was mentioned that some requirements in Exhibit 5 may not apply to routine services such as appliance replacement and haul away or water heater replacement. This requirement appears to pertain to ongoing building maintenance service work versus task order construction/renovation work. Can we interpret this to mean that the requirement does not apply to Proposers who are not performing ongoing building maintenance services?

YES.

38. In Exhibit 5 - Response Times - In Section 2.0, the RFP states, "2.0 RESPONSE TIMES: 2.1 During REGULAR HOURS, AFTER HOURS, WEEKEND or HOLIDAYS, Contractor shall respond on-site within four (4) hours of receipt of a service request. 2.2 If the request is designated by the County as an EMERGENCY, the contractor shall respond onsite within two (2) hours of receipt of a service request regardless of the time of day, WEEKEND or HOLIDAY." In the pre-proposal conference, it was mentioned that some requirements in Exhibit 5 may not apply to routine services such as appliance replacement and haul away or water heater replacement. 1) This requirement appears to pertain to

ongoing building maintenance service work versus task order construction/renovation work. Can we interpret this to mean that the requirement does not apply to Proposers who are not performing ongoing building maintenance services? 2) In this requirement, can you please define "Contractor"? Is this the Proposers direct employee's (like field sales representatives, delivery drivers, etc.) and/or subcontractors that the supplier/vendor employs to perform work?

1. **YES.**
2. **COULD BE EITHER DEPENDING ON THE PROJECT. AS YOU STATED THIS IS NOT FOR DELIVERY OF PRODUCTS/MATERIALS BUT ON-SITE ON GOING WORK.**

39. In Supplier Information – Distribution #6B, the RFP states “Provide product/service name, company name and small MWBE designation.” An exhaustive list of manufacturers or service providers could be in the thousands. Is it acceptable to provide a sampling of MWBE manufacturers or service providers that demonstrate the Proposers ability to support this requirement? If a complete list is required, can this be referenced in the proposal but be provided electronically on a separate thumb drive?

YES, PLEASE PROVIDE EXAMPLES IN THIS SECTION THAT WILL HELP THE EVALUATION TEAM UNDERSTAND THE TYPES OF PRODUCTS OR SERVICES YOU CAN OFFER IN PARTNERSHIP WITH AN MWBE BUSINESS.
