MARKET SURVEY

Company	Contact #	Email	Contact Person	Non-Response Justification	Bid in Future
ARI Valve Corporation	770-933-8845	jmg@arivalve.com 1738 Sands Place SE, Suite 200 Marietta, GA 30067	Jimmy Gross	Did not submit a bid because they felt could not fully provide what was requested in the specifications.	Yes
Results Summary	The market was very interested in this project, but they were not able to submit bids on time because of their current workload, missed question and answer deadlines or were not able to attend the mandatory LSBE meeting. Other vendors felt they were unable to provide the services outlined in the scope. All vendors would be interested in the opportunity to bid in the future.
