

**User Department's Recommendation**

**User Department Name: Recreation, Parks and Cultural Affairs**

**Recommended Bidder:** Club Car meets our approval.

**Project Amount This Term: \$** 524,267.52

**Funding:**

**General**  **Enterprise**  **3 Digit Fund Code** 271

**CIP Line-Item No. (if applicable):** \_\_\_\_\_

**SPLOST**  \_\_\_\_\_

**Justification:**

Club Car is on the Georgia State Sourcewell Contract (#122220-CCR) and meets the requirements by the Department of Recreation, Parks and Cultural Affairs for the monthly leasing of 72 Electric Golf Carts and two utility vehicles. The total lease period will be for 48 months.

The 72 golf carts will operate with Lithium-ion Batteries which do not require any maintenance or monthly servicing. Club Car will also perform all golf cart maintenance repairs on site at Sugar Creek Golf Course, thus eliminating the need for carts to be transported to a maintenance service center.

RPCA is currently in the final months of a four (4) year lease with Club Car and is very satisfied with their golf carts and services.
