Statements made during the Public Comments portion do not necessarily reflect the Opinions of the Board or the Administration of DeKalb County Government. The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. J. COMMENTS FROM THE BOARD

**** Commissioner Mereda Davis Johnson was absent from the meeting*

1. Commissioner Gregory Adams read the following comments:

Good morning all!

I am pleased to announce that I attended the Safe America Foundation's press conference on September 27th, held at the Georgia State Capitol and hosted by Georgia State Representatives Paulette Rakestraw and Michael Smith. I joined other elected officials and community leaders as Safe America rolled out its "Be Safe America and HUMANS Care" fall initiatives. Through continuous partnerships, the organization works to help rescue victims of human trafficking as well as assist PTSD-suffering veterans and address the opioid epidemic.

Public Safety is a major concern and is critical to our survival around the world. Assisting our veterans with living a quality life after service, addressing Human Trafficking along with mental illness and the opioid epidemic will take all of us standing together with one voice. As this great work continues, please know that I am committed to partnering with Safe America Foundation, while advocating for the continuous progression in DeKalb County.

Later in the evening, I along with City of Stonecrest District 1 Councilman Jimmy Clanton hosted the inaugural Collaborative Town Hall Meeting at the Lou Walker Senior Center. It was a great success and I would like to express my appreciation to Keep DeKalb Beautiful, DeKalb Police, DeKalb and Fire Rescue, Department of Watershed Management, DCTV, City of Stonecrest's Code Enforcement, and AHA Services. In addition, I would like to thank Lou Walker Senior Center for hosting our community forum.

I attended the 6th Annual Heart of South DeKalb Festival hosted by my fellow colleague, Commissioner Larry Johnson and Kaiser Permanente on September 29th. Thank you for your continuous work to bring businesses, civic organizations and the community together. I was happy to address all the festival attendees and express this shared vision as we continue to move DeKalb forward.

I also attended the Living Stones Ministries and Worship Center's annual Fall Festival on September 29th. I thoroughly enjoyed the celebration of unity and fellowship. Special thanks to Carleen Cumberbatch for inviting me and my team to this joyous occasion.

And lastly, I attended the DeKalb Fire and Rescue's 16th Annual Fire Safety Festival on October 6th at the Plaza Feista. Families joined firefighters for a fun-filled day of fire safety-related activities as well as enjoyed food and live entertainment. This year's festival theme "Look, Listen and Learn. Be aware. Fire can be anywhere" focused on educating the community on the three vital steps in reducing the chances of having a fire. Another objective was to help develop an evacuation plan in the event of a fire. Kudos to DeKalb Fire and Rescue on their continued safety initiatives and community outreach!
