STAFF ANALYSIS: The proposed calendar and resolution are consistent with those of past years. No significant modifications were made to the resolution document. The revised calendar reflects newly proposed Board of Commissioners Zoning Meeting dates of May 23, 2024, and January 23, 2025 along with respective backup meeting dates. Approval of the calendar is paramount to the upcoming zoning cycle which is proposed to begin on December 21, 2023. Time is of the essence.
