

**User Department's Amended Recommendation**

**Recommended Bidder: P. F. Holdings and Investment LLC meets our approval.**

**Amount Spent Last Term: \$7,289.00**

**Name of Fund: Stormwater Administration (581)**

**Project Amount This Term: \$33,280.00**

**Justification:**

**We've reviewed the bids, Bid Evaluation and recommend an award to P.F. Holdings and Investment LLC who is the sole bidder.**

**Please note that the expenditure last term is understated because we had fewer projects and/or emergencies requiring these supplies. However, we must plan for the unexpected to ensure that we have access to or supplies on hand to respond to routine and emergency needs.**
