

# State of Georgia

SWC Contract Number: 99999-SPD-T20120501-0013

Contract Term: June 30, 2014 - September 30, 2023

Description of awarded networking product categories:

Juniper has been chosen by The State of Georgia to provide products and services for networking solutions across the IT spectrum. This includes such categories as ethernet switching, firewalls and advanced data security systems, data and network management systems and remote access. All products and services offered by Juniper are on the contract.
