STATE OF GEORGIA DEKALB COUNTY

INTERGOVERNMENTAL AND SETTLEMENT AGREEMENT

This Intergovernmental and Settlement Agreement ("Agreement") is between the City of Atlanta (the "City") and DeKalb County, Georgia (the "County") and relates to the potential annexation of approximately 744.7 acres of property owned by Emory University, Children's Healthcare of Atlanta, Georgia Power Company, Villa International, Synod of South Atlanta & Presbyterian Church (USA) Inc. and Centers for Disease Control ("the Emory Parties") ("the Annexation"). A map and parcel list of the proposed area to be annexed is attached hereto and incorporated herein by reference as Attachment A and shall herein be referred to as "the Annexed Area."

WHEREAS, article VX, Section III, paragraph I, of the Georgia Constitution authorizes the City and the County to enter into intergovernmental agreements for the provision of services, facilities and equipment for a term not to exceed 50 years; and

WHEREAS, the City and the County (collectively, "the Parties") have agreed to a resolution of all claims that could have been brought by the County in connection with the Annexation, whether as part of the ongoing statutory annexation objection arbitration process or outside of that arbitration;

NOW THEREFORE, in return for good and adequate consideration set forth in the terms of this Agreement, the Parties agree to the following:

Release of Claims

In return for the good and valuable consideration described in this Agreement, the County, on behalf of itself, agents, and attorneys, hereby releases, waives, and forever gives up any claims related to the Annexation in any way possible.

This Agreement shall not be interpreted to waive or release rights that cannot, by law, be waived or released, including but not limited to any claims to enforce the terms of this Agreement.

Terms of Settlement

If the Atlanta City Council votes to approve the Annexation, the Parties agree that the following terms shall apply to the Annexation:

Zoning, Land Use and Historic Designation

a. Zoning and Land Use

Concurrent with, or prior to, approval of the Annexation, the City agrees, with the written consent of all the Emory Parties except the Centers for Disease Control ("CDC") and Georgia Power, to adopt a zoning ordinance consistent with the zoning classification(s) for the Annexed Area set forth in Attachment B.¹ Said zoning ordinance shall be adopted in compliance with all requirements of law, and shall include zoning conditions that impose on each lot or parcel within the Annexed Area compliance with: (1) any existing DeKalb County zoning conditions attached to each lot or parcel and (2) the Zoning Ordinance of DeKalb County, Georgia, as of the date of execution of this Agreement. The zoning condition shall read as follows:

Notwithstanding anything to the contrary in the Atlanta Zoning Ordinance, use and development of each lot or parcel in the Annexed Area shall be governed by: (1) existing zoning conditions, if any, imposed by DeKalb County, Georgia on each lot or parcel within the Annexed Area and (2) the Zoning Ordinance of DeKalb County, Georgia attached hereto and made a part hereof, including the zoning district regulations applicable to each lot or parcel within the Annexed Area at the time of approval of the Annexation. Copies of the applicable zoning conditions for each parcel or lot and the applicable Zoning Ordinance of DeKalb County, Georgia are attached hereto and are also a public record available for public inspection in the Office of the Municipal Clerk.

The adopted zoning ordinance for the Annexed Area, minus the copy of the Zoning Ordinance of DeKalb County, Georgia, shall be filed by the City with the Clerk of DeKalb County Superior Court no later than ten days after adoption of the zoning ordinance by the City. This zoning condition is in

¹ The written consent of Emory University and Children's Healthcare of Atlanta shall be obtained prior to any approval of the Annexation. The written consent of Villa International and Synod of South Atlanta & Presbyterian Church (USA) Inc. shall be obtained within 60 (sixty) days of any approval of the Annexation. The consent of the CDC and Georgia Power shall not be required to proceed.

addition to, and intended to supplement, the zoning currently proposed by Atlanta for the Annexed Area. Nothing in this section or Agreement should be interpreted as requiring any changes to whatever zoning or land use restrictions currently apply to the CDC or Georgia Power, if any, as a condition of the Agreement or of the Annexation, in that said entities are exempt from zoning.

b. <u>Duration of Zoning and Land Use Conditions – Requirement of Written Consent Within First Year</u>

Following adoption, the City shall not change the zoning ordinance referenced above in (a) without the written consent of the County. The County's consent in this context means an affirmative vote of four members of the DeKalb County Board of Commissioners, with at least one affirmative vote from either the district two commissioner or the super district six commissioner of DeKalb County, Georgia. (Organizational Act of DeKalb County, Georgia, 1981 Ga. Laws, p. 4301, as amended, codified as Sections 9(a)(10) and 15(d), copies of which are attached hereto as Attachment C for ease of reference.)

This subsection's requirement of written consent by the County to zoning changes in the Annexed Area, shall last one year from the date of adoption of the Annexation ordinance by the City. After the expiration of that one year, the County's consent to zoning changes in the Annexed Area is no longer required.

c. Historic District

If after the execution date of this Agreement the City annexes territory in the County that has been designated by the County as part of the Druid Hills Historic District as of the date of this Agreement, the City will, simultaneously with annexation, designate that property as part of the City's Druid Hills Landmark District. This requirement shall continue without expiration, unless and until the City and County both consent to its modification.

d. Notice

The City will provide timely mailed notice (in addition to posted and published notice) of future requests by any applicant for any property located within the Annexed Area for any zoning decision, as defined by O.C.G.A.

§ 36-66-3, to (1) the chief executive officer of the County; (2) the elected district two and super district 6 commissioners of the County; (3) the president of the Druid Hills Civic Association; and (4) all Atlanta and/or unincorporated DeKalb property owners within 300 feet of all property lines that are the subject of the proposed zoning decision.

City's Annexation Policy in the Affected Area

The City agrees to adopt a written policy related to future annexations of rational areas within 250 feet of any boundary of the Annexed Area (the "affected area"). The policy would require future petitions for annexation into the City within the affected area to include an explanation of a rational basis for the annexation. Rational bases for annexation could be, for example, annexation in connection with natural boundaries, an entire community, or an entire street rather than a single lot. Easing or better managing service delivery demands would similarly provide a rational basis for an annexation. These examples are not intended to be exhaustive, but instead illustrative.

The purpose of this policy is to encourage land owners in the affected area to consider annexation of entire communities rather than piecemeal annexations that potentially de-stabilize existing residential communities and small scale commercial developments. The policy will also contain language indicating that the City generally is not in favor of single lot annexations in the affected area where land on both sides of such lot would remain in unincorporated DeKalb. Finally, the policy would require petitioners to describe why a single lot annexation is not de-stabilizing to the adjacent community. This provision is not intended to, nor shall it, operate to give the County a right of action against any subsequent annexation that the County does not currently possess, or alter any right of action the County currently possesses.

Service Delivery between Jurisdictions

<u>Storm Water Service</u>

The City and County agree that the County will provide storm water service to the Annexed Area and shall be authorized to charge the same fees as charged to residents of the unincorporated area, now and in the future. The County shall continue to own all of its storm water infrastructure in the Annexed Area.

Water and Sewer Service

The City and County agree that the County will provide water and sewer services to the Annexed Area and shall be authorized to charge the same fees for services in the Annexed Area as charged to residents of the unincorporated area, now and in the future. The County shall continue to own all of its water and sewer infrastructure in the Annexed Area.

Fire Service

The City and County agree to adopt, within 60 days of the date of execution of this Agreement, the attached intergovernmental agreement in substantially similar form as set forth on Attachment D.

Roads, Rights of Wavs, Traffic Signals

Pursuant to O.C.G.A. § 36-36-7(c), the City and the County agree that the City shall assume ownership, control, care and maintenance of all portions of the County roads, including bridges, within the Annexed Area in which the City annexes on both sides of the right of way and notwithstanding narrow strips excepted from the Annexation Area along Clifton Road, Houston Mill Road, and Burlington Road. The City and County further agree that the City shall assume ownership, control, care and maintenance of all portions of Clifton Road NE, Houston Mill Road NE, North Gatewood Road NE and Luckie Lane NE, including bridges, that lie within the area to be annexed whether or not the City has annexed on both sides of the right of way. This assumption of ownership shall include all easements in which the County is a grantee or grantor, related to roads, right of ways, bridges or other encroachments, and traffic signals within the Annexed Area. The City shall assume ownership, control, care and maintenance of ten traffic signals within the annexed area on Clifton Road NE, specifically at the intersections of Clifton and the following cross-streets: (1) Fishburne/Gambrell, (2) Lowergate Dr., (3) Uppergate Dr., (4) Haygood Rd., (5) Gatewood Rd., (6) Houston Mill Rd., (7) Emory Point / Conference Center, (8) Emory Point Pedestrian/Fire Station, (9) CDC Parkway and (10) Old Briarcliff Way / Wesley Woods. The City shall assume ownership, control, care and maintenance of the traffic signal at Haygood Dr. and Andrews Circle.

The County shall have a perpetual non-exclusive license to access the roads for the purpose of replacing, repairing and maintaining County-owned infrastructure located in or under the right-of-way as generally identified on the maps attached hereto and incorporated herein as Attachment E.

Sewer Capacity

The City and County agree that development in the Annexed Area will require sewer capacity analysis by the County in order to provide water and sewer services to the Annexed Area. The City agrees to: (1) notify applicants for development in the Annexed Area of the requirement for sewer capacity analysis by the County; (2) provide the County with written/email notice of any proposed development within the Annexed Area which will require water and sewer access from the County; and (3) work cooperatively with the County as it reviews capacity and makes decisions regarding improvements to ensure sewer capacity. The County agrees to perform the analysis without undue delay, and further agrees to not withhold consent or approval to projects if capacity is reasonably available.

Other Services

The City shall provide all other governmental services not specifically identified in this Agreement to the Annexed Area.

Miscellaneous

<u>Marta</u>

The City and County agree to ask the members of the Metropolitan Atlanta Rapid Transit Authority ("MARTA") Board of Directors to convene and attend a public meeting to discuss MARTA's future transit plans for the Annexed Area.

Adoption by the Arbitration Panel

The City and County agree to submit this Agreement, once approved by their respective Governing Authorities, to the Arbitration Panel for adoption by the Panel as its findings and recommendations pursuant to O.C.G.A. §36-36-119.

<u>Term</u>

The term of this Agreement shall begin on the date the last party executes this Agreement as reflected on the signature pages and shall remain in full force and effect for 10 years thereafter except insofar as expressly discussed above in items (a, b, c) of the Zoning and Land Use section and in connection with the provision of fire services as discussed in the Service Delivery section.

Denial of Liability

The Parties understand and agree that this Agreement is in compromise of claims and potential claims related to the proposed Annexation that are disputed. The Emory Parties and the City have each denied that they have proposed a substantial change in the intensity of the allowable use of the property or a change to a significantly different allowable use or a use which significantly increases the net cost of infrastructure or diminishes the value or useful life of a capital outlay project. This Agreement will in no way be construed to indicate or to imply any wrongdoing or admission of liability on the part of any of the Parties.

Open Records Act

The Parties agree that this Agreement is subject to disclosure requirements under state and federal law, such as the Georgia Open Records Act, O.C.G.A. §50-18-70 et seq.
