C. COMMENTS FROM THE PUBLIC

The purpose of public comment is to allow the public to voice county-related requests, concerns or opinions during the Commission meeting. Speakers will only have the opportunity for one public comment per meeting. Public comments may be made in person or submitted by sending an email no longer than one page to PublicComments@dekalbcountyga.gov which must be received between 9:00 a.m. and 10:00 a.m. on the day of the meeting. Only those emails received during the allotted time may be read aloud.

Public comment emails received outside of the allotted time will be included in the public comment record for the next meeting after receipt of those emails. The body of your email must include your first and last name, followed by your address. By submitting an email for public comment at any time, you agree to have your name, address and email entered into the record/minutes. Each in-person speaker must complete a speaker card and present it to the clerk before the beginning of the public comment portion of the meeting. Cards must be turned in to the clerk from the time the general meeting is convened (generally 9 A.M.) and by the beginning of public comment portion generally following presentations on the agenda. The clerk will accept cards on a first-come, first-served basis. Prior to the clerk's call for public comment, in-person speakers who are residents of DeKalb County shall be allowed to speak before residents of other counties are allowed to speak. Once the public comment portion of the meeting begins, speaker cards will no longer be accepted. Speakers will be allowed to speak for three minutes each and public comment shall not exceed 30 minutes in length. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to yield the podium. Those in-person attendees who submitted speaker cards but did not speak because of the time allotment will be allowed to speak first at the next regularly scheduled Commission meeting without regard to residence. If time remains in the proscribed public comment portion of said meeting, email comments will be read into the record by the clerk or designee. Any remaining email public comments received between 9:00 am and 10:00 a.m. on the day of the meeting not read into the record will be submitted into the minutes by the clerk or designee and shall be forwarded to each commissioner by email. Speakers should always talk directly into the microphone and begin by stating their name, full address and the name of any organization they represent. Abusive, profane or derogatory language, holding up signs, clapping, yelling, standing or laying in the aisles to show support for or opposition to a speaker will not be permitted, but a show of hands or quietly standing in place will be permitted to show support for or opposition to a speaker's position

Public Comments: March 28, 2023- Unread Emails

1. Ed Williams (No Address)- Good Morning Commissioners: My name is Ed Williams. I am chair of the group Concerned Citizens for Effective Government. I am a taxpayer and resident of DeKalb County. Why has BOC failed to provide access to the Board meeting minutes on the county website? This includes February 16, 2023, and February 28, 2023 board meeting minutes. The Board has intentionally, willfully, and negligently omitted and denied access to minutes from several commission regular meeting minutes in violation of the Open Meetings O.C.G.A. §§ 50-14-1. and Records Acts. 50-18-71. Why does this commission continue to allow MARTA to neglect the interests of citizens of DeKalb County by approving and signing off on their actions? MARTA does not include the cost of the contracts or bonds being voted on in its agenda or minutes. The MARTA Board employs this strategy to intentionally omit for the record the amount of money for any project, contract, or bond being approved by the board. This is a clear violation of the MARTA board's fiduciary responsibility and it is an intentional tactic to keep the public in the dark regarding the costs. MARTA recently voted on a bond resolution at its March 9th board meeting without any reference to the amount of the bond request which included DeKalb County as a party. The MARTA Board had on its meeting agenda a bond issuance entitled "Resolution for Authorization and Validation of additional Metropolitan Atlanta Rapid Transit Authority Sales Tax Revenue Bond". I am not sure how MARTA can issue revenue bonds with sales taxes. As its method of financing. MARTA is using the service contracts as security for the revenue bond validation. The MARTA Act and the GA Constitution Article 9, Section 6, Paragraph 1, prohibit the use of taxes to pay for revenue bonds. The MARTA Act section 8(l), 9(h)(4), section 10(m), and 10(s). Why has Marta never stated what the daily projected ridership numbers are estimated to be for the Bus Rapid Transit Systems (BRTs)? What are MARTA's expected operating costs for these projects? Any talk of increasing the MARTA sales tax to 2 cents on the dollar should be rejected. It should be noted that HB930 adopted in 2018 limited sales tax levy to 30 years, and any contract lease is limited to 50 years. The RTCAA was supposed to have expired on August 31, 2021. The RTCAA was adopted in 1971. The GA Constitution has a fifty-year limitation on any contract between governments. MARTA is trying to convince local governments to have a referendum to increase the local sales tax to two percent from one percent. It should be noted that Cobb and Gwinnett counties' sales tax is 6 percent while DeKalb, Fulton, and Clayton's sales taxes exceed 8 percent and higher. Many elected officials have taken trips at MARTA's expense to look at other transit systems and the type of system being employed, however, there has been no discussion or trips studying how these other transit systems are being funded. MARTA is the only transit system that is being funded without any state funding. Gwinnett and Cobb counties should not be able to connect to MARTA or operate in another county's jurisdiction without

helping supplement MARTA. There needs to be a comprehensive review of how MARTA is being funded and its finances. Thank You

D. 10:00 A.M. PUBLIC HEARING

Citizens may speak for or against an item that is considered by law to be a zoning ordinance and each side will have ten minutes to present its case. Citizens may also speak for or against an item that is placed on the public hearing agenda but is not a zoning ordinance. In that case, each side will have five minutes to present its case. In the event there is more than one speaker per side, speakers must divide their time in order to complete their full presentation within the ten-minute time allotment, or the five minute time allotment. When the buzzer sounds to indicate that time has run out, the speaker will be expected to immediately cease speaking and to leave the podium area. Citizens may also email statements or documents related to public hearing items for inclusion in the public record by submitting such statements or materials by 9:00 a.m. on the date of the public hearing to PublicHearing@dekalbcountyga.gov. The body of your email must include a reference to the particular public hearing item to which your statement or documents apply by agenda number and your first and last name, followed by your address. By submitting an email related to any public hearing item, you agree to have your name, address and email entered into the record/minutes. In-person comments will be heard first. Prior to speaking, an in-person speaker shall complete a speaker card and present it when approaching the podium. If an in-person speaker has any documents for the commissioners, the speaker shall provide 10 copies when approaching the podium. Seven copies are for the commissioners and the remaining copies are for the planning director, the county attorney and the clerk.

In all zoning ordinance and traffic calming cases, staff shall make their recommendation for action to the Commission first followed by applicants or citizens speaking in favor of the item. Applicants in zoning ordinance cases shall have the right to reserve time for rebuttal. Opponents of a zoning ordinance item shall have no right of rebuttal. For all other items placed on the public hearing agenda, applicants or citizens speaking in favor of the item shall speak first followed by opponents of the item.
