The County reserves the right, at the County's sole discretion, to (1) add your email to the record/minutes without reading any of it into the broadcast or (2) add your email to the record/minutes and read all or a portion of your email into the broadcast.

1. Theresa Woodgeard, 4210 Durham Circle Stone Mountain, GA - Commissioners, Our neighborhood and friends of the park group noticed that the resolution to approve the Split Creek Park master plan (file number 2021-2808) – a new park at 1227 Rowland Road is on the agenda again today, as it was two weeks ago. We are still requesting that the name be changed to “Rowland Park.” We want to thank all of the commissioners that reached out in support of the community and friends of the park group's wishes. Our community is excited at the possibility of a park and grateful to Commissioners Bradshaw and Cochran Johnson for their investment in our neighborhoods. We would like our name of choice “Rowland Park,” in place to continue the work of our friends of the park group. Thank you for again considering our request. Best regards,

2. Henry Slack, 139 Erie Avenue, Decatur, 30030 - I write today because we urgently need county action to cut greenhouse gases. Yesterday, the Intergovernmental Panel on Climate Change (IPCC) put out a red alert. Climate is just average weather, and we are on the brink of weather disasters everywhere. This year we’ve already seen downpours and floods, droughts that set up wildfires and smoke, and a “heat dome” that killed hundreds of people and millions of animals. We are in for a world of hurt. Fortunately, researchers at GA Tech, Emory and UGA have calculated our emissions in "Drawdown Georgia", drawdownga.org. They outline how we in Georgia can cut our net emissions in half in ten years. IN HALF! Of all their solutions, large-scale solar had the biggest effect. I know the County has started. You're planning a solar project on the former DFCS building now. I appreciate it, but I ask that the County do more, quickly. Instead of a single pilot, I ask that every Department with acres of land, such as Water and Sewer, start a large-scale solar project, and assess other locations where the County has the land for large-scale solar. My second ask is that you have a Committee look at the twenty solutions Drawdown Georgia has identified and see what more steps you can take, especially the ones that will be paid for and save taxpayers money. There’s no time to waste. It’s the biggest problem in the world, and we can’t wait for others to start. Dekalb was a leader when I was born, and can lead on this work now. Thank you.

3. Dr. Ed Williams, P.O. Box 361626 Decatur, Georgia 30036 - Good Morning Commissioners: I want to you thank you for extending the cut-off moratorium to September. DeKalb County is the 4th largest county in Georgia. Providing water and sewer service is a basic government service. We need a bill of rights with teeth that prevent citizens from having to pay unreasonable amounts for water. I would encourage the commission to reconsider its intention to take action on lifting the water billing problem cut-off moratorium. We are in the midst of a pandemic and citizens need to be able to wash and clean. Access to clean and affordable water is a necessity and an essential service. DeKalb does not need to be so quick to turn off the water. Public Officials have an obligation to be open and transparent and not violate the public trust. It is my understanding that there are still significant issues with the billing system. The commission should consider contracting out the county’s billing service to Metro PCS, and the Law Department to Georgia Legal Aid. I recommend that the county keep the water cut-off moratorium in place and that the county focus on fixing the water billing problem and giving citizens some real relief. Do the right thing. Thank you

4. Marcia Tucker 4056 Ashford Dunwoody Rd Brookhaven, GA - Good morning. My name is Marcia Tucker 4056 Ashford Dunwoody Rd Brookhaven, GA. I am a DeKalb County resident and landlord. I am also a Registered Nurse and Social Worker who have been on the front lines directly working with those impacted by COVID-19. I support efforts to provide relief to those who are genuinely affected by the pandemic because I have looked directly into the eye of many who are suffering. I would like CEO Michael

Thurmond to know that there are many landlord like myself who are forced to allow non-paying tenants, financially unaffected by the pandemic to indefinitely occupy our homes. My tenant has decided to take advantage of the blanket eviction moratorium supported by the CEO and I, a law-abiding citizen who have faithfully paid my taxes every year am denied rights to my property and denied my right to legal recourse. I would like CEO Michael Thurmond to know that there are many landlord like myself who are forced to allow non-paying tenants, financially unaffected by the pandemic to indefinitely occupy our homes. My tenant has decided to take advantage of the blanket eviction moratorium supported by the CEO and I, a law-abiding citizen who have faithfully paid my taxes every year am denied rights to my property and denied my right to legal recourse. My tenant has paid no rent for the past 4 months and refuses to vacate my property. She has worked continuously for a business that has boomed during the pandemic - how do I know this? Well, she works for a family member. Efforts to evict this tenant remain blocked by the eviction moratorium extension that CEO Thurmond supports. What does the CEO and government decision makers have to say to those of us who are being forced to face financial hardship? Why am I being forced to stand by and face financial ruin while a working person is allowed to live in my home for free, with support from the government and courts? I am asking the CEO and DeKalb county government to stop support for the blanket eviction moratorium and any future extensions, in favor of a more targeted approach that assist those who are genuinely in need, while preserving the rights of landlords like myself. I am also asking for immediate action whether direct or indirect, to restore the rights of landlord like myself to be able to access legal remedy via the courts. I am asking the CEO and DeKalb county government to stop support for the blanket eviction moratorium and any future extensions, in favor of a more targeted approach that assist those who are genuinely in need, while preserving the rights of landlords like myself. I am also asking for immediate action whether direct or indirect, to restore the rights of landlord like myself to be able to access legal remedy via the courts. I look forward to some type of response.

5. Fran Mohr, 436 Greenridge Circle Stone Mountain - Commissioners: I assume at this point in the meeting that the development proposed for Northern Avenue has been approved. Our goal was to end the process with consensus among the community, commissioners, and the developer for a solution that would best benefit the community, DeKalb County, and environment in the years to come. Unfortunately that didn't happen as we had wished. The good news is that we were very close and felt an active part of the process until your May 27 BOC meeting. After that, we asked to be included in any discussions to tweak the conditions. Instead a group(s), without the community's involvement, changed wording, intent, and completely eliminated some conditions. Had the community be involved in those June and July discussions, we could have benefited from the knowledge shared, the internal plans, and the strategy. I like to imagine we would have reached consensus. Unfortunately we weren't given that opportunity. I spoke with Commissioner Bradshaw yesterday and reminded him of the dangers of perception, assumptions, and expectations. We all fell into those three danger zones. The Community expected and assumed we would be included in the process including all conditions and implementation discussions. I think the Commissioners perceived that they were doing just that and didn't realize the community was being left out of the final process sending the community the message that their opinions no longer were valued or wanted. Consensus only can be accomplished when all parties are involved actively. That requires time, honesty, and open communications with all involved. We are moving into a new phase of the project in which we have additional opportunities to push for open communication, agreement, consensus, and support among all involved and impacted. It is everyone's responsibility to implement and adhere to this high standard. We promise to keep you, the Commissioners and developer, informed of our experiences, questions, and what we see happening at the property. We expect you to listen and respond. If

we disagree, let's discuss. We all have the same goal to make decisions that best benefit the community, DeKalb County, and the environment for years to come. Commissioners Bradshaw and Terry, we look forward to working closely with you and your team. Our appreciation to all Commissioners of DeKalb County.

6. Charles Colson, 2731 Cosmos Drive Ne 30345 - My Name is Charles Colson and my family & I have lived at 2731 Cosmos Drive Ne 30345 in-between Flair Knoll Drive & Caladium Drive NE for over 6 years. We have a unique perspective because no matter which way you travel on Cosmos Drive NE we live at the top of the hill. We see first hand the dangerous volume & speeds from the majority of vehicles that pass by daily. Cosmos Drive NE is approximately 1/4 a mile straight up and down a hill with a peak in the middle. Both ends of the road start low and work their way up in elevation which allows motorists to accelerate up each hill and speed down the other side. Along Cosmos there are 2 roads that connect to the Street (Cosmos Ct & Hawthorne Place), neither have a stop sign on Cosmos. The HIGH volume of cars contributes to high speeds. Due to the high volume of traffic Cosmos is dangerous for pedestrians, bikes and children. There have been several instances where cars have slammed on the brakes because people were waking their dogs on the other side of the peak and the driver did not have time to see them. Cosmos Drive NE is a highly traveled road. It is one of the main routes that parents take twice a day to drop off and pick up their children from Hawthorne Elementary School. It also unfortunately serves as a cut through between Shallowford Road and Briarcliff Rd NE. I understand that speed bumps are not popular and quite frankly a nuisance to most of us. But I'm afraid the clock is ticking on a terrible accident between a motor vehicle and a pedestrian. The volume is too high for a driver to react in a neighborhood setting. We cannot risk the lives of our neighbors and their children. We have to protect the kids that walk to school and ride their bikes to friends' houses. The world is in a hurry but it is simply not worth it. We must do the right thing and decrease volumes on Cosmos Drive NE. It will save a life on any day.

D. 10:00 A.M. PUBLIC HEARING

The DeKalb County Board of Commissioners will hold a Public Hearing during its Regular Business meeting on Tuesday, August 10, 2021 at 10:00 a.m. This meeting will be conducted via teleconference (Zoom). Simultaneous public access to the meeting will be available (1) via live stream on DCTV's webpage, and (2) DCTVChannel23.TV. The public is invited to watch the broadcast on DCTV's UStream link (<https://video.ibm.com/channel/dctv-channel-23>), or join the meeting using the Zoom link (<https://dekalbcountyga.zoom.us/j/7753778046>), or by telephone (602-333-0032 or 888-270-9936, conference code: 217687). For those joining the meeting by telephone, please be aware that your phone number may be displayed to the public viewing or participating in the online meeting. The Board will provide 15 minutes of time for citizens to speak in favor of an agenda item, and 15 minutes for citizens to speak in opposition. Citizens who attend the meeting via the Zoom link above may join the public comment queue by raising their hand in the Zoom application, while citizens who attend the meeting via telephone may join the comment queue by pressing # followed by 2. There will be no comment cards, so when you are called upon, please state your name and address for the record. Also, please be conscious of speaking time so that everyone has an opportunity to provide input in the allotted time. Citizens may also email documents for inclusion into the official record by submitting such materials by 9:00 a.m. on the date of the public hearing to PublicHearing@dekalbcountyga.gov.

POLICY OF NON-DISCRIMINATION ON THE BASIS OF DISABILITY IN COUNTY SERVICES.

DeKalb County Government does not discriminate against qualified individuals with disabilities or exclude them from participating in or receiving benefits of its services, programs, or activities, based on disability. Janet Essix, DeKalb County Government's Employee Relations Manager and ADA Coordinator, is designated to coordinate the County's compliance with Part 35 of the Department of Justice regulations regarding the Americans with Disabilities Act. Janet Essix may be contacted at 1300 Commerce Drive, 1st Floor, Decatur, GA 30030, 404.371.2309, to request information about access for persons with disabilities to County services, programs and activities, or to discuss a grievance regarding an impediment to such access. Ten days' notice is requested for special accommodations.
