Company	Contact Person	Contact/Address Information	Non-Response Justification
SoCo Contracting Company	Minhas Cui	mcui@soco-contracting.com	Unable to connect with a Prime.
Randolph & Company	Henry Randolph	h.randolph@randbuilt.com	Project was much larger than company usually bid on.
Suncoast Restoration & Waterproofing	Cameron Frost	cfrost@suncoast-group.com	Scope of work too broad in that it incorporated trades (electrical, plumbing, metal work,etc.) that they don't do.
Master Builders Solutions	Keith Howard	Keith.howard@mbcc-group.com	No response to inquiry.
Southern Preservation Systems	Taylor Turner	taylort@spsatl.com	Intended to bid as a subcontractor through a DBE GC that said at the last minute that he wouldn't be bidding the project. It was too late for us at the time to submit a bid.

**NOTE:** An inquiry was sent to five (5) vendors who participated in both the Mandatory LSBE/Prime Meeting and the Mandatory Pre-Bid and Site Visit but did not submit proposals. Four of the five vendors surveyed responded to our inquiry with the above responses; the remaining vendor did not respond to the survey inquiry.
