

MARKET SURVEY

Solicitation No.: 22-500613

Agent: Jovan Hooper

Project Name: Electronic Jury Management System

Department: Superior Court

Company	Contact #	Contact Person	Received Proposal?	Non-Response Justification	Bid in Future
Cosairus	(404) 490-4310	Mark F. Wiedenmann	Yes	Current workload/scheduling conflict	Yes
AppZoro Technologies	(404) 421-5432	Sam Agarwal	Yes	Specifics were too close to existing product and with advice from industry experts, assumed they would ultimately be selected given their reputation/ connection with the same government.	Yes
Tyler Technologies, Inc.	(214) 585-2158	Tim Upton	Yes	Contracted with DeKalb for a new Jury Management System in 2019 but the Jury Administrator did not like firm's solutions and cancelled the agreement prior to implementation. It was assumed that the sentiment has remained unchanged, therefore, did not submit a proposal.	Yes
Results Summary	Non-Mandatory pre-proposal conference was performed on June 29, 2022, five (5) firms attended and expressed interest. Firms that were contacted have all expressed these services are a very specific requirement in the scope that some cannot perform, it is limited on available and qualified proposers who can successfully perform these types of services.
