Company	Contact #	Contact Person	Receive bid?	Non-Response Justification	Bid in Future
AG Hicks Consulting, LLC	678-644-4038	Aubrey Hicks	No	Could not submit bid due to current workload/ scheduling.	Yes
Layer 3 Communications	770-225-5280	Ryan Greene	No	Most of their work is project-based, and not adapted to a service model. Does not fit their company's methodology at the present time.	Yes
Five Points Infrastructure Services LLC	678-856-5559	Cyndi Garrison	No	After reviewing the scope of work more in depth, they do not have the capacity to handle a contract of this magnitude. Would prefer to work as a subcontractor.	Yes
LNKE Technologies Inc.	404-944-0431	Nate Jones	No	Could not participate due to current workload issues. Currently, do not have technicians who can install and support fiber, which is a critical requirement of the project.	Yes
Integrated Office Solutions Inc.	404-366-4110	Alphonzo M. Henderson	No	Felt that project was written for a specific vendor in mind to award based on the context. Because of the scope of work, the requirements in the solicitation prevented most small vendors from bidding on this project.	Yes
